Boys' Season

The boys' track team celebrated a very successful season. For the first time in thirteen years, the team won NCIC. The team placed first at the Annawan Meet, the Sterling Invitational, Galesburg Meet, the Alleman Meet, NCIC, and our own McCormick Invitational. They also placed third at the UT Invitational, and fifth at the Rock Island Meet. Along with that came other great leaps along the way as several broke school records including Jacob Kuban for long jump and Joe Paradiso for shotput. Geneseo also sent six guys to state. "I saw a lot of potential and the team improved by leaps and bounds," Coach Fredericks said. "The guys were at their best when it counted the most and that's a lot to be proud of!"

yrbk: Why did you join track?

Brian: I figured I was decent at running so I thought I might as well go out for track.

yrbk: what things go through your mind before a meet?

Brian: I try to think of a way to get out of the race (like pulling a hammy)

yrbk: What would you miss most if you weren't in track?

Brian: The competition.

yrbk: What's your favorite thing about running?

Brian: Getting done.
