

Walter, Kuban, Reschke, Hamer, & Kotecki minutes after the 1600 Relay.

Giant Killers

On Friday, five Maple Leafs competed in the IHSA Boys State Track & Field Meet. All competing athletes battled adverse weather conditions that included six weather delays which included clearing the entire stadium due to lightning danger, driving rains, and a high temperature of only 58 degrees with strong winds.

- Following a lengthy delay, Andrew Walter got things going in the Long Jump. Andrew's best jump of 20' 11 1/2" came up just 9 inches short of making the finals. The Long Jump tht started with a tailwind which shortly became a headwind as the wind shifted. Unfortunately, once a jumping event has started, the direction can't be changes. Given that Andrew jumped in the 4th flight it is safe to say that he had a tough assignment jumping into a strong headwind.
- Next up was the 400 meter Relay. The Leafs came in ranked 33rd off the sectional qualifying and but hoped to make a run at the school record which they had just missed at Sectionals. Sadly, the horrible weather made that goal impossible as the boys went out and pushed the pedal to the floor anyway. The team of Sophomore Aaron Kotecki and seniors Andrew Walter, Jacob Kuban, and Shane Reschke ran a strong 44.06 FAT and placed a strong 5th in their heat and ended up 31st overall. Great efforts men especially considering the conditions.
- Jacob Kuban was scratched from the 400 meter dash to save his effort for the 1600 meter relay.
- The 1600 meter Relay wasn't run until darkness had hit and the meet was hours behind the time schedule. The weather conditions were terrible and the Leafs were one of the few teams that actually ran faster than their sectional times. Seeded 35th coming into the meet they ended up with the 8th fastest time (top 9 make the finals and earn all-state honors.) Sounds pretty good so far.... The IHSA takes the heat winners automatically so not so fast. Senior Jacob Kuban exploded from the blocks and rocketed to a 50.32 split. The time was Jacob's fasted lead-off leg of the season and put the team in excellent shape. Look for Jacob at Illinois State next season as he moves to the collegiate ranks. Senior Shane Reschke took the baton next and kept up the heat as he put down another phenominal leg of 50.50. Shane had a great season and will continue his career next year at Monmouth College. Freshman Billy Hamer took the stick next and roared to a season best split of 52.0 and the Leafs were rolling with a season best time. Look for this Freshman to put to good use all the experience he gained this season. Senior Andrew Walter anchored the Leafs season with a tremendous leg as he took the baton folowed by a minor collision in the exchange zone....he roared down the backstretch and just kept coming as he split 49.43 and turned many a head. The Leafs ended up missing the last qualifying spot by less than a tenth of a second. The average enrollment of the teams that made the finals was over 2,500 students....not bad for the boys from Northwestern Illinois with an enrollment of 941.

Geneseo relay suffers heartbreak after great prelim race

By Dan Tomlin

dtomlin@qconline.com

CHARLESTON — The Geneseo Maple Leafs' fans and family were on their feet through the final race of the night. Not because their boys were in the race, but because their boys had a chance to be in the finals today.

In the first 4x400 prelim of the night at the IHSA State Track and Field Meet, Geneseo ran the school's second fastest time ever, 3:22.82, and was locked into the eighth of nine spots through the first

four prelims.

Jacob Kuban ran right at 50 seconds on the first leg and handed off to Shane Reschke, who ran roughly the same. Reschke passed the stick to Billy Hamer, and the freshman ran a mid-51 second leg before giving the baton to Andrew Walter. Walter raced against the wind on the backstretch, closing in on the top three teams, and crossed the finish line with a sub-50 second leg. From then on, the Maple Leafs were spectators to their own fate, leading up

to the fifth prelim.

That's when things went bad for the Maple Leafs as they saw three teams come across the finish line faster than their time, sending the three seniors home earlier than they had hoped.

"We all wrote down what we wanted to run," Walter said. "We all hit those times or did better."

For Reschke, the latest in a family rich in quarter-mile tradition, the race was bitter-sweet.

"We knew this would prob-

ably be the last time the three (seniors) of us would be running together," Reschke said. "We just wanted to put it all out there."

And for Kuban, his wish is one shared by 90 percent of the competitors who competed on Friday.

"I just wish we had another chance (Saturday)."

Dan Tomlin's blog from the IHSA State Track Finals is available at www.qconline.com. He hopes to include video of today's championship events involving Quad-Cities area athletes.
