

Geneseo takes

Lancer Relays

By Dearrel Bates

QUAD-CITY TIMES

Geneseo, riding the coat-tails of three double winners, eked out the team championship at the seventh annual Lancer Relays in Eldridge Tuesday, staged under near ideal weather conditions.

The Maple Leafs, runnersup the past two years in the North Scott meet, finished with 86 points, one more than Iowa City West. Iowa City High edged a short-handed Davenport West team for third in the nine-team meet, 66-64.

Iowa City West nipped Davenport West by an eyelash in the final event, the mile relay, to earn 10 points. The big question was where Geneseo, running in another heat, would place. A sixth place finish would have meant a tie for the title, but the Leafs managed a fifth, which in turn meant the championship.

"WE KNEW the team race was going to close," Geneseo Coach Jeff Quick said, "and we're just happy to win it. We relied on our three outstanding individuals again — Fred Little, Trent Foltz and Tim Arnett — and they came through.

"In Illinois meets, an individual can run in four events, but here they are limited to three events. That means we have to run more kids, and some of those younger kids came through with some big points. Our field event people are getting more consistent, and that's a big key."

Little won both individual hurdle events, Foltz the 100 and 200 dashes and Arnett the two-mile and mile. Little also ran a leg on Geneseo's first-place shuttle hurdle relay unit.

Arnett, just a junior, won the same events last year as a sophomore. This year, however, he feels he hasn't been in a groove yet, maybe partially due to the spring's lousy weather.

"I'VE GOT to get my mind set to push myself harder," said Arnett, who won the two-mile in 9:47.08 and the mile in 4:35.85. "Maybe it's due to the weather, I don't know. I'm still 10 seconds off my best time in the two-mile, and I want to get it down to around 9:20."

Davenport West's only first was by quarter-miler Troy Harrington, who ranks at or near the top of the state's best. Tuesday, he was clocked

in :49.83.

"That's my best time of the season since the weather has been so sleazy," Harrington said.

"I feel stronger this year, maybe because of all the track work I did over the summer with the Bettendorf Track Club. Hopefully, I can get my individual time down in the 48's. Right now, I'm more concerned with doing well this weekend in a couple of relays at Drake."

Pleasant Valley captured a pair of firsts from discus thrower Kirk Amerine and half-miler Tom Miller. The Spartans were operating without versatile Steve Green who has been bothered by a toe injury. Indications are, however, he'll be back for the Drake Relays.

Both North Scott, the team champion the past two years, and Muscatine came away with one first place. The Lancers had pole vaulter Dwight Ried win while the Muskies had shot putter Jim Ball prevail.
