Despite the **rainy weather**, which led to many **cancelled** meets, I felt that this was one of the best track seasons **ever**. All of the girls really got along and supported each other **in their** events. **Track** is an **individual sport**, and also a team sport at the same time. We placed 2nd in the NCIC, only 10 points away from 1st. That was **such a great** meet because every girl **scored** points for the team, whether at the varsity level or at the frosh/soph level. All in all, **this year was** an awesome finish **for my high school** years. Good job team!

Our **season** was also cut short due to weather cutting down on our **chances for competition**. We did *fairly well* this year placing 2nd in NCIC with a great team effort and **3rd at sectional** where the seniors who didn't qualify for state went out with **several** personal bests. Five of our teammates did qualify for state: **Andrew** Walter in long jump the **4x1 and 4x4**, Jacob Kuban in the 400 and 4x4, *Shane* Reschke in the 4x1 and 4x4, Aaron **Kotecki** in 4x1, and Billy Hamer in 4x4. All in all it was a great year. **Maybe some of us** didn't perform like we would have wanted to, but we had **fun this year**. That is the most **important** part because when it isn't fun anymore then it is not **worth doing**.
