The Rock Island Rocks may have gotten out of the blocks slowly, but they were flying at the finish of the 16th annual Rock Island Invitational on Friday at Almqvist Field.

The host Rocks won just a single A event in the A-B-C format, but did claim a pair of relays and posted five victories on the B and C levels on their way to piling up 215.5 points.

Thornwood was a distant second with 183 with Naperville Central third at 166. Geneseo was fourth 126. Moline (sixth, 116), Galesburg (10th, 83), United Township (11th, 80) and Alleman (14th, 10) were also part of the 16-team field.

The Rocks finished things in impressive fashion, 1600-meter relay anchor Dustin Green running down Moline's Ben Shumaker in the final 10 meters to secure a meet closing win.

"You always want to defend your home track," Green said. "I was just trying to run hard, stay focused."

"I didn't even know I had beaten him until after it was over."

The RI team of Ryan Barton, Antwon Davis, Allen and Green finished the 1600 relay in 3 minutes, 29.78 seconds, a season-best by almost six seconds.

"People have been saying all season we've got good half milers, but we can't run the quarter," Allen said. "But tonight, we came and showed that we can."

"Dustin is one of the best quarter milers in the conference, in the sectional, and I would not want anyone else running that leg for us except

for him."

An excited Allen said Friday's meet was just what the Rocks needed to get them ready for the stretch run of their season.

"We're just starting to see so much progress now," he said. "We've got half milers going 2:00, we've got quarter milers going 52, 51."

"We're not ready to peak yet, though. We want to wait a few weeks before we peak."

After struggling through the early races, the Rocks seemed to hit their stride with a win in the 400 relay, the team of Ellery Stewart, Davis, John Austin and Ranel Muskeyvalley clocking in at 43.16.

"We were looking kind of leg heavy up until about the 400 relay," Rocks coach John Lillis said. "We just ran a great time and everything after that just seemed to snowball."

"I really thought our kids did a good job running through that early staleness. These kids are really starting to get there."

Junior Erickk Bea picked up the Rocks only A division win of the meet, edging Moline standout Tim McDonald in the finals of the 110 high hurdles (14.3).

The Rocks got B division firsts from Stewart in the 110 hurdles (14.80) and 300 intermediate hurdles (40.20). Green won the B division 800 (51.70).

In the field events, Bryan Tyson earned B division seconds in the high jump (6-0) and long jump (19-4½).

After taking second in the 110s, McDonald rebounded to snatch top honors in the 300 hurdles (39.19), meaning the senior is still chasing

that elusive sub-39 second time.

"Actually the race felt like a 38," McDonald said, "because I hit every hurdle right and didn't have any troubles with the curve."

"But they gave me a 39 flat, that still gives me something to shoot for."

Moline also got a win out of its 3200 relay, the team of Tom McDon-

ald, Reed Patterson, Tim Davies and Shumaker, winning in 8:10.78. Matt Commella took the B division 110 hurdles (15.30) and Jose Torres won the C division 300 hurdles (43.20).

"I was real happy with the performance of our hurdlers, we got 42 points out of them," Maroons coach

Jeff Quick said. "We also got some good races out of young distance people."

"Part of our problem is most of our jumpers are frosh-soph, although we did get some points out of them. But we got no points out of our shot and discus people."

UT's Justin Hoggard posted a trio of wins on the B level with victories

in the long jump (20-4.5), triple jump (40-1) and 100 (11.20).

Aaron Anderson earned Geneseo's only first-place finish taking top honors in the C high jump (5-8).

Galesburg's Alonzo Pugh was a winner in the A long jump (22-0½) and 200 (22.0). Pierre Woods took the A 400 (50.40) while Justin Brown won the C 400 (51.93).
