Three of Geneseo's top track and field athletes competed in the 2006 IHSA boys' state finals May 26 and 27 in Charleston.

"They went and competed well," Head Coach Don Fredericks said.

Junior Dan Chenoweth earned All-State honors, placing sixth overall in the 3200-meter run with a time of nine minutes and 22.15 seconds. He also took sixth in his flight of the 1600-m run, crossing the finish line in 4:19.81.

"Dan ran a tremendous 1600, but got boxed in with a lap to go and couldn't get away," Fredericks said. "He was pretty impressive and kept things in perspective. In the 3200, his legs felt good, but temperature was a big factor (108 degrees on the track at race time). He ran a real intelligent race. You could tell everyone was suffering and Dan commented after the race that he didn't know if he could hang in there. He had a bad patch and didn't know if he could get All-State. But he turned his mind off and trusted himself and the desire of an All-State medal. He ran a tremendous race."

Senior Shaun Russell advanced to Saturday's final of the long jump, placing second

in his flight, with a leap of 21-10 3/4, and then took 10th overall, just one place shy of All-State honors, with a jump of 22-4.

"Shaun had a tremendous meet, his best meet of the season," Fredericks said. "He had a great series of jumps. He was sitting in 10th and then beat

Senior Joe Paradiso ended his year with an 11th-place finish in his flight of the shot put with a heave of 50-3 1/2.

"It was Joe's first time down there and he threw over 50 feet," Fredericks said. "I am proud of him, he really wanted a school record, but he never gave up (despite his injuries) and kept working hard.

"It was a very successful season," Fredericks said. "We broke seven school records and I can't remember ever being a part of a team setting that many records. It was a tremendous season and we are very proud of the team. They did a great job and the future looks bright."

Dan Chenoweth settles into in the first 50 meters of Saturday's State 3200 Meter Run Final

Dan Chenoweth All-State in 3200

Saturday's State Fianls Results (5/27):

- 3200 Meter Run: As Geneseo Junior Dan Chenoweth toed the line at 1:15 pm in the 3200 Meter Run, the mercury had risen to 95 degrees (the on-track temperature was over 100 degrees.) Dan battled bravely and recorded the highest state finish in school history in the 3200 Meter Run for a Maple Leaf as he won All-State Honors with his 6th place finish in 9:22.15 (F.A.T.)
- Long Jump: As the finals started Leaf senior Shaun Russell stood in 10th place (Top 9 are All-State.) Shaun went our and climbed two positions with some clutch jumping as he recorded two jumps over 22 feet (22' 04" and 22" 02 3/4".) Unfortunately the athletes who were in 11th and 12th jumped farther and Shaun ended up in 10 place barely missing All-State honors. Hopefully, Shaun will be selected for the All-Illinois Senior Team and compete in the All-Star Meet. This would give Shaun one more meet chance to chase his goal of nailing a 23 foot jump.

Friday's Prelim's (5/26):

- Shot Put: Senior Joe Paradiso's remarkable comeback came to an end Friday as his best throw of 50' 03 1/2" wasn't enough to get him into Saturday's Finals.
- Long Jump: Senior Shaun Russell became the first Maple Leaf to ever qualify for the State Finals in the Long Jump after blasting a best of 21' 10 3/4". Shaun is currently sitting in 10th place. Each of the finalists wll receive 3 more jumps on Saturday.
- 1600 Meter Run: Junior Dan Chenoweth barely missed qualifying for the 1600 Meter Run Finals on Saturday with a strong effort Friday. Dan's time of 4:19.81 (F.A.T.) was the 15th fastest time recorded as he missed making the finals by 1.09 seconds.
