

Silver and bronze for Jensen at state

By AMY BOLDT
Sports Editor

It was a historic weekend for Geneseo High School and the boys' track and field program as senior Curt Jensen, in his first IHSA State Final appearance, medaled in both of the events he qualified for May 29 and 30 at the state meet in Charleston.

Jensen is the first boys' track and field athlete to place in two events at the state level since 1927 and is the first Geneseo thrower to place in a throws event since 1944.

"It was a storybook ending for him," said head coach Don Fredericks. "His performance speaks for itself. Wow."

"You see a lot of good peo-

ple down there and obviously it is a really cool experience," said Jensen. "But you have to get over that and focus on what you have to do and not focus on the stellar athletes."

In the discus, Jensen captured runner-up honors with a second-place throw of 164-05. He also threw 164-05 in the preliminaries May 29 for a first-place finish in Flight 1.

He capped off the weekend with a third-place finish in the shot put with a toss of 56-1 3/4. He ended the preliminary round in third place with a throw of 56-1 3/4 in flight 1.

"My goals were obviously to win, but I wanted to compete at the level I did this season," said Jensen. "I had a PR in the discus and didn't do too bad in the

shot put, so I can't complain.

"I wasn't nervous in the finals because I had seen all the kids the day before. I was more nervous in the prelims, but you have to stay relaxed because if you tense up you are not going to do your best at all."

"It was an incredible, phenomenal weekend of competition," said Fredericks. "It was the best of the best and is what every athlete dreams of, which most don't get a chance to experience."

"What makes it even more impressive is that this was Curt's first chance to compete at state and for him to perform at the level he did that usually doesn't happen. And for him to place second and third his first time there is very rare."

With his performance Jensen earned All-State honors in both events.

"I was pretty happy because there are a lot of good people (at state) and to know I was at the top is something good," said Jensen. "I wasn't really surprised by how I finished, I thought I could do that well, it was just going to be a matter of how I responded to the competition."

"He was in the hunt, he was only 8 inches out of first and wanted to win," said Fredericks. "But his best throws are ahead of him. Whatever school signs him will have a special kid. He has a tremendous amount of God-given talent and he is working hard at it. It is a special combination to have that talent and his work ethic. He had a phenomenal senior season and I am very proud of him."

Next year, Jensen plans to compete in track at the collegiate level, but is unsure at what university. Some schools

"This was definitely a great way to cap things off," said Jensen. "It was a good season, breaking the school record in the shot put."

Jensen, Sparkman have big day in 2A

CHARLESTON — Rather than dwell on the disappointment of a sub-par sectional performance, Geneseo senior thrower Curt Jensen used it as inspiration for the Class 2A state track & field meet.

Despite entering both the discus and shot put with less-than-stellar seedings, Jensen had a memorable Friday, leaving the preliminary round at O'Brien Stadium seeded second in the discus and third in the shot and has an inside track to earn the school's first medal in a throw in 65 years.

"I came in seeded lower than I probably should've been," Jensen said. "I had a bad sectional. I was relaxed and figured I should just fight to the top instead of having to hold myself at the top."

Seeded fourth in the shot, Jensen threw a 56-1.75 to put him third, less than eight inches behind Cahokia's Teron Armstead. Jensen only got better from there as he threw a personal-best 164-5 in the discus and sits in second

place, trailing East Peoria's Chris Thornton, who beat Jensen in the Rock Island Sectional, by eight inches.

"I think I can take him down," Jensen said.

Rock Island senior Ben Sparkman qualified in three individual events and four total. Sparkman advanced to the finals in the long jump and 100- and 200-meter dashes. He also is part of the Rocks' 4x100 relay that won its preliminary heat with a 43.06.

"Our time overall wasn't as fast as we've had this year," Sparkman said. "I think we'll come out and run a faster time (today). I think everyone will be more hyped up. I think we should be right there."

The quartet of Sparkman, Jerraco Johnson, Derrick Ellis and Victor Jones is seeded third.

"I'm glad we got in with a win," Sparkman said. "We got a good spot on the track. It's good that we just know we're in — we don't have to wait for the results."

The only other Rock to qualify in an individual event

► Class 2A local state finalists

- **4x100:** Rock Island (Jerraco Johnson, Ben Sparkman, Victor Jones, Derrick Ellis)
- **4x800:** Alleman (Andrew Hoogerwerf, Cory Yeager, John Westbrooks, Tim Hird)
- **100:** Ben Sparkman (Rock Island)
- **200:** Ben Sparkman (Rock Island)
- **Long jump:** Ben Sparkman (Rock Island)
- **Triple jump:** Julian Mayfield (Rock Island)
- **Shot put:** Curt Jensen (Geneseo)
- **Discus:** Curt Jensen (Geneseo)

was senior Julian Mayfield, who advanced in the triple jump. Mayfield cleared 45-10.25, which was the second-best jump in the field.

"I'm not really too happy," Mayfield said. "I've been in a slump lately. I just haven't had the pop I've had in the middle of the season. I'm trying to get back to where I should be right now."

Alleman qualified its 4x800 relay for the finals. Tim Hird, Andrew Hoogerwerf, Cory Yeager and John Westbrooks are seeded 11th with an 8:10.32.

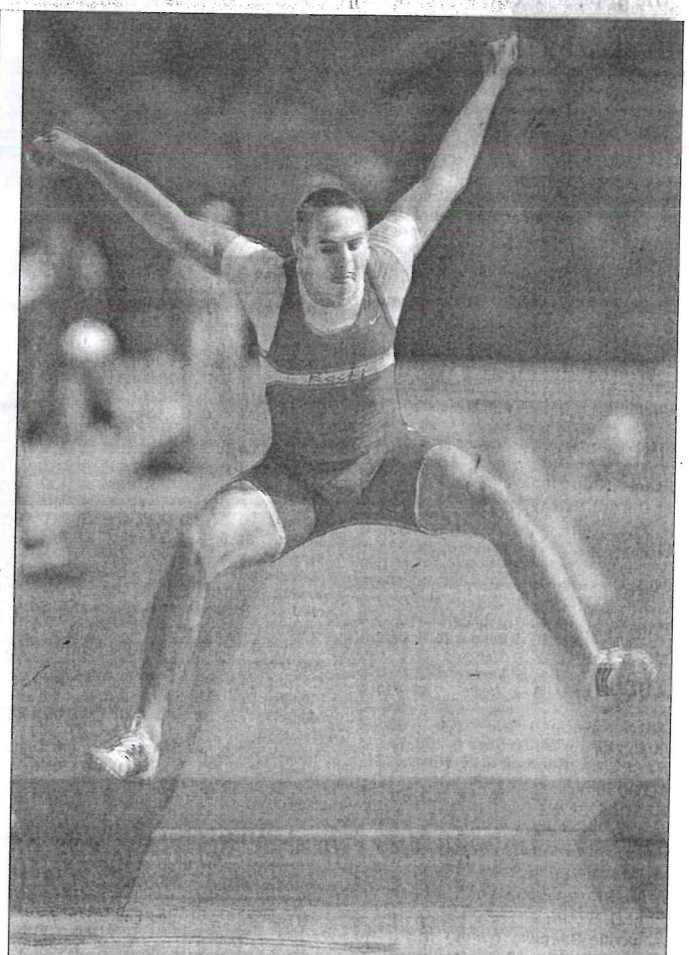

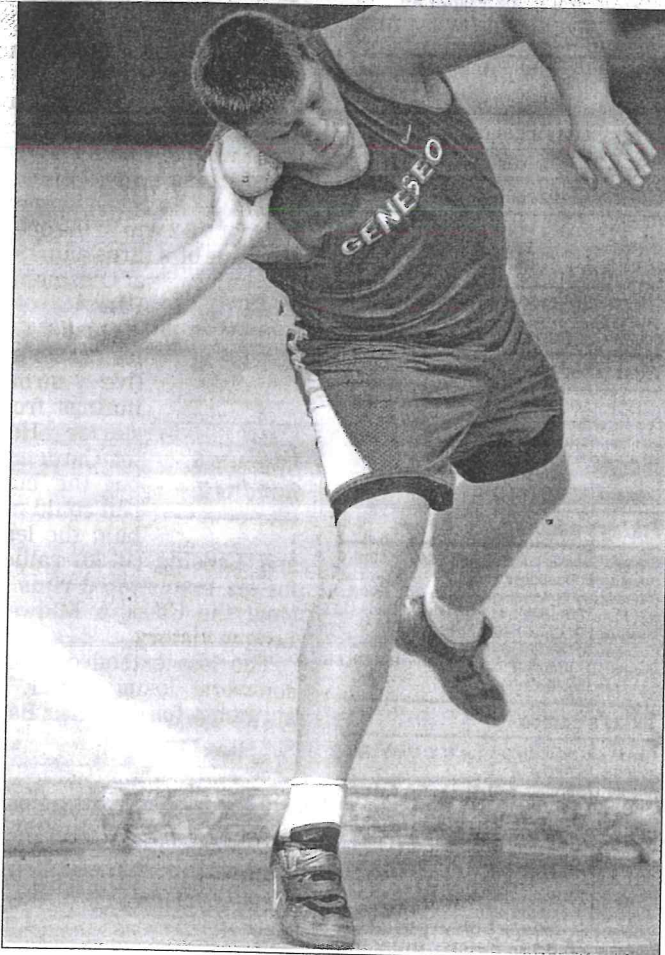

"It was slower than nor-

mal," Hoogerwerf said. "Our time wasn't what we were going for."

There were some disappointing moments. Hird, the reigning Class 2A cross country state champion, withdrew from the 1600 preliminary after one lap due to a hip injury. It is unknown if he will be able to compete in the finals.

Rocky had its 4x200 disqualified because it passed the baton outside of the exchange zone.

"Faulty handoffs," Mayfield said. "That was our downfall right there."

At left, Geneseo's Curt Jensen qualifies for today's finals in the Class 2A shot put at Friday's IHSA state meet in Charleston. Jensen also qualified in the discus. At right, Rock Island's Ben Sparkman qualified in the long jump and 100- and 200-meter dashes.

Jensen throws his way into Leafs' record books

By Daniel Makarewicz
danmak@qconline.com

CHARLESTON — Geneseo senior thrower Curt Jensen took second in the discus and third in the shot put. It is the first time since Safford Farlie in 1925 that a Maple Leaf medaled in two events. Ironically, the two events were the discus and shot put.

"It definitely feels pretty good," said Jensen, who threw 164-5 in the discus and 56-1.75 in the shot. "You always wish you could've done better because there's always more for anyone. But it's pretty good to get top three in two events."

It is also the first time Geneseo has an all-state thrower since Eugene Minneart in 1944.

"I'm proud of myself, but I'm more proud of the fact our throwing program is coming along," Jensen said. "I think they're going to be really strong. This is showing how good we can be."

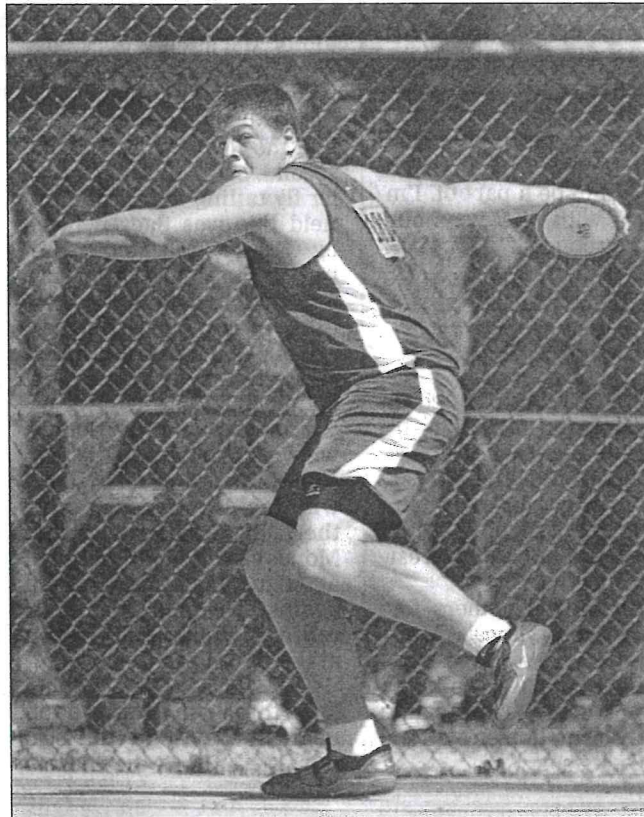

► **No first, but medals are OK:** The United Township and Moline high school boys 4x800-meter relay teams did not win the ultimate prize.

That does not mean they left the IHSA State Track & Field Meet at Eastern Illinois University's O'Brien Stadium disappointed.

UT and Moline both earned all-state honors Saturday, leaving the Class 3A meet with medals in the same relay for the first time in the 115-year history of the meet. In fact, the two relays stood side-by-side on the awards podium as UT took sixth and Moline finished eighth.

"We just loved having them here with us," said UT's Steven Carlson. "It was really cool."

The Panther quartet of Carlson, Jordan Johanson,

Geneseo's Curt Jensen competes in the Class 2A discus finals in Charleston on Saturday. Jensen took second in the event and also was third in the shot put.

Andy Wright and Andy Martinez ran a 7:52.61. Moline's team of Joe Zahn, Jonathan Smith, Michael Castel and Nic Mizeur clocked a 7:54.74.

The Panthers medaled in the 4x800 for the fourth time in the last 21 years and Moline earned its first relay medal since 2003.

"I think we gave our best effort," Mizeur said. "We got a medal and that's all that counts."

UT and Moline were the only two schools not located in the Chicago area to place in the event.

"It's showing big, bad Chi-

cago what's up," Zahn said. "We're a bunch of kids from the corn by a river but I'm glad we're able to represent our area so well."

► **UT wins three individual medals:** United Township high jumpers Jacob DeJaegher, a sophomore, and junior Michael Crabtree finished in the top eight. DeJaegher was tied for fifth with a 6-8 best and Crabtree was eighth after jumping 6-6.

"I'm happy I made it to the finals and got a medal," Crabtree said.

DeJaegher's jump tied a personal best.

"I think I got all my nerves out of me (Friday)," DeJaegher said. "(Saturday) was a good day."

Martinez was eighth in the 800 with a 1:55.88. It is UT's first medal in the event since Adrian Bandy took fourth in 1997.

"I was surprised," said Martinez, who ran the event about 90 minutes after the 4x800. "I thought I was going to hurt a lot more."

► **Alleman takes 10th in 4x800:** The Alleman Pioneers ran without senior Tim Hird, who could not participate because of a left hip injury. Despite the absence of its anchor, Alleman was still able to take 10th.

"We knew coming in with Tim in it that we were ranked 11th," said sophomore Matt Billingsley, who ran in place of Hird. "Taking Tim out, we were pretty much expected not to do well. We just felt that as long as we beat one team we did well."

Due to the injury, Hird, the reigning Class 2A state cross country champion, was unable to run in the 3200.

► **Life in the pits OK for 1A locals:** Although he didn't have a better jump in the finals, Erie-Prophetstown junior Dylan DeJonge's leap of 44-6.5 in the triple jump was good enough for runner-up. Terrell Williams of IVC was more than a foot ahead of DeJonge. Bureau Valleys' Adam Sanden finished seventh with a 43-8.5.

In the long jump, Kewanee freshman Dontae Pryor's last jump proved to be a big one as he moved all the way up from eighth to fifth, by just a quarter of an inch, jumping 21-7.25. Orion's Matt Knoll wrapped up his career with his first state medal, finishing seventh at 21-5.5.
