Tough at Shipley

Strong field leads to Leafs' low finish

In the first outdoor track meet, the boys track team faced some tough competition at the Shipley Invitational on Saturday, March 30 at Browning Field in Moline.

Geneseo finished near the bottom of the 16 teams competing for medals taking twelfth place with 44-1/2 points. Rock Island ran away with first, tallying 197 team points.

"Our kids performed very well for their first outdoor meet," Coach Mel Snook noted. "This was such a strong field and many of our younger kids have to keep that in perspective."

Bob Bowling heaved the discus 143'10" for first place in the Class A division, 10 feet more than the second-place finisher. Bowling nearly took third in the Class A shot put with a 44'1" throw.

"Bob Bowling's win in the 'A' discus was definitely the highlight of the meet for us," said Coach Snook.

In Class C shot put, Shawn Walsh's toss of 40' 7-1/2" gave him the second place finish.

Andy Esche ran the Class B 110

meter high hurdles in 17.85 seconds for fourth place and triple jumped 37'2" for fifth in the Class A division.

The Maple Leafs recorded two fifth place finishes in the 100 meter dash. Justin Buechler clocked in at 11.95 in B class and Del Lamont finished in 12.02 seconds in Class C.

Sophomore Nick DePauw finished fourth in the Class C intermediate hurdles. Times were not recorded.

"Along with the boys who placed we had several who missed the top six by a second," explained Coach Snook. "Hopefully, next week at the U.T. invitational we'll have several more who bring home medals."

The Leafs high jumped for two ribbons on Heath Verstraete's 5'6" try winning Class B and David Whisker taking Class C on a 5'2" jump.

Whisker took the sixth place ribbon in Class C 800 meter run at 2:14.65. Mark Kiplinger finished six with a 4:56.7 time in the Class C 1600 meter run.

Chad Frank and Matt Fuelling grabbed Geneseo's final ribbons. Frank ran a 20.27 in Class C high hurdles and Fuelling dashed 25.54 seconds in Class C 200 meter sprint for sixths.
