In most sports, it is required that you have one specific skill or ability to do well. However Track is unique. With 18 **different** events, from shotput to the 100 meter dash, from pole-vault to the 2 mile, there is something for everyone. And, luckily, we were not behind on any of them. Coach Fredrick's **TOOTSIE** roll supply for Personal Bets ran dry. The **freshman** 4x200 team broke the freshman record repeatedly. The 4x400 relay team brought Geneseo its first relay win in three years. 2 milers found their inner sprinter. It was a fantastic ride. And, of course, there's conference. **Defying** predictions for the 2nd year in a row, our athletes brought Geneseo the conference title. I don't believe I have ever seen such team spirit in **TRACK** as when we sprinted across Sterling's clearly roped off infield over and over to cheer our teammates to victory. A team of **18** groups became one. Thanks so much to Coach Fredricks, Coach Harrington, Coach Wickwire, and Coach Rakestraw for a great season.

In the words of Coach Timmerman, "If you think you can, or you think you can't, you're right." This year's girls track team thought we could win **CONFERENCE** and we were right! Going into the conference meet we were pretty even with Sterling and it promised to be a close meet. However by the end of the **night** we had blown Sterling out of the water, winning with 184 points over their 112. We are a **strong** team and have a lot of talent in the field events and on the track, but so does Sterling. The difference was in the unity of our team. In the beginning of the season our team was a loosely connected group of girls separated into our **designated** areas: sprints, distance, jumps, and throws. Through team warm ups, team **DINNERS**, secret sisters, long bus rides, and of course Catch Phrase our team became bonded together into one. At conference we were not **COMPETING** for ourselves but for our team and that made all the difference. We also could not have done it without the guidance of our great coaches! **THANK YOU** Coach Paulson, Coach Timmerman, Coach Mickle, Coach Boedeker, and Coach Shook! **Great season** ladies and thanks for the memories!
