

HUFFMAN EARNED ALL-STATE HONORS

Pictured is Joe Huffman who earned All-State Honors at the Illinois State Track Finals.

Joe placed in both the Discus and the Shot Put.

On Saturday, May 28th, junior Joe Huffman made school history by earning All-State honors in both the Discus and the Shot Put. Joe becomes just the 3rd boy from Geneseo to achieve such a tremendous accomplishment in over 100 years of competition. Joe placed 6th in the Shot Put with a toss of 52' 04 1/4" and then came back to place 9th in the Discus with a throw of 149' 08". Pretty impressive stuff to say the least. Add in the fact that a late season shoulder injury left Joe on the sidelines for two weeks with absolutely no practice allowed. Joe missed two invitationals and then was cleared to come back for the Conference Meet. Usually, taking that much time off in late season is a death sentence. Joe overcame that obstacle to close out the season with a flurry. The best part is Joe is only a junior and has his eyes on school records and more state hardware next spring. Job well done, Mr. Huffman.

"It was absolutely huge for Joe to get two medals," said head coach Don Fredericks. "He did a great job and this is only the third time in school history someone has won two medals in the throwing events."

Huffman placed sixth in the shot put with a final throw of 52-4 1/4 and took home ninth in the discus with a final mark of 149-08.

"Joe missed eight days of training with a shoulder injury, but came on like crazy the last few weeks," said Fredericks. "Missing that much time so late in the season it is a miracle he qualified. He had a phenomenal finish and it set him up great for his senior year. It was a great

experience for him and he handled it well.

"I am extremely proud of Joe and his coaches. Coach Tom Ferguson, first year throws coach, was a tremendous addition to the staff; coach Mike Harrington, who coached Joe his freshman and sophomore year and Curt Jensen, who is a mentor to Joe and had a roll in what transpired.

"Joe has come a long way and he is hoping to go after the school records next year."

"It was a difficult season for the boys' team and we dealt with a plethora of adversity," said Fredericks. "It is really hard dealing with kids who moved, injuries before and during the season and illness. We had our fair share of it, but what doesn't kill us will make us stronger."

RI 4x100 runs to gold

CHARLESTON — The lead leg was a freshman and the anchor a first-year sprinter.

In the end, the result — not experience — is all that matters.

Behind a state-record performance, the Rock Island 4x100-meter relay capped a drama-filled year with the ultimate finale on Saturday. Seniors Thurgood Brooks and Chris Glover, junior Derrick Ellis and freshman Brandon Richardson ran the race of their lives, winning the Class 2A state championship at O'Brien Stadium.

It would be safe to assume the 42.27-second effort was the most improbable title in Rocky's decorated history considering the circumstances. Yet, the group never lost sight of their ultimate goal despite all the adversity.

"You'll have that with every team," Glover said after giving Rocky its fifth relay state title and first in 17 years. "To us, it didn't come as a shock. We knew we had it in us. The fact it came to reality, it feels great."

From disqualification to champion, that's the story of this relay. In the season-opening Shipley Invitational, they dropped the baton on the final leg, negating what could have been a title.

Three weeks ago, they had their Western Big 6 Conference title stripped after officials ruled they surpassed the exchange zone between the third and fourth legs.

Topping it off, junior Devontea Young, originally the relay's lead leg, was injured for part of the season and ultimately left the team.

"Even though all those things happened, we put our heads up," Ellis said.

Once Richardson, who replaced Young on April 22, exited the blocks, all the problems were in the past. Rocky was crisp with the exchanges and took control from the very first leg.

Ellis maintained the lead and soon gave way to Glover. After receiving the baton, Glover made sure the Rocks were in first as the race entered the final stretch.

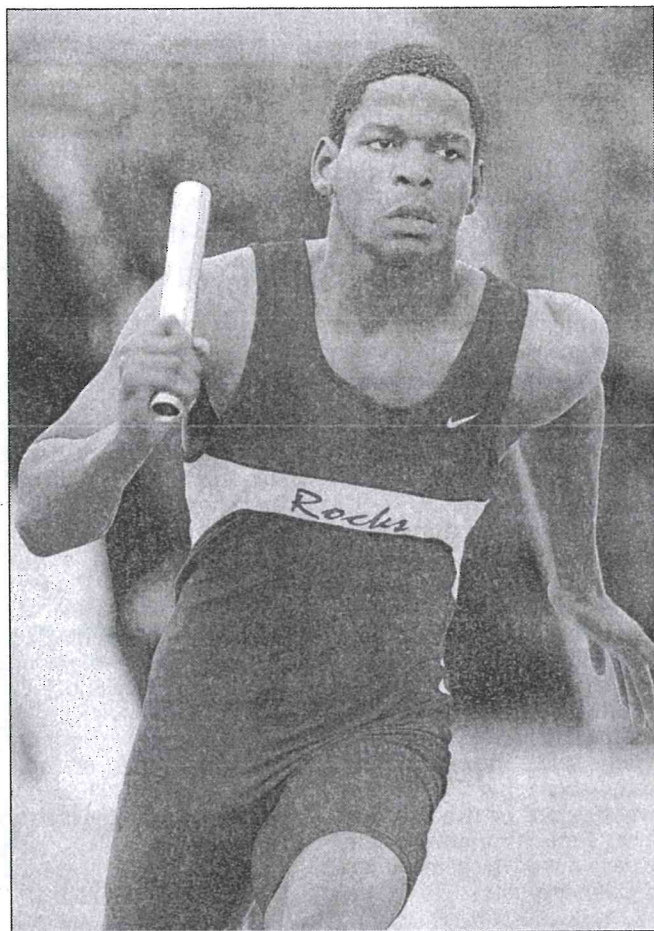

As the relay entered the last 100 meters, Brooks, a first-year track member, ran a strong final leg, thwarting a late push from runner-up Glenbard South and top-seeded Chatham Glenwood.

"If you told me I was going to win a state championship, I thought it would be in football," said Brooks, an All-Metro defensive back. "That was a goal we had, but things happen. I'm glad we did it in track because the history and tradition here is so great."

The tradition grew with one memorable race. Although entering the event with the seventh-best preliminary time, the Rocks were perfect when it mattered most.

"It's special," Richardson said. "Remarkable."

The quartet was not done, though. One hour after the title, the 4x200 earned a fourth-place finish — the program's best since 1994 — in 1:29.18. Glenwood won the

title after running a state-record 1:27.29.

"We were shooting for top 3," Ellis said. "We knew it was going to be a tough one with all those guys ahead of us running a 1:27. We haven't run that, even with our original 4-by-2. We just gave it all we had."

Rocky ended its day with history. Seeded 10th as they entered the state meet, the 4x400 continued their last-season push. Glover, seniors Arius Montjoy and Breshawn Hawthorne and freshman Dayquon Jones were stellar from the start, finishing second in the race behind team-champion Cahokia.

The Rocks ran a season-best 3:20.29, which actually surpassed the previous state record, the program's highest finish in the event.

"It was heart," Glover said.

The three relays gave Rocky an eighth-place team finish with 24 points. At the same time, it could also be considered the Rocks' best relay performance ever.

Seventeen years ago, they swept the 4x100 and 4x200 titles, but never finished among the top 4 in three relays. In 1989, they won the 4x200 and took fourth in 4x100 and 4x800.

"Coach (Ed Lillis) coached us well and we ran well," Glover said. "Now, we have our name in the record books."

UT's Webster takes second in 3A 1600

Daniel Makarewicz,

CHARLESTON — In a moment where frustration could take over, Cody Webster felt satisfaction.

"I gave it everything I had," the United Township senior distance runner said. "I had nothing left."

Pushed to the limit by Elmhurst York senior Jack Driggs in the Class 3A 1600-meter finals at O'Brien Stadium, Webster was 18 hundredths of a second from a state title, ending his decorated career with a runner-up finish. Rather than show emotion, Webster held his head high and embraced a school-record result on Saturday.

"I have a good kick, but Driggs is someone who has a better kick than me," Webster said. "He's just a really good runner. He's good."

Webster proved he was just as fast. From the moment the race started, the Illinois recruit was among the leaders. He led after the first three laps and maintained an edge with 200 meters remaining.

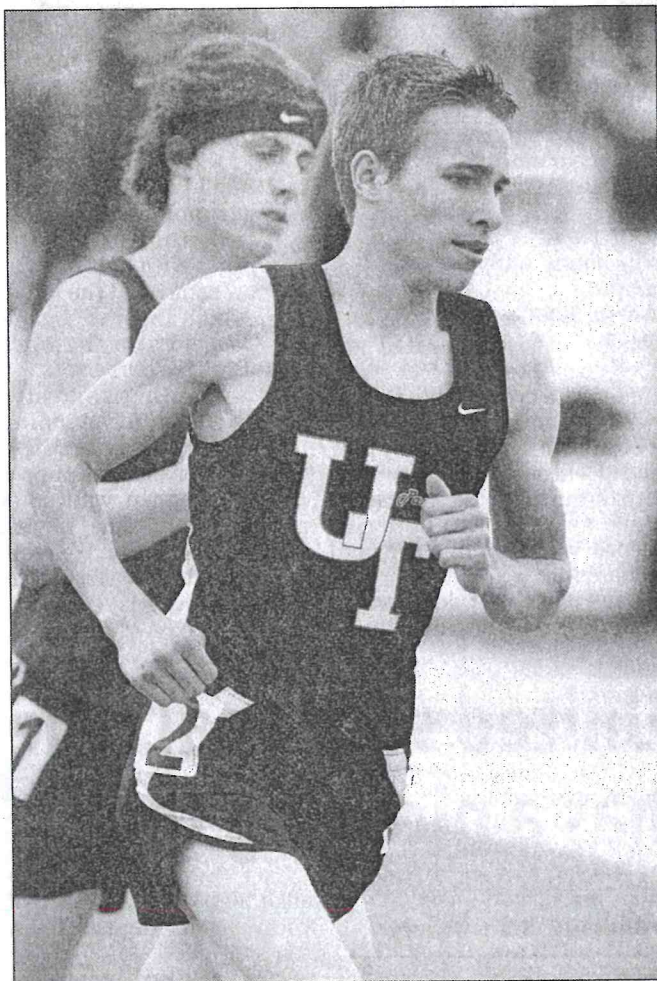

As the pack made it to the final straightaway, Driggs, who earlier won the 3200 title, made his move and took the lead. Webster tried to regain the lead, but there would be no comeback as he crossed the finish line in second place.

Once Webster's finish became official, he soon had a reason to celebrate. After running a personal-best 4:13.49, he broke the 34-year-old school record of 4:14 set by current UT coach Bob Feller.

"I've wanted that since freshman year," Webster said. "To get that, I'm happy."

Besides the school record, Webster did earn the program's highest individual finish in a distance race.

"I can't be too hard on myself," Webster said. "Of course I wanted to win, but getting the (school) record and getting second is better than not winning and not getting a record."

► **Panthers earn second consecutive top 10 finish:** UT only had four finalists, but each finished at least fifth in their respective events. The results gave the Panthers 24.5 points and an eighth-place finish.

UT, which took fifth last year, has back-to-back top 10 state finishes for the first time ever.

"That's exciting," Feller

said. "I'm happy for the kids."

Senior Jacob DeJaegher tied Granite City junior Marcus Mason for third in the high jump by clearing 6-7. DeJaegher earned his third career state medal and became the first athlete in UT history to medal at three state meets.

"That may not be the height I wanted, but a medal is a medal," DeJaegher said. "I couldn't ask for anything better."

The 4x100 and 4x200 relays both finished fifth, with Tatlan Anderson, Raimon Clay, Jordan Atwater and Evan Frazier running each race.

"I'm happy," Frazier said. "Fifth in the state is better than a lot of teams. There's nothing to be mad or sad about."

Besides setting school records in each event this season, the quartet extended UT's streak of state-medal winning relays to four years.

"It's a good accomplishment," Atwater said. "We knew that, no matter what place we got, we would come back with a state medal. That's good enough for us."

► **Moline ends three droughts:**

Jeff Padesky did not break the school record like he had hoped, but he gave the Maroons their first medal in the pole vault since 1976. Padesky earned a fifth-place finish after reaching 14-6.

"I'm really happy for that," Padesky said. "I'm really happy with the way I went out."

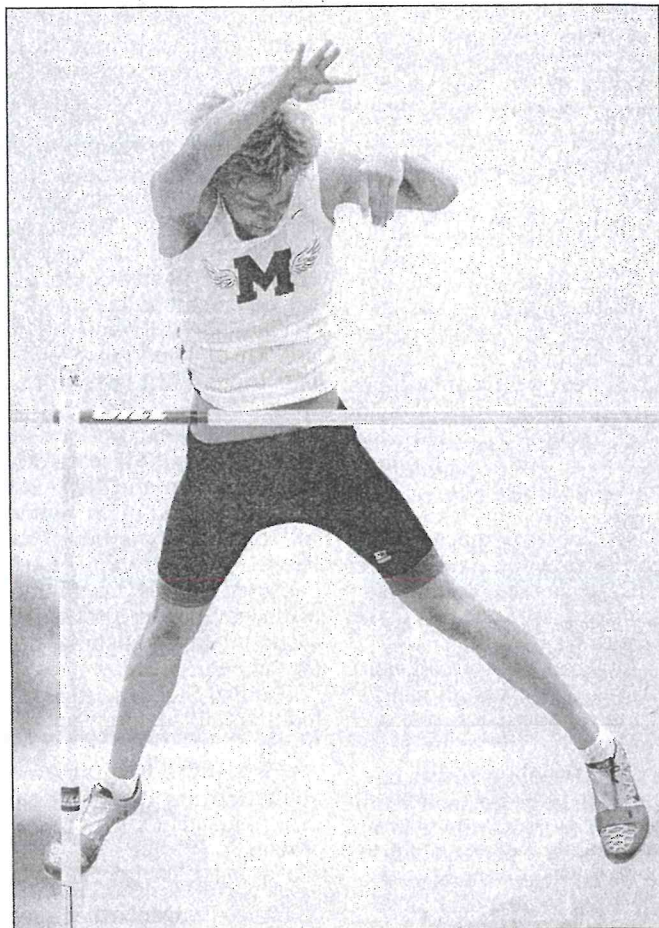

Adam Rasche ended the Maroons' 26-year drought in the throws. Despite scratching all three throws in the shot put, Rasche still snagged seventh. He carried his preliminary throw of 55-10 1/4 into the finals.

"The only better ending I would ask for is school records in both (the shot put and discus)," Rasche said. "I came up a little short in them, but being the only medalist since 1985, that's awesome."

Aaron Peck gave Moline a trifecta, finishing seventh in the 800. This is the third time in program history and first since 2000 the Maroons medaled in the event.

"I was expecting a little better place, but I couldn't control the last 100," said Peck, who ran a 1:54.53. "I fell back a little bit. I've been practicing all year for that final kick and it didn't come in this race. I'll still take the medal."

Billingsley a pioneer on the track for Alleman

By Daniel Makarewicz
danmak@qconline.com

CHARLESTON — Matt Billingsley never thought about the legacy he was leaving.

When the Alleman senior distance runner takes time to reflect, he will see a record-setting career.

By winning two medals in the Class 1A state meet at O'Brien Stadium on Saturday, Billingsley established a new Alleman standard. Now with four state medals, he leaves as the program's most accomplished athlete, having won more hardware than any other.

"With my track career, I feel I have done everything I wanted to do," Billingsley said. "I'm happy."

Prior to Saturday, only Nick Hird, who won the 2002 Class A 3200-meter state title, won three state medals for the Pioneers. Billingsley tied the mark by anchoring the sixth-place 4x800 relay, which set a school record.

The quartet of Billingsley, Liam Otto, Cory Yeager and Ethan Adlfinger ran an 8:03.37, eight seconds behind first-place Beecher.

"It was really fast," said Yeager, the lead leg. "Everyone took us out fast. It was a good run."

The sixth-place finish was the program's highest in six years.

"We all felt like we ran pretty well," Billingsley said. "We did as good as we wanted to do."

Tied for the program best, Billingsley soon stood above the rest. Running in a fast 1600 finals, he snagged a ninth-place finish in 4:28.63, earning his fourth and final career medal.

Billingsley did all this while wearing teammate William Graham's shoes because

his own pair ripped during the 4x800.

"I knew it was going to be fast," Billingsley said. "I just wanted to hang on as best I could. It's probably the most nervous I was before a race."

With the nerves finally gone and the medals draped around his neck, Billingsley ended his career the way he wanted.

"It feels really good," Billingsley said. "It feels like all the hard work throughout the years have paid off."

► **Andris fourth in pole vault:** Annawan-Wethersfield senior pole vaulter Steven Andris ended his career with a fourth-place finish. He cleared 14 feet, 6 inches, becoming the fourth athlete, and first since Dan Rakestraw in 1992, in Annawan or Wethersfield history to medal in the event.

"It feels good," Andris said. "I wanted to go out with something."

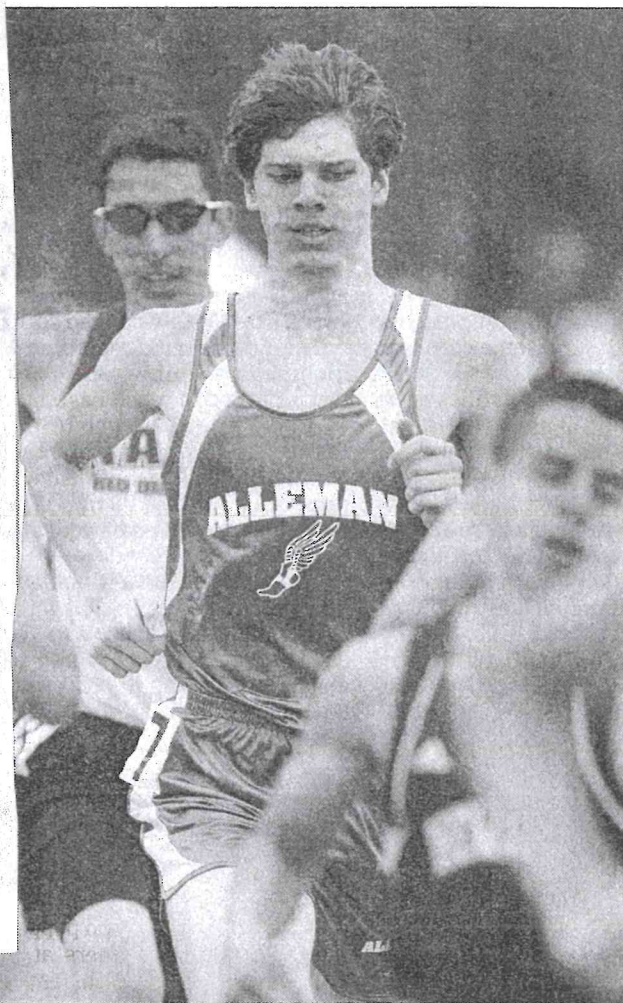

Erie-Prophetstown sophomore Devin Johnson snared a ninth-place finish in the long jump after reaching 20-11 1/4. It was Johnson's first career medal.

"This was a long shot for me, I thought," Johnson said. "I didn't expect to get (a medal) in the long jump."

Mercer County (4x100) and Sherrard (4x400) each took ninth in its respective relays. The Golden Eagles had Cale Muske, Cameron Muske, Tanner Benson and Andrew Christie run a 44.24, winning the program's first state medal.

"Not our best time," Cameron Muske said, "but you take what you can get."

Sherrard, seeded 28th entering the meet, ended a seven-year medal drought after Kody Lieving, Will Sindelar, Josh Fisher and Jake Kissner crossed the finish line in 3:27.71.
