Studer finishes 24th at state in 3200 meter run

Chris Studer, a sophomore, was the lone hopeful for the Geneseo varsity boys track team at the IHSA state track championships this past week-end.

Studer had already captured the NCIC 3200 meter run title this season with a time of 9:59.9. Boys track coach Mel Snook said that Studer was moved up to the varsity team before the NCIC meet because he felt he had a good chance to win the conference championship. That's exactly what Studer did.

He also won the Rock Island Sectional 3200 meter championship

with a time of 9:48.7, which is how he earned his spot at state.

The competition got under way on Thursday, May 29, but the 3200 meter run was not scheduled to be run until the final day, Saturday, May 31.

There were no preliminary rounds or heats in the 3200 meter run, just 43 scheduled runners and eight laps around the track at Eastern Illinois University's O'Brien Stadium in Charleston.

Studer finished in 24th place and his best time of the season, 9:48.16. Eli Moliz of Moline, who took second behind Studer at the sectionals, placed 22nd while Mark Pilja of Naperville North took the title with a time of 9:00.03.

Lake Park was crowned the overall champion with a total of 56 points.
