# Akers is sole Leaf competitor at state meet in Charleston

Todd Akers, who tied for second in the high jump with his mark of 6'3", will be the sole Leaf competitor at the state competition in Charleston Friday and Saturday, May 29-30.

Akers earned his trip at the

Todd Akers

U.S.A. boys sectional track meet held Friday, May 22 in Sterling. Rock Island earned its fourth straight sectional crown.

with 60 total points for the day. Geneseo took 10th as a team with 8 points. Second place was earned by Peoria, 50 points, while Sterling grabbed third with 30.

Weather conditions hampered most of the field leaving few state qualifiers beyond the two automatic spots for first and second in each event.

Rock Island won eight events for the top slot. United Township and Moline qualified for two events each while Geneseo held just one.

Akers shared his 6'3" high jump hurt with two other opponents. Ronzone of Sterling took first with a 6'3" effort while Winters of Peoria, Mobarek of Dixon and Akers all shared

second. Alleman's Fredericks also jumped 6'3" but did not qualify for the state meet.

A new record in the discus event was set during sectional competition Friday. Peoria's Huff gave a mighty throw of 185'10" for the new record. His closest competition was second place Guthrie of Dixon at 151'.

Geneseo placed within the top five place finishes in four events. Besides Akers' second the 3200 meter relay took fifth, J. Reed took fourth in the triple jump and Phil Walsh took fourth in the 1600 meter run.

Mike Haars, Walsh, Scott Johnson and Rod Sandberg combined efforts to clock 8:12.95 in the 3200 meter relay for fifth. The first place squad from Chilli-

cothe took the tape in 8:01.06.

Reed's 42'8" effort in the triple jump earned him a fourth place slot. Rutherford of Peoria took the event with his distance of 45'3/4.

Walsh crossed the finish line in 4:30.42 in the 1600 meter, about seven seconds behind the leader. Kewanee's Petersen took the tape with his time of 4:23.30.

## Girls "just miss" state track finals

For four Geneseo high school track girls and their coach, Friday, May 22 represented a very disappointing day.

The four girls ran in three

took eleven or twelve girls and only got a couple through.

The 3200 relay team clocked a 9:40.20 and was fifth in its heat. In the 800, Grader clocked
