## Boys give good performance at Moline invite

By NICK WYANT

Continuing to improve on a weekly basis the Geneseo boys track team scored 111.50 points to tie for fourth place at the Gene Shipley Invitational held at Browning Field in Moline on Saturday, March 31.

The Shipley is one of the larger meets the Maple Leafs compete in during the season. The Invite features an "A,B,C" classification in which each team enters a competitor in each class. The A class contains the top athletes from each school while the B and C classes feature the number two or three athletes on a team or, quite often, talented underclassmen who don't always get a chance to run at varsity meets.

Three Maple Leaf athletes competed in the triple jump. Kyle Reade took third place in the "A" group with a jump of 37'03.50" while Kyle Wickwire placed second in the B division by jumping 38'06.00". Josh Reschke finished third in the C group by jumping 37'01.50".

Bryan Blank competed in the A division of the shot put,

finishing sixth with a throw of 43'00.50" while Korey Klemmer took fourth place in the C group with a throw of 41'00".

Jeremy Heaton and Adam Orton represented Geneseo in the pole vault where Heaton finished second in the A division with a vault of 11'00" and Orton also finished second in the C division with a height of 8'18".

Of the Geneseo discus throwers Anthony Rokis had the best day in the discus ring, taking fifth place in the B division with a throw of 122'00". Korey Klemmer and Chris Springer also threw for the Leafs with Klemmer finishing seventh in the A division with a throw of 102'00" and Springer taking fifth place in the C grouping with a distance of 110'11.00".

Mike Sunstrom, Jeremy Heaton and Kyle Wickwire all competed in the 110 meter high hurdles. Sunstrom finished in sixth place in the A division with a time of 16.3 while Heaton took fifth in the B group with a time of 17.4 and Kyle Wickwire finished third in the C category with a time of 18.1.

Dylan Kenney was the lone Maple Leaf to compete in the long jump. He finished sixth in the C class with a jump of 17'00".

Geneseo had a strong showing in the 3,200 meter run where Josh Franks finished first in the B division with a time of 10:36.7 and David Manie took fifth in the A division with a time of 10:37.2.

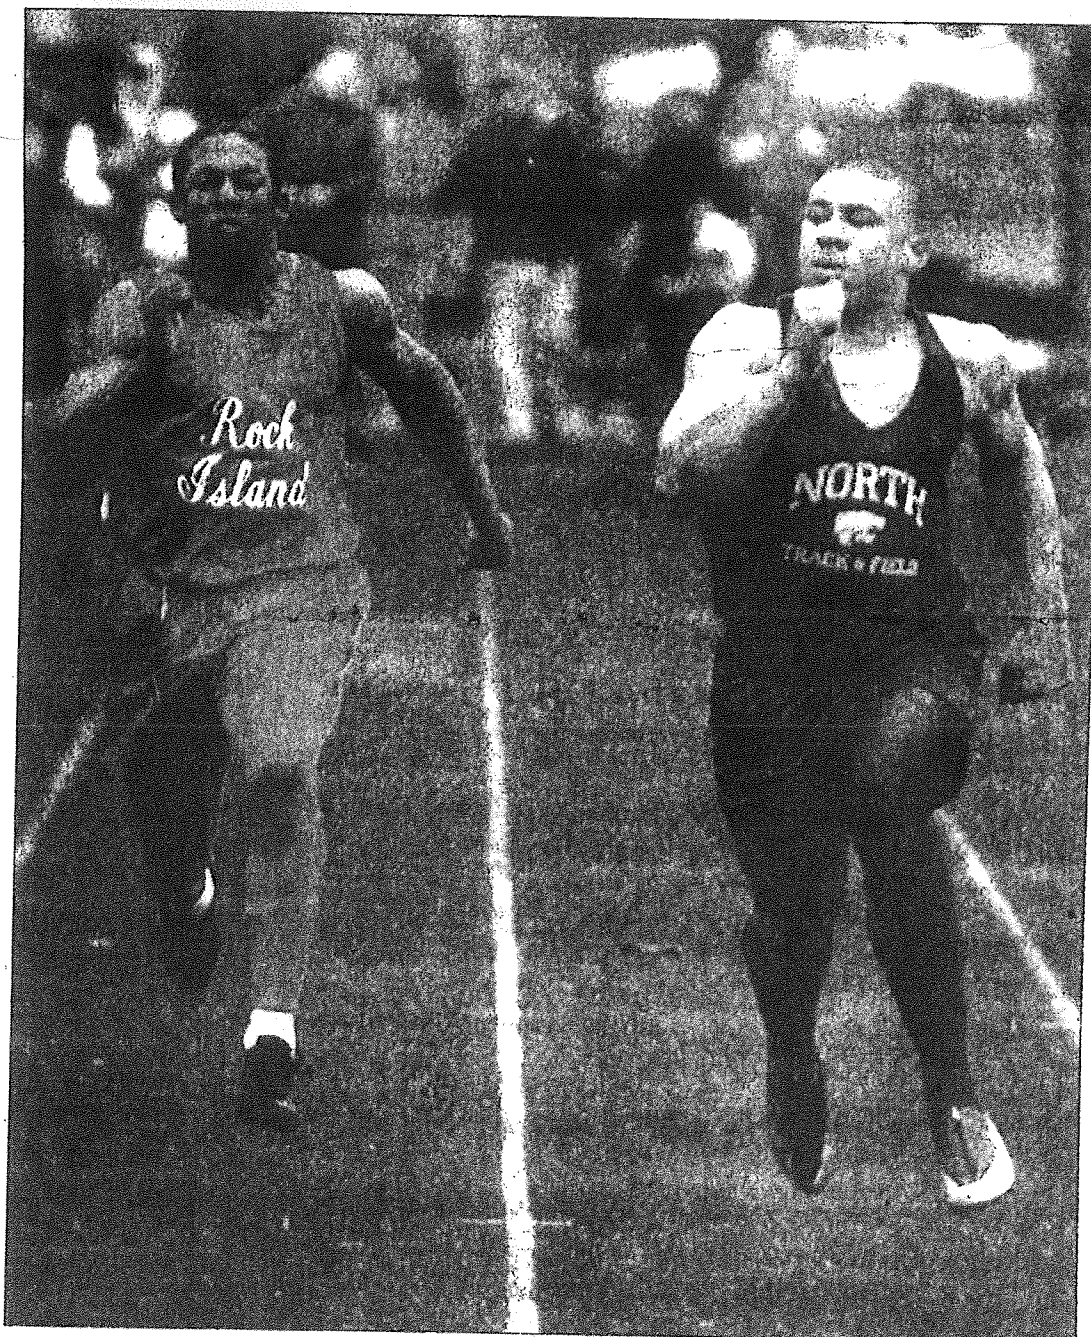

Dallas Drummond took second place in the C division of the 100 meter dash with a time of 11.6 while Aaron Kuban finished fifth in the B category with a time of 12.3.

Curt Russell had a good showing in the 400 meters where he won the C division with a time of 53.8. Mike Sunstrom took third place in the A category with a time of 54.0 and Wayne Garrick finished in fourth place in the B category with a time of 56.4.

Wickwire continued a productive day by taking second place in the A division of the high jump with a height of 5'10". Reschke also contributed in the event, taking fifth place in the C division with a jump of 5'6".

The 4x100 meter relay team of Thurman, Sunstrom, Kuban and Drummond finished in fourth place with a time of 46.4.

The Maple Leafs next competition is at the United Township invitational on Saturday, April 7 in East Moline.

Absolutely dreadful weather couldn't slow the Rock Island Rocks boys' track team Saturday afternoon at Browning Field.

Battling driving rain, a stiff wind and freezing temperatures, the Rocks won the Gene Shipley Invitational. It was Rocky's 11th consecutive Shipley victory under coach Ed Lillis.

Rocky beat out 13 other schools that included its metro Western Big 6 rivals, as well as Bettendorf, Assumption, Pleasant Valley and

Davenport Central, North and West.

Illinois schools took four of the top-five spots: United Township finished second, Moline third and Geneseo fourth. Bettendorf was fifth.

"It's a real challenge for the kids to come out and run in this weather," said Lillis. "They work so hard for two months training for the season, so it's a little disappointing when the weather doesn't cooperate."

The subpar running conditions didn't spoil the event's most compelling race — the 100-meter dash. Rock Island's Maurice Jones and Davenport North's Marques Simmons, two of

the fastest sprinters in their respective states, faced off in a highly anticipated matchup.

"There's been a lot of talk back and forth across the river as to who's faster," said Simmons, who won the Iowa state 100 as a sophomore, but couldn't compete last year because of injuries. Simmons will play football and run track at Nebraska next year. "I was definitely pumped up for the race. I like a little challenge."

The race lived up to its billing, Simmons clocked a personal best, and broke the Shipley meet record, running a scorching 10.37 seconds. Jones finished second with a 10.8.

Other than feeling that the weather hampered his best effort, Jones took the loss in stride.

"I just wish it could have been a little warmer," said Jones, who came back to win the 200 in 22.2 seconds, more than a second ahead of his nearest competitor. Jones also anchored the 4x100 team that took first place. "It was so cold I couldn't get my legs warmed up. But I feel good about the way I ran. I feel good

about being an underclassman and being able to run against a guy like Simmons."

Though Simmons turned in a brilliant individual performance, it was Rocky's depth that won out.

Shipley's format rewards such depth. The meet is run in the A-B-C format, with each team placing its best competitor in the A division, second best in the B and third in the C.

The Rocks were strong across the board, scoring points not only in the sprints, but in the distance and field events as well.

Rocky's Boomer Creger won the 800 and 1600 meters, leading

a sweep in the 1600 A-B-C divisions. The Rocks' Doug Boblett and Marcus King won the B and C divisions of the discus, respectively, each throwing for meet records.

United Township relied on strong field performances to capture second place.

R.J. Severtsgaard took first place in the C high jump and A triple jump. Severtsgaard set a meet C record in the high jump, jumping 6-foot-4. That would have been good enough to win the A and B divisions.

800 and 400. The top six in each event scored.

"We got a lot of point all over the place," Menk whose club only failed to in the B competitions of the put and 3200.

"That speaks to the direction of this team. All around sprinters had a good day. I was extremely pleased with the freshman."

Of the newcomers, Menk singled out Katrina Roper and Jessie Farrar for praise.

"Jessie ran the 3200 relay, 1600 relay and the open 800. She has to be commended for being on two winners and finishing 4th in the 800," the coach said. "That's strong for a freshman."

"And, Katrina was even though she got tired at the end. She's a freshman who never had to run that many races — prelims and finals, two relays."

Roper ran on the 800 relay winners, besides finishing second in the 100 and the 200.

Rocky also won frosh/soph 800 medley and got a pair of solo victories from Holly Etheridge (shot put, B long jump) and Heimbeck (B triple jump).

Also winning for the Maroons were Annabell Schubert (shot put), Carrie Carpenter (shot put), Lindsay Todd (shot put), Elaine Morrow (shot put) and Candice Jackson (B 100).

"I was proud of the girls for being physically and mentally tough through some reverse conditions," Menk said of a day dominated by cold, windy and rainy weather.

"The poor high jumpers could hardly watch them get like a swamp out there. Their backs were soaked with wind and the rain was pouring but the kids still went out and gave it their best."

"I was surprised I jumped that high because my back has been bothering me," said Severtsgaard, a state qualifier in the triple jump last year. "In a meet like this, you have to suck it up because there's so much good competition."

UT coach Mike Patterson said he was pleased with his team's effort, considering it was just their second meet of the season.

"Our field events were real strong again," said Patterson. "I think when you get off to a good start in the field events, you carry that momentum through to the running events. I was happy with our finish on such a cold and windy day."

Moline, the runner-up in last year's event, was also satisfied with its third-place finish. The Maroons were battling sickness and injuries.

Matt Comella carried a significant amount of the Maroons' scoring load. Comella won the 110 hurdles, 300 hurdles, finished third in the long jump and ran on the 4x400 team that finished second.

"With the way the weather was today and the fact that teams were missing some runners, you really don't know how the season is going to shake out," said Comella. "But this meet is good for getting back into the swing of things after the indoor season."
