All About Mrs. Craig

Supply Drop Off

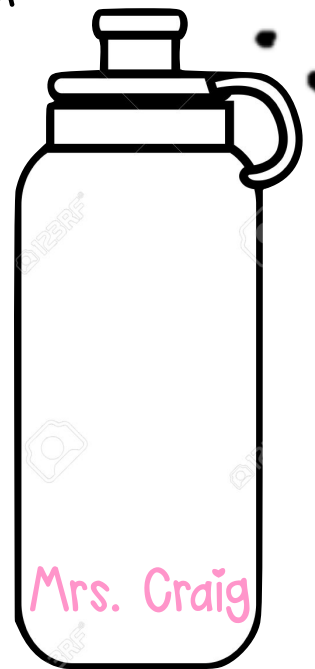

August 11th 4-6pm

- *Teachers will be located outside of Southwest Elementary.
- *Families can drive through and drop off school supplies and meet the teacher briefly in the line.
- **Please make sure your child's supplies are labeled on the outside of the bag with his/her name. If you would prefer to drop their bookbag with their name and supplies in it that would work also.
- *Staff will deliver the supplies to the classroom, so they are ready for Thursday.
- *You may also bring any books/supplies that need to be returned from the Spring.

Water Bottles

*Students will be spending more time outside when the weather permits. PE and Music will be held outside weather pending along with recess.

*To ensure safety, drinking fountains will be turned off except for the bottle filling station. Please send a refillable water bottle with your child labeled with their name.

Masks

*Students will be expected to wear a mask at school. It is a good idea to have one or two extra masks in your child's bookbag.

*Please write your child's name on their masks.

*You may want to have your child start wearing their mask throughout the day to help ease this transition.

Transportation

*Since we will not have the opportunity to talk at Back to School Night, I will not be able to determine your child's transportation mode. Please email me as to whether your child will be a walker, car rider, bus rider or if they will go to SAFE.

mcraig@geneseoschools.org

*If your child has a change to the normal transportation, you may email me, jot a note in their assignment notebook or call the school office (309-945-0699).
