

# Thornwood has Rocky's number

## Chicago team beats Rock tracksters

Something had to give at the Rock Island Boys Track and Field Invitational Friday night.

With Rock Island and Chicago Thornwood matching each other race for race in the 16-team meet at Rock Island Public Schools Stadium, Thornwood edged the Rocks, 249-229.

United Township finished fifth with 155 points, Moline sixth with 102 points, Geneseo ninth with 50 points and Alleman was 15th with 25 points.

Thornwood also slid past the Rocks' last weekend at the Homewood-Flossmoor Invitational.

"Thornwood has strengths in all the same places we have strengths," said Rock Island coach Ed Lillis. "We knew this was going to be a battle."

Rocky's task was made that much more difficult by a number of key injuries to star runners. Sprinter Maurice Jones and middle distance runner Boomer Creger were both nursing leg injuries.

Jones was carted off the track following the 200 when his leg seized up. The junior finished fourth in the 200 — the first time this season he didn't finish first.

Jones suffered only his second loss in the 100 this season. Thornwood's Dion Ballentine edged Jones by .06 seconds, running 10.82. Ballentine also edged UT's Terry Westbrooks in the

400.

Creger saw a streak of his own end with his sixth-place finish in the 800. It was the first time this season that Creger failed to win the race. Creger was scratched from the 1600 because of knee pain, denying him an opportunity to meet Lockport's Zac Sartori, who he edged at last weekend's Homewood meet. Creger is still undefeated in the 1600.

"The trainer used a lot of words I didn't understand, something about tendons and muscles" said Creger.

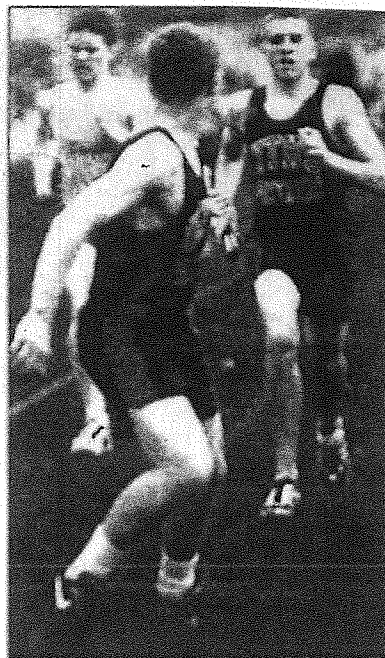

Despite the injuries to key people, there were still plenty of intriguing matchups.

Rocky and Thornwood were 1-2 in virtually every sprint event. Thornwood took first place in the 400 A and C, first place in the 200 C and first place in the 100 A and B. In three of those five races, a Rocky runner finished in second place. Lawrence Davis and Wayland Ryan took first in the 400 B and 200 B, respectively.

"It's pretty amazing that after 47 events it came down to such a narrow margin," said Lillis. "Both teams are very strong and it came down to just a couple events."

Falling ever so short is something that UT coach Mike Patterson can appreciate. UT has been chasing at the heels of Rocky all season.

"I think we've finished second

to them three times this season," said Patterson. "They're a very deep and talented team."

Still, Patterson was pleased with his team's performance.

"We had eight personal records tonight," said Patterson.

UT swept the A, B and C divisions of the triple jump, continuing their success in the field events. R.J. Severtsgaard won the A triple jump, the B high jump, and the C long jump.

Like Rock Island, Moline was suffering from the injury bug.

"We had a couple of injuries that killed us tonight," said Moline coach Jeff Quick. "Jay McAdams-Thornton was injured in the 100 and Aaron Cook couldn't compete in the triple jump. ... We just don't have the depth."
