Geneseo takes third in own invitational

Unlike last year's event, the annual Geneseo frosh-soph track invitational wasn't a record-setting year. Like last year, Sterling won the meet. J. D. Darnall High School's frosh/soph track team hosted the annual invite on Monday, April 27.

In the team standings, Sterling scored 171 points for the win. Moline took second, 163; Geneseo, third, 124; Rock Island, fourth, 120 points and United Township, 99. Additional results were Bettendorf, 97 points; Dixon, 75; Galesburg, 63 and Alleman and East Peoria, tie, 35 points.

Eighteen events were offered at the meet. Geneseo athletes took first in just two events, the 400-meter run and the 1600-meter run.

Grant Venema claimed the 400 for the Leafrosh, finishing with a time of 51.78. His closest competition was a Moline runner who took second in 54.86.

In the 1600, Tim Nelson took the title for Geneseo with a time of 4:50.58. Again it was a Moline runner in second; clocked at 4:51.49.

Leafrosh took second in three running events and one field event during the invite. Dave Bopp earned second in the 800-meter run with a time of 2:11.68; 2:06.58 won the event.

Another second came from Andy Beuster when he covered the 3200-meter run in 10:29.39. A time of

Members of the 1600-meter relay team was the other running event to finish in the silver-medal position. Dave Bopp, Pat Schwigen, Joe Curnyn and Grant Venema combined for a time of 3:48.73 for second while Moline won in 3:45.96.

In the field events, Kyle Reade took second with a triple jump effort of 37'5", just two inches shy of the first-place slot.

The 3200-meter relay team of Jon Lake, Brandon Sandoval, Chris Castelein and Grant Venema took fourth in the meet with a time of 9:30.01; 8:54.10 won.

Five fifth-place finishes were also earned by Leafrosh athletes. Reade took fifth in a three way tie with a high jump effort of 5'0". Josh Watson earned fifth in the long jump, reaching 17'7" in his effort. In the pole vaulting event, Dusty Rutherford took fifth with a 7'6" effort.
