Rocks third at own track invite

The scene was familiar, but the results were different at the 15th annual Rock Island Boys Invitational track meet at Public Schools Stadium Friday night.

On another warm and sunny day for the event, Rock Island was dethroned of the team title in the A-B-C meet by a talented Lockport team. The champs finished with 263 points, followed by Naperville Central (215) and R.I. (192.5). Other notable metro team finishes included sixth-place Moline (104) which was followed by United Township (93.5).

For Rocky coach Ed Lillis, there were mixed feelings on the outcome. "We performed up to what we were seeded and you can't be satisfied with that alone. There is always a chance to see moves of improvement and we have to keep working hard."

One of those Rocks working hard was Danny Tutskey, who won the Class A 100 and placed in the top three in all four of his events.

"I felt really relaxed and everything was working good with the form," said Tutskey, a sophomore.

As has been the case during the outdoor season, the Maroons continued to battle rival UT for total points.

One of the greatest head-to-head contests between the two schools came in the discus, where Nick Ruud of Mo-

line outdistanced the Panthers' Jason Connell on the last throw — 151-7 compared to 151-2 — to garner second.

"It's a grudge match," said Ruud of the personal, yet friendly competition against Connell. "It felt really good to be able to come back and win on the final throw."

UT coach Mike Patterson was extremely happy with many personal-best times his kids turned in, including Terence Clark's third-place time of 50.90 in the 400.

the form.'**

R.I.'s Danny Tutskey,
Class A 100 winner

"We've set many PR's (personal records) and the kids are performing well at this stage of the season, which you like to see," noted Patterson.

Clark, while happy with the time, wasn't satisfied. "No excuses — just wish I could've snatched up second, but there was some real good competition out there. But I just need to continue to work hard at practice this week."

Another PR was turned in by Tim McDonald of Moline, who tied his best time in the 300 intermediate hurdles with a 40.0 clocking.

"I felt pretty good overall, but I had a couple of mental errors," said the Maroon on the runner-up finish. "I messed up on the first curve and had to switch legs and I lost it out of that turn."

In the pole vault, Rocky senior Tyler Carroll leaped to a first-place jump in the B event with 13-6, which is the qualifying mark for state.

"I just hope I can stay consistent. I hadn't hit it (13-6) the last two meets," said Carroll, who usually competes at the A event. "It was disappointing, being my senior year, that I hadn't been jumping better as of late. But sometimes you have to take a step down to take one forward."

On the track, Ben Schumaker of Moline and Sean Mendoza of R.I. turned in strong outings in the 800 and 1600, respectively. The Maroon sophomore ran a 1:59.9, which was the first time under the two-minute mark.

"I got him there at the end," said Schumaker on passing Dustin Green of Rocky down the stretch. "The last lap, I felt good and worked on my speed throughout the race."

For Mendoza, a time of 4:35.4 was a PR and a sign of good things to come.

"I ran a smart race and kicked it in on the final lap to finish hard. I just need to keep practicing and would like to eventually get to the 4:30 mark."
