Adam Boardman

Adam Boardman placed first in the 800 and 1600 meter runs to help the Geneseo varsity boys track team to a third place finish in the Rock Island Invitational held Friday, April 19 in Rock Island.

Despite the appearance of world-class runner Craig Virgin at Friday night's Rock Island Boys Track Invitational, the efforts turned in on a cold night were less than comparable to the bests Virgin clocked in his Illinois high school prime.

But the efforts put forth by the champion Rock Island Rocks (239 points) and third-place Geneseo Maple Leafs (172) were pleasant sights to those teams' respective coaches. Coach Jim Wesselmann's United Township club also received some great outings en route to 133 points and a fourth-place finish in the 16-team field.

Moline and Alleman, still struggling with injuries and illness, finished 11th (69 points) and 14th (15), respectively, with what their coaches called "frustrating and disappointing efforts."

"It was just a lot of balance for us," said first-year Rock Island coach Ed Lillis of his mostly peach-fuzzed club. "With our youth, the biggest advantage is enthusiasm. Because of the youth they are a little unfamiliar with what good is. They are finding out that in big meets like this they can compete with a lot of people and they are surprising themselves."

Said Geneseo coach Don Fredericks, "We're just ecstatic. To finish behind teams as strong as Rock Island and (Rockford) Guilford, we're thrilled to get third."

The Rocks have turned in some impressive efforts so far this season. Friday night, relatively speaking, was no different... except the youthful Rocks also showed they had depth.

After nearly 300 medals had been awarded, the defending champion Rocks had hammered home the point that youth shall be served. With a mostly underclass team, the Rocks scored in all but three events — that's putting up points in 43 of the 46 divisions as the individual events were broken down into three classes.

"It says a lot for the kids that they have that kind of stick-to-it-iveness," said an elated Lillis, whose kids nickled-and-dimed their way to a lot of points. "That's just something you have to admire. They go as hard as they can and if it turns out to be a third- or fourth-place finish, it's not a blow to their ego or their pride."

The Rocks only won one relay and six individual events, none in Class A where the top seeded athletes were pitted.

The 800 relay unit of freshmen Aaron Taylor and Tito Veasey, junior Victor Jones and senior Terence Parks clocked a 1:32.5 to nip Guilford, which, with 194½ points, also finished second in the team race.

Sophomore Brent Fisher led the Rocks' individual winners with a

pair of wins up on the hill. He won with two personal bests — a 46-11 in the Class B shot put and a 146-2 in the Class B discus.

Also adding individual wins to help the Rocks were DaShawn Guy (11.6) in the Class C 100; freshman Adrian Dunbar (16.0) in the 110 high hurdles; sophomore Greg Whitcomb (4:40.8) in the Class C 1600; and Veasey again with a 23.2 in the Class C 200.

Senior Adam Boardman was the big stud for the Maple Leafs as he won two Class A individual events — the 800 and 1600. While his times, like most of those on a night when only three records were set, were relatively slow, but he looked good in winning both.

He clocked a 1:58.7 in the 800 and came back four events later to stop the clock in 4:27.2.

"His double was tremendous," said Fredericks. "I thought our hurdlers did a tremendous job and scored some major points for us, as did our distance runners."

The milers had the best efforts across the board as they picked up two firsts and a second. After Boardman's win in the Class A run, Bryan Glass won the Class B race with a 4:37.9 and Josh Pierce was second in the Class C run with a 4:42.3 clocking.

In the 3200, Glass was third in Class A (9:46.8), Andy Snook won Class B (9:56.3), and Karl Taets (10:22.5) was second in Class C.

"Last year we finished second here and used that as a springboard to a great finish," said Fredericks, who last year watched his club close strong and win the NCIC crown and have a good sectional meet. "We hope the same thing happens this year."

The night started out ominously for UT's Wesselmann, who watched star Ken Wyatt drop out when his sore hamstrings couldn't loosen up in the cold weather. But after that, things went well for the Panthers.

"We've had a great night so far," said Wesselmann just before the final events were completed. Maceo Strickland was great with two first and anchoring two relays that placed. He's really turning into a fine runner."

Strickland was impressive in winning a tough Class A 100 in 11.3 and the Class A 200 in 23.3. The 800 relay finished third and the 400 relay was fourth.

United Township also picked up big points in the field events. Dameon Dunbar won the Class A shot put (52-1¼); Souk Kongkousonh won the Class A pole vault (13-0); Josh Crisp set a meet record in the Class C long jump (20-8½); and Dave Stone set a Class C record with a 39-10 best in the triple jump.
