# Maroons blow away opposition

By MARY SHANE  
Dispatch Sportswriter

With 47-mph winds whipping through their thin shirts and slowing their times around the curves, runners of the 10th annual East Moline Kiwanis Invitational Saturday probably had a hard time believing it was the middle of April.

Still, said East Moline coach and host Jim Wessell, "It's not raining or snowing. And the sun is out sometimes."

The sun was shining on the Moline Maroons, anyway, as they came away with seven individual first places and a team victory in the eight-team meet at Browning Field.

**THE MAROONS'** 125 team points put them way out in front of second-place Rockford East, which scored 73½. Central finished third with 66½ and Geneseo came in with 58½. Galesburg finished fifth (38); East Moline came sixth (36) and Crete-Monee and Alleman tied for seventh (16).

"It's great to be back outdoors," said Moline coach Shipley. "We'll get beat this year, but it's fun to win on a good day for us."

Helping make it a good day for the Maroons was Kenny Morrison, who won the 100-meter dash with a time of 15.2 seconds. Morrison also ran the third leg of the winning 400-meter relay.

Q Carlson and Jim Hess also recorded double victories for Moline. Carlson took first in the 300-meter low hurdles with a time of 40.2 and led off the 1,600 relay. Hess won the 200-meter dash in 52.2 and anchored the relay team.

"WINNING THAT RELAY into the wind was a tremendous accomplishment," said Shipley. "To get a time of 3:36.7 on a day like this, well, they just did a great job."

Also doing a great job for Moline was Craig Ford, who beat Geneseo's Rich Werkheiser in the 3,200-meter dash with a time of 9:34.2. Werkheiser finished almost 10 seconds behind.

"Rich is disappointed," said Geneseo coach Jeff Shipley. "He feels he can run with Ford, but he just didn't have a good day today."

Maroon Steve Weaver didn't have his best day either, but he did well enough to win — going 6-foot-2 in the high jump. "Steve did well considering the weather," Shipley said. "With the wind behind his back, it threw his timing off."

Teammate Kenny Morrison's timing was excellent, as he won the 110 high hurdles in 15.5.

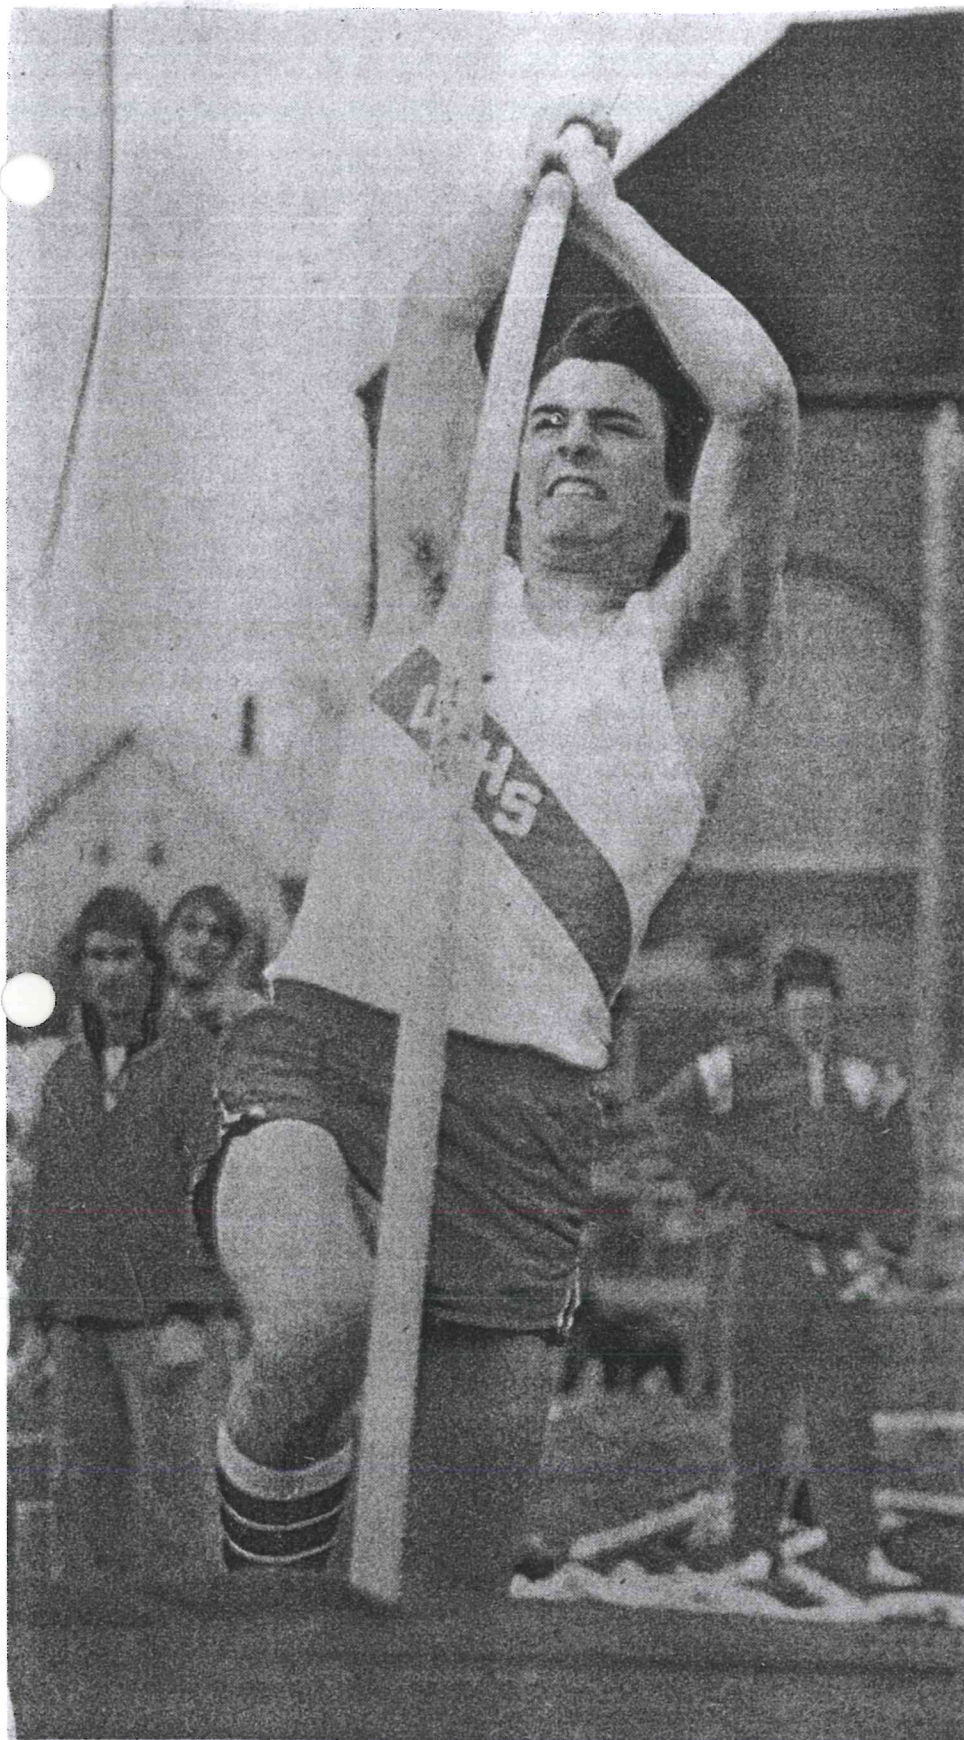

**GENESEOS, DESPITE THE** losses by Werkheiser and Weaver, had some good performances too. Tim Holstrom took first in the discus, hurling it 158 feet.

"That was an outstanding throw," said his coach. "It was a smart performance. He threw it very flat; he didn't throw it up, it wouldn't have gone as far. He used the wind instead of being a victim of it."

The Geneseo freshman-sophomore teams also won events, the 400 medley and medley relays.

**EAST MOLINE TOOK** only one first place, but it was a victory.

On the way to a victory. That's the situation for East Moline's Scott Fisher, who vaulted 13 feet Saturday at the East Moline Kiwanis Invitational. Fisher's vault of 13 feet was remarkable because of high winds that plagued the meet won by Moline.
