Track

Run! Jump! Throw!

2009

What's your favorite event and why?

Isaac Silver - The 200 Meter Dash is the ultimate blend of speed and endurance. Plus its my best event.

Kaitlyn DeGrave - Discus is a power event, but it takes grace and skill to be master it.

Ryan Shipman - Shot put. I'm not super fast, but I can throw things!

Joanne Chenoweth - I like the 800. It's a distance race, but its still not too far.

Isaac Silver, '11

Kaitlyn DeGrave, '10

Ryan Shipman, '09

Joanne Chenoweth, '10

Right off the blocks a line of Geneseo runners leap over the first set of hurdles.

Veronica Juchcinski

Jackie DeFauw

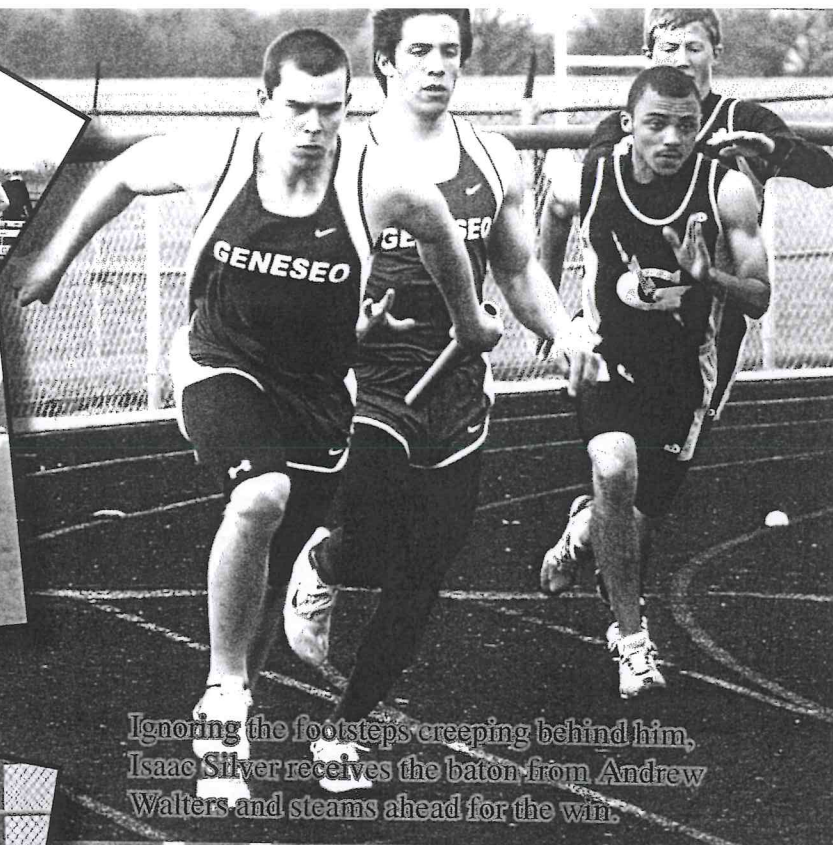

Jade Collins

2009

Evan Wolfe

Coach Fredericks

Ignoring the footsteps creeping behind him, Isaac Silver receives the baton from Andrew Walters and steams ahead for the win.

Joseph Huffman

Track is one those sports that can be the easiest thing you have ever done or the hardest. I am proud to say that this year all team members pushed themselves further than even they expected. The girls' and guys' teams worked together flawlessly and that is something that I will miss next year when I pole vault at WIU. I am excited to say that Steffi Kennett is also continuing her distance career at Illinois State. As for the boys, Curt Jensen will be throwing next year at the college of his choice. We had a solid showing at NCIC conference. During the season, several records were broken including: Megan Wyffels for pole vault at 10' and Curt Jensen for shot put at 56'. At state, Curt took second in the discus and third in the shot put. It was the first time since 1925 that a Maple Leaf medaled in two events.

Megan Wyffels
