

A.J. MARMION EARNS ALL-STATE HONORS

Pictured are Throws Coach Tom Ferguson, Sophomore A.J. Marmion, and his parents(Jim & Jen)

MARMION EARNS ALL-STATE HONORS

On Thursday, May 24th, the Leafs headed south for Eastern Illinois University and the 2012 IHSA State Track Finals. It seemed a bit surreal, with school being completed before the state finals. This has not occurred in many decades and was a welcome change. The team traveled to our traditional stopping spot for lunch at Avanti's in Normal, Illinois before completing the 4 hour drive to Charleston.

The weatherman certainly had warmed things up during the last week and that was only the beginning. Daytime highs of 95 or above made it a bit on the warm side. Add in high humidity and the result was a heat index of over 100. On the track, you can add 10 to 15 degrees of reflective heat, so conditions were challenging to say the least.

Sophomore A.J. Marmion got things rolling for the Leafs as he competed in the Discus. A.J. has been on fire since championship meet season rolled around and continued his hot streak with an opening bomb of 157' 04" that not only qualified him for the finals but ended up holding up for 9th place and All-State Honors. A.J. is the first sophomore thrower to ever earn All-State Honors in school history. Great job A.J. To say that the school record is a bit nervous would be putting it mildly. You have two more years in which you have the opportunity to re-write our School Record and the Top 25 Lists. Passion and Purpose will lead you to more state hardware and a college scholarship. We are very proud of you. Get ready to step up and help lead the powerful group of Leaf throwers that will return to us next season. While you're at it....how about winning the State Championship before you graduate. Talent and desire are a powerful combination. Go Get 'em A.J.

Next up was Senior miler Kyle Reiling. His race went at 11:40ish and to say it was hot would be an understatement. Kyle went out hard (hitting the 400 in :65) and put forth an effort he should be very proud of. He ended up running a 4:34 and just missed qualifying for the finals (top 12) with his 19th place overall finish. Kyle will now take his talents

to the defending national champion North Central College Cardinals next fall as he plans to run both cross-country and track. All the best Kyle. You are a very special young man and we wish you all the best.

Saturday's 3200 meter run finals was divided into two heats. Junior Jordan Starkey toed the line at 10:15 am and the temperature was already at 86 degrees which put the track temperature at close to 100 degrees. Jordan is one of the fiercest competitors to ever represent Geneseo (in any sport) and he displayed just how tough he is by narrowly missing his lifetime best of 9:45 with a 3rd place (in his heat) time of 9:46. Considering the oppressive heat that is jaw dropping. Jordan ended up 13th following the 2nd heat barely missing All-State honors by only 4 places (top 9.) We are certainly proud of "Sparky" and awfully glad that he will back for one more year. Rest up and then start pounding out your summer base and go nail some state hardware in your senior seasons. You are a WARRIOR!

GENESEO'S BIG 3

Marmion places ninth at state

By **AMY CARTON**

Sports Editor

A.J. Marimon not only captured his first state medal May 25-26 at the IHSA Boys' Track and Field State Finals in Charleston, but made school history in the process.

Marmion became the first sophomore thrower to earn All-State honors in the history of the program. He placed ninth

in the discus finals with a throw of 157-04, where he was the only sophomore to compete. In the prelims, Marmion won his heat with a throw of 157-04.

Jordan Starkey placed 13th overall in the 3200-meter run as he crossed the finish line in 9 minutes and 46.76 seconds.

Kyle Reiling took seventh in his heat of the 1600-m run prelims with a time of 4:34.56.

Schilb regroups to reach discus finals

By Daniel Makarewicz
danmak@qconline.com

CHARLESTON — One hour provided Alleman High School junior thrower Scott Schilb with enough time on Friday afternoon "to clear my mind" after a disastrous shot put performance.

Consider it time well spent.

Refocused and re-energized in the discus, Schilb was at his best with his back against the wall. Schilb immediately found his throwing touch, unleashing a career-best toss of 170-feet, 5-inches. That throw was the fourth-best attempt among all competitors during the Class 2A state meet at Eastern Illinois University's O'Brien Stadium.

"I had a chance to redeem myself," Schilb said. "Not a lot of people have that. I wanted to make the most of it."

First, he had to get over a 24th-place performance in the shot put preliminary. Seeded 10th entering the day, Schilb threw 48-9.5 and fouled on his other two attempts and not advancing to today's finals.

"First time down here, the atmosphere got to me," Schilb said. "But you can't make excuses. It wasn't a good day."

How the day ended was in Schilb's hands. Sixty minutes after leaving the shot put ring, he already was warming up for the discus. Besides getting ready physically, Schilb used the time to soak up the atmosphere and "calm down" so he could overcome the bad start. One throw erased all the bad vibes.

"It came out nice," Schilb said of his career-best throw.

"It's what you expect."

He added a 168-9 and fouled on his last attempt, but the scratch throw had roughly the same distance as the previous two. Schilb sits fourth entering today's finals and feels he can climb a spot or two. Petersburg PORTA senior Caleb Fricke, who threw a 2A-record 188-2, leads the field.

"I'm pleased. I'm sitting a little better than where we thought I'd be," Schilb said. "You've got to be happy with that."

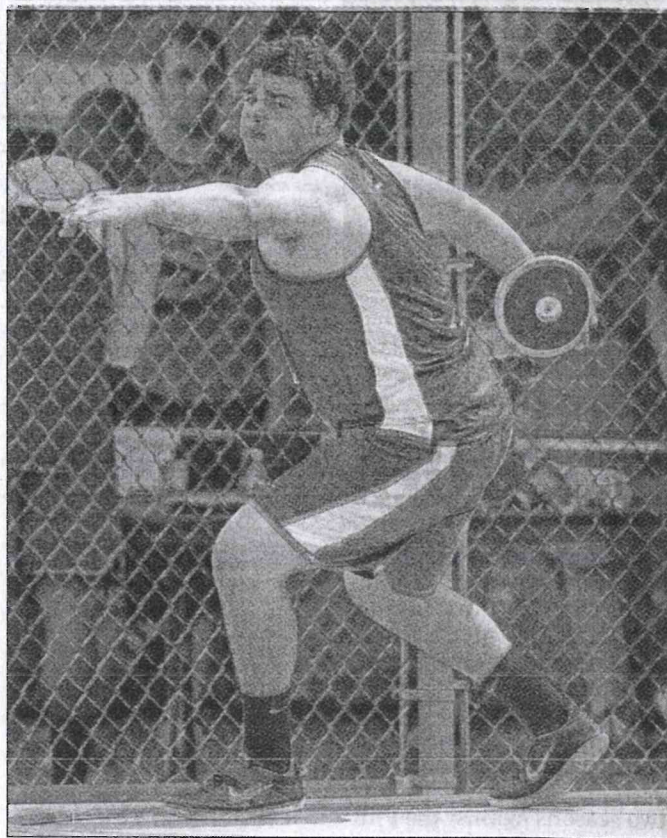

On top of that, Schilb learned he could overcome adversity during a pressure-packed meet.

"It turns around your day," Schilb said. "It makes your day a little better."

► **Adlfinger reaches finals:** Despite finishing third in his preliminary race, Alleman junior Ethan Adlfinger reached the 1600-meter finals. Adlfinger shaved nearly six seconds off his sectional time by running a personal-best 4:22.93.

The pace was fast in Adlfinger's heat as the top two finishers — Chicago Jones junior Jamison Dale and Grayslake Central senior Will Brewster — each broke the state record. Dale finished in 4:15.97, more than two seconds better than the previous 2A mark set two years ago.

"I like the fast pace," Adlfinger said. "The first heat went out pretty well, so I knew we couldn't sit around and jog to the finals. I was happy it was fast. I could sit and let the race come to me."

Geneseo's A.J. Marmion in the Class 2A discus during the IHSA state track and field prelims at O'Brien Stadium on Friday. Marmion qualified for today's finals.

Once Dale and Brewster separated from the pack, Adlfinger stayed within himself and outkicked the remaining field to finish third.

"I'm really happy," Adlfinger said. "I came here to make finals and go for a medal. I took the first step. It's now about finishing it off."

► **Marmion advances:** Geneseo sophomore thrower A.J. Marmion did not have what he considered his best

day, but it was still enough to reach the discus finals.

On his first attempt, Marmion threw 157-4, which tied for the eighth-best toss of the day and rode that into today's finals. If he finishes among the top nine today, he will be the third Geneseo thrower in four years to earn a medal.

"I'm pretty happy," Marmion said. "I wish it would've been farther, but you can't do anything about it now."

Schilb is Alleman's first thrower medalist since '79

By Daniel Makarewicz
danmak@qconline.com

CHARLESTON — Scott Schilb spent last Memorial Day weekend enjoying the start to his summer vacation.

A year later, the Alleman junior thrower collected a state medal on the exact same date.

"This is really kind of mind-blowing," Schilb said Saturday after earning a fifth-place discus medal in the Class 2A state meet at Eastern Illinois University's O'Brien Stadium. "Last year, I was an unknown. Getting fifth in the state is a fantastic feeling."

Not since Adam Lingner took eighth in the shot put 33 years ago had an Alleman thrower earned a state medal. Schilb ended that streak with a career-best throw of 172-feet-5, surpassing his previous best set Friday by two feet.

'My goal is to be on top of that podium. That's what my mindset is right now.

I'm going to work my hardest and try my best to get there.'

Scott Schilb,
Alleman junior thrower

It was the third consecutive week Schilb established a personal best.

"I definitely peaked at the right time," Schilb said.

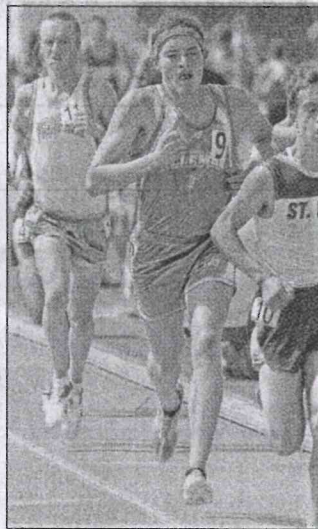

The fifth-place throw was recorded on Schilb's second attempt. Schilb said the disc was "a little wobbly in the flight, but ... everything was all good."

The throw was 16 feet behind first-place Petersburg PORTA senior Caleb Fricke.

"This a great learning experience," Schilb said. "Now I know what to expect."

The expectation now is spending next Memorial Day weekend at the state meet.

"My goal is to be on top of that podium," Schilb said. "That's what my mindset is right now. I'm going to work

Alleman's Ethan Adlfinger runs in the Class 2A 3200-meter run at IHSA state track and field meet on Saturday. He finished 12th with a time of 9:45.09.

my hardest and try my best to get there."

► **Adlfinger gets medal:** Junior Ethan Adlfinger added to Alleman's distance medals by placing ninth in the 1600. Adlfinger is the seventh athlete in program history to medal in that event after running a 4:24.75.

"I came down here in two events. The plan was to get two (medals)," said Adlfinger, who finished 12th in the 3200. "I was just mentally thinking that I've got to run fast enough to get the (1600) medal."

In 10th place with 100 meters left, Adlfinger made a late charge down the final straightaway to snag the ninth spot.

"I said, 'OK, I've got to get the medal,'" Adlfinger said. "Once I got ninth, I kept kicking because I didn't want anyone to get me because it was the last spot."

► **Marmion gets medal:** Geneseo sophomore thrower A.J. Marmion threw a 157-4 to place ninth in the discus. Marmion was the only sophomore among the 12 finalists and becomes the third Geneseo thrower in the last four years to medal.

"It feels good," Marmion said. "This gives me more experience. I'm going to build off this."

Rocks' Willies wins state crown

May 26, 2012 8:14 p.m.

CHARLESTON, Ill. — Derrick Willies was bound and determined.

After clipping a couple of hurdles, the Rock Island junior simply finished strong.

And the lean was just enough as Willies edged Crete-Monee's Rashad Hulbert by one-thousandth of a second to claim the Class 3A 110-meter hurdles state title Saturday.

"It's been my goal to be a state champ, and I accomplished that today," said Willies, who finished in 14.02 seconds.

When asked about Willies, who is an Iowa football commit and transferred to Rock Island this school year from Burlington, all Rock Island coach Ed Lillis could do was chuckle.

"He's definitely amazing," Lillis said. "He's a very blessed athlete. He ran exceptionally well today."

Willies, who trailed only Hulbert's time in the 110 hurdle preliminaries, was behind at the 10th hurdle, Lillis said.

"In the last 15 meters, he dipped and drove to the finish line," Lillis said. "To the naked eye, it was as truly a dead heat as you could image."

Willies' state crown is Rock Island's first title on the track since 1999, when Ronel Muskeyvally won the Class AA 100. Rocky's last state title came from Julian Mayfield in the 2009 triple jump.

Willies' bid for two state titles came up short after he finished second in the 300 hurdles Saturday.

Willies, who posted the fastest time in the event after Friday's preliminaries, finished in 37.75 seconds. Hulbert won the event in 36.91 seconds.

"Just a sloppy race," said Willies, who finished seventh in the 400 hurdles at last year's Iowa state meet.

"In the 300 hurdles, he didn't have a good race, but he still finished second," Lillis said. "It's amazing that he could have an off performance and still be OK."

Willies along with teammate Derrick Ellis, who finished third in the long jump at 23 feet, 3 3/4 inches, teamed up for all 25 of the Rocks' points, which was good enough for a tie for sixth place — two spots better than last year's eighth-place finish in Class 2A.

In Class 1A, Kewanee's Dontae Pryor's bid for three state titles came up just short.

The senior finished first in the long jump (23 feet, 3 3/4 inches), 100 meters (10.61 seconds) and finished third in the 200 meters (22.45 seconds).

Pryor's performance led Kewanee to a seventh-place team finish.

Also in Class 1A, Erie/Prophetstown finished third in the 400 relay, while Sterling Newman was third in the 800 relay.

In Class 2A, Rock Island Alleman's Scott Schilb finished fifth in the discus.

Kewanee's Pryor doubles his fun

[Comment on this story](#)

By Daniel Makarewicz, danmak@qconline.com

CHARLESTON -- Of course Dontae Pryor wanted to leave the Class 1A state track meet with three championships, but the Kewanee senior gladly accepted two.

"I'll never forget this," Pryor said.

What Pryor did was unforgettable.

A career-best distance gave him the long jump state title and Pryor followed that with a win in the 100-meter dash on a blistering Saturday afternoon at Eastern Illinois University's O'Brien Stadium. Add those wins with a third-place 200 finish and Pryor ended his career at his peak.

"This is something I always wanted to do," Pryor said. "I've been going to state since seventh grade. I've been coming short each time, but I always learn something from it. This year, I wanted to finish it."

Almost effortlessly, Pryor won the long jump after clearing a career-best distance of 23-feet-3.75, winning the title by eight inches. With that, he became the school's first state champion in the event since 1944.

Pryor reached the distance despite jumping in front of the board.

"That was fun," Pryor said.

Not long after his first title, Pryor earned another. Recovering from a poor start out of the blocks, Pryor outlasted the field and finished the race in 10.61. That was the second-fastest 100 time recorded on the day among all competitors.

Photo: Clark Brooks / PhotoNews
Pulling past Flora's Myles Ketelson, right, in the last 50 yards, Kewanee's Dontae Pryor runs to a first place finish in the Class 1A 100-meter dash at IHSA state track and field meet on Saturday. He also won the long jump and placed third in the 200-meter dash.

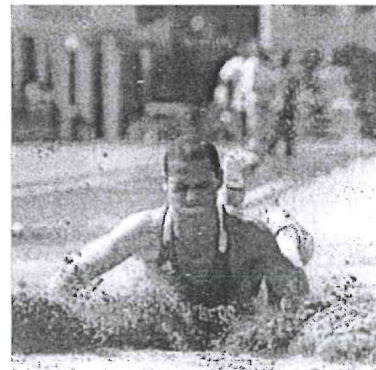

Photo: Clark Brooks / PhotoNews
Erie-Prophetstown's Devin Johnson lands face forward in the sand during the Class 1A long jump at IHSA state track and field meet on Saturday. He finished in 8th place.

"My legs were jello, but my drive phase is when I start pulling away because that's when I'm at my top speed," Pryor said. "I just had to finish."

Pryor ended the day by running a 22.45 to take third in the 200. He finished eight-hundredths of a second behind first-place Johnston City senior Dan Farmer.

Those three results gave the Boilermakers 27 points and a seventh-place finish, their highest since 1994. Behind all those points was Pryor.

"It's great," Pryor said. "I wanted to do this for my community, school, family and friends. This is for everybody."

- Johnson wins three medals: Erie-Prophetstown junior Devin Johnson finished third in the 4x100 relay (42.3), sixth in the 400 (50.92) and eighth in the long jump (21-6.5), earning three medals.

"It's cool," Johnson said. "I just wish I could've done better in the long jump and 400. The 4-by-1 was great. I just let myself down."

Johnson joined Rob Cobert, Chris Bauer and Darius Owens to get the third-place 4x100 finish. The final time established a program record for the co-op.

"I can't even believe it right now," Cobert said. "Watching Devin finish from the other side of the track, it was incredible. The best feeling ever."

The Panthers earned their fourth medal on the day after junior Ethan Oleson took eighth in the shot put. Oleson established a personal best after throwing 49-8.25.

"It's great," Oleson said. "To PR by almost a foot, you can't ask for more."

- Titans take second: Monmouth-Roseville still was missing 4x400 anchor Martel Hunter due to a hamstring injury he suffered in Thursday's preliminary, but the relay recovered to finish second. Isaiah Perry, Matt Bertelesen, Trayvon Smith and Bryce Willett ran a 3:24.47, three-tenths of a second behind Aurora Christian.

"We went through the worst possible scenario when Martel went down," Willett said. "So second place is a good finish. We all worked our butts off. As much as you want to win, you've got to be happy with second."

Aaron Leander, Elisha McCreary, Kevin Miller and Matt Welch gave Ridgewood its first state medal as a co-op after the quartet ran a 3:32.27 to finish ninth in the 4x400.

"We weren't expected to do anything," Miller said. "But we did well. It's a good way to end the year."

- Distance duo earns medals: Riverdale junior Kevin Claus and Mercer County senior Sam Whan finished fifth and sixth, respectively, in the 3200.

"Lots of hard work was put into this season," said Claus, who ran a 9:59.81. "To come down here, race the best and get a medal, that's all I could ask for."

Whan received his first-ever state medal after completing the race in 10:01.84.

Mercer County junior Payton Holmes stumbled in the 110 hurdles, but finished in 15.56 to take eighth.

"I'm still fortunate just to make the finals," Holmes said. "But I'm very disappointed."
