Can he make it?

Jim and Brian work hard in the it.

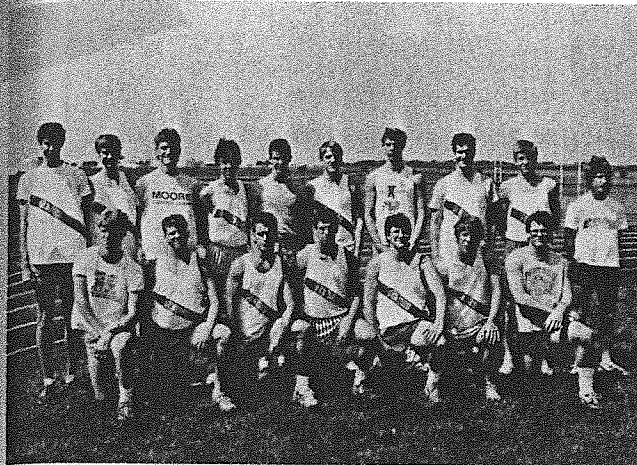

Below: Steve watches the finish closely.

The 1987 Boys' Track Team, under head coach Don Fredericks, had another fine year. The Leafs finished up the regular season with an 11-4 dual meet record. In the tournament season the Leaf tracksters took second place in the NCIC Conference meet, and finished tenth in a highly competitive sectional meet. Individually, the Leafs had seven NCIC champs, seven Sectional placers, and one State qualifier. This '87 boys track team accomplished its goals through hard work, determination, and a feeling of togetherness. This '87 boys track team accomplished its goals through hard work, determination, and a feeling of togetherness. This group of fine young men has set a high standrad for next year's team, and teams after, to live up to.

Another successful season!
