

Varga, Lohman

and relay

head for

state meet

Geneseo had three individual events and one relay squad qualify for state at the Class AA IHSA Sectional track meet held Friday, May 16 in Sterling.

Jim Varga earned state qualifying times in the 110 high hurdles and 300 low hurdles. Varga won both events, the 110 hurdles in 14.90 and the 300 hurdles in 38.19. In both contests, Varga just nipped out the second place finishers.

Anthony Ford of Sterling kept right on Varga's heels in the high hurdles, earning second place with a time of 14.97.

Varga just edged past Scott Carter of Chillicothe in the 300 meter low hurdles. Varga clocked a 38.19 (a personal best) while Carter's time was 38.20.

In the lows, Varga, seeded third, ran second to Carter most of the way; and remained there over the last hurdle. Varga won by less than six inches.

Mike Lohman took first in the shot put for a state qualifying birth.

Lohman heaved the shot 55 feet, 3 1/4 inches, and all but one of his throws on the day reached

55 feet. He was a relatively easy winner. "I was disappointed last week (second in the NCIC at 52-7), so I got some real satisfaction from this," said the Leaf senior.

The 3200 relay team is also state bound. The squad earned third at the sectionals but their time of 8:01.05 was good enough to qualify for state. Members of the relay team are Todd Puckett (2:00), Cliff Harker (2:01), John Huyvaert (1:59) and Scott Perkins (1:58).

Jay Gould also played in the sectional meet but did not qualify for state. Gould's 400 meter dash time of 51.69 earned him a fifth place finish in the event.

Rock Island took the sectional meet overall, earning 41 total points. Sterling and Peoria tied for second, each tallying 34 while Geneseo took seventh overall, marking just 22 team points. Sixteen teams competed at the sectional meet.
