

Sunstrom goes to state

Hurdler leads Maple Leafs at sectionals

Led by state qualifier Mike Sunstrom the Geneseo boys track team put forth its best effort of the season as several team members and relay teams posted season best performances. The Maple Leafs scored 23 points to finish eighth at the IHSA boys sectional track meet at Rock Island on Friday, May 18.

Sunstrom ran a personal best 39.90 in the 300 intermediate hurdles to finish second behind Matt Comella of Moline. His performance earned him a trip to the IHSA state track meet to be held in Charleston on Friday.

"Mike is seeded in the twenties going into the meet," said Geneseo Head Coach Mel Snook. "But this year no one has run a really dominant time in the 300 intermediate hurdles," Coach Snook related. "Everyone's times are bunched together within about a second and a half of each other."

Sunstrom caps career at state meet

After running in horrible conditions for a hurdler (rain, wind and cold) Mike Sunstrom failed to qualify for the finals in the 300 meter intermediate hurdles at the boys AA state meet in Charleston on Friday, May 25.

Sunstrom took fourth in his heat with a time of 40.24. Sunstrom finished 17th overall in the preliminaries. The top nine finishers from Friday's competition advanced to the finals on Saturday.

"Mike was a little tentative coming out of the blocks but he ran a great second half of the race," said Geneseo Head Coach Mel Snook.

Coach Snook also commented on the foul weather conditions the runners had to contend with at the meet. "It was cold, windy and rainy," Snook recalled. "The weather was as bad as any I've seen at the state finals and I've been going to the meets for 25 years," Snook declared.

"They take the top nine runners to the finals on Saturday and Mike finished the prelims tied for 17th place," said Snook. "I don't think Mike was happy with his performance on Friday," Snook stated. "When athletes reach that level they are not happy unless they go all the way." Coach Snook continued. "But once Mike thought of all of his accomplishments during his four year career I think he is pleased with that."

Rocks run away with title

If there was ever going to be corporate sponsorship of high school sectional track meets in Illinois, Nike had better step up.

"There's more pressure on this meet," said Moline's Matt Comella, who won both hurdle events and ran a strong opening leg on the state qualifying 4x400 relay. "You start in January and week after week you're just working for that trip to state. This is the only night in IHSA track that you can go to state — it's now or never."

In other words, just do it. The Quad-Cities big schools "Just did it" Friday at the Class AA Sectional at Rock Island's Public Schools Stadium. None were better than team champ Rock Island (149½ points) and runnerup United Township (104).

The Rocks, who ran off with their 10th sectional crown in the last 13 years, qualified nine kids in 11 events, led by four-event qualifiers Maurice

Jones and Waylond Ryan and double-winner Boomer Creger (800, 1:55.38 and 1600, 4:29.75). Thanks to Jones and Ryan, who also finished 1-2 in both the open 100 and 200, Rocky's 4x100 and 4x200 sprint relays will be in action next weekend at Eastern Illinois University's O'Brien Stadium.

"These guys, God almighty, they performed beyond what I was expecting," gushed Rock Island coach Ed Lillis.

Right at the head of that list was Jones, who bounced back from a hamstring injury that has slowed him throughout the season. By winning four events at the Western Big 6 meet, that he was back.

This week accentuated his presence and dispelled some personal concerns.

"Fighting the pain, sucking it up and telling myself not worry about it," he said were keys. "I just let my conscious be free and do what I got to do in order to get back to four events. This is my dream — I always wanted to run sectionals here and winning four feels pretty good."

United Township sends 12 to EIU in nine Friday preliminary events, including three jumpers and all four relay teams. Terry Westbrook was UT's workhorse, qualifying in four events — winning the open 400 (50.21) and leading off the winning 4x800 and 4x400 relays and the runnerup 4x200.

"I was worried because I really wanted to go (to state) and I was all nervous," said Westbrook, a soft-spoken senior. "I thought that was going to mess me up. ... I was more nervous this meet because it was sectionals and this was my last chance to make it to state."

While Rocky and UT dominated the team event, Moline (4th, 52½ points), Galesburg (6th, 37 points), and Geneseo (8th, 23 points) will all be represented Friday.

Comella won the 110 high hurdles (14.66) and 300 intermediate hurdles (39.70) and led off the second-place 4x400 relay that also included surprise entrants Andy Riggen and Brent Clawson ahead of Nate Medinger. Medinger will also run the 800, finishing second to Creger in that event.

"It's just a matter of getting there," said Comella, who ran despite a bothersome quadriceps

muscle. "I did what I thought I had to do to get it done and I did. I'm going. ... I don't have to worry about tonight anymore."

Despite great efforts across the board, Geneseo only had one state qualifier. Senior Mike Sunstrom (39.9) finished second to Comella in the 300 hurdles.

"We were on the bubble in a lot of events," said Mel Snook, a pleased Maple Leaf coach. "Everybody had (personal records) up and down the line and our relays ran their best times. ... We're young and just about everybody is coming back and I'm thinking about next year already."

"It's like we clicked today," said McCorkle. "We worked on our handoffs all week and they were awesome today. I think that's why we ran such a good time. As long as we ran our best, it's not the end of the world if we don't make it to finals."

"I thought if we beat Rock Island, we would have a chance to be in the finals," said Moline coach Crick Sant Amour.

For the first time this season, Moline did beat Rocky in the 4x100. But, it wasn't enough.

While the Maroons were frustrated by near misses, Rock Island was just plain frustrated.

Junior triple jumper Chanel Brown was the lone Rocky qualifier. Brown jumped 35-10, in an event that was stopped several times because of heavy rain. Freshman Ashley Heimbeck, who was seeded third in the triple jump, but was nursing leg injuries, failed to qualify after jumping 34-10.75, nearly
