

Sterling Relays

This is a Geneseo Track & Field Manila site

"We aren't in Kansas any more."

The Geneseo "United Center" ended its career with a double back flip with a twist jumping over two fences and ending up in a tree. OUCH

STERLING INVITE BLOWN AWAY

The 2008 Track Season was dealt another tough weather setback via tornadic conditions that brought strong winds and rain with falling temperatures. The meet had just started when the storm rolled in. The Long Jump had just begun when Jacob Kuban, Shane Reschke, and Andrew Walter had each just completed one jump before the meet was stopped. Both Shane and Andrew flew over 22 Feet. The school record dodged a bullet.
