# Track 2006

## *Take it on the run*

This year the boys track team had an awesome season. Our team was a very talented group. We suffered from a few injuries towards the end of the season, but overall we experienced success, placing second at NCIC. We were very lucky this year to have Coach Quick come back after several years at Moline to coach our sprinters and hurdlers. He taught us a lot about "core work" and what it can do to improve performances on the track. His sense of humor always brought us up when we were down.

Some of the biggest highlights of the season have been watching Dan Chenoweth take down a twenty year old record in the 3200 with a time of 9:17, tying the 1600 record with a time of 4:19.30, and watching Shawn Russell break the 35 year old long-jump record with a jump of 22'08 1/2".

More importantly, our team got along very well with each other, and we had a lot of fun competing together this season.
