LEAFS SUCCESSFULLY OPEN SEASON AT KNOX COLLEGE INVITATIONAL

On Friday night (February 22nd) the Leafs traveled to Galesburg to participate in the non-scored Knox College Indoor Invitational. The meet serves as the Leafs traditional Season Opener. We love the meet format which includes unlimited entries (thus, everyone on the team gets to participate) and the meet is non-scored which is a great way open the season. The team is still missing most of its Winter Sport Athlete's so the line-up was far from a finished product. The bottom line is, the team was itching for some competition and they got it with solid squads from Dunlap, Galesburg, Illini Bluffs, Knoxville, Limestone, and Metamora.

During the indoor season, both the girls and boys team compete in meets where both genders compete at the same site. It is a lot of fun to get a chance to support our Girls' Team. The only draw back is that it makes for a pretty long meet. The last event finished just before 10:30 pm. Galesburg utilized their brand new F.A.T. system and has a few bugs to work out with it but it is a great addition to their program and eliminates any questions about the official order of finish.

The Leafs enjoyed a great night across the board with a plethora of brave efforts. Stealing the headline was senior Pole Vaulter Alex Platz who won the event in a new school record of 14' 03".

Alex broke the oldest school record on the books which belonged to Rich Johnson and dated back to 1974. To put that into perspective: in 1974, the average brand new home cost \$38,900, the average new car cost \$3,750, and the average yearly wage was \$8,300. Gas was 53 cents a gallon and the President was named Nixon and Mr. Fredericks was freshman in high school. Yeah, it's been a while. Other Leafs who claimed gold included Sawyer Claus in the Triple Jump (back after a premature 1-season retirement) and the 3200 Meter Relay team of David Chenoweth, Chaise Blakley, Tony Gatter, and Mitchell Lamb. Listed below are the Leafs who placed in the top 6 (scoring positions in an invite.)

- 1st Place: Sawyer Claus (Triple Jump)
- 1st Place: Alex Platz (Pole Vault)
- 1st Place: David Chenoweth, Chaise Blakley, Tony Gatter, Mitchell Lamb (3200 Meter Relay)
- 2nd Place: Jay Wilson (Pole Vault)
- 2nd Place: Griffin Welfer, Jacob Rahn Dugan Kuffel, Justin Seeley (1600 Meter Relay)

Platz breaks long-standing record

Geneseo senior Alex Platz, whose goal this season was to break the school's long-standing pole vault record of 14-2 set back in 1974 by Rich Johnson, broke that record in the first meet of the season as he cleared 14-3 at the Knox College Invite Feb. 22. 'I was shocked,' said head coach Don Fredericks. 'I don't know if he was, but it was his goal this season to do that. For him to do that in the first meet is jaw dropping. The reaction after was awesome, and I will never forget it. The smile on his face was priceless. He has really invested a lot and busted his tail in the offseason and during the season. It will be fun to see how high he can take the school record and his teammate, Jay Wilson, has his eye on that school record. They push each other and it is healthy competition.' To watch Platz's record-setting vault go to: <http://www.youtube.com/watch?v=y-GT1bo0iYk>. Pictured are front row, from left: Anna Madigan and Megan DuBois. Back row, from left: Luke Larson, Jay Wilson, coach Mike Harrington, Platz, Justin Cain and Ashley Kempfer.

The strengths of this year's squad is Marmion, returning state placer in the throws; hurdles led by Dugan Kuffel; the pole vault with Alex Platz and Jay Wilson in the hunt of the school record; and our distance events behind Starkey.

A challenge that will face the Leafs this season is trying to keep the team healthy and injury free. Coach Fredericks said the Leafs are solid number-wise, but he always wants more participants, which is a challenge.

"It is still early, but it will be fun to see where the guys step in," said Fredericks, whose roster still continues to change. "I am real excited, no question about that."

The goals the Leafs and their coaches would like to achieve this season are to get personal bests every single meet, every single event and every single athlete.

"The goal is for our athletes to go into an event, try to improve every single time and have fun getting better," said Fredericks. "The excitement of improving is huge and that is a key thing. I also want them to enjoy the journey, bond together and care about each other. It is a great opportunity to become one."

The Leafs opened the 2013 season at the Knox College Invite Feb. 22.
