2001

# *Racing ahead with the determination and desire to win...*

Boys' track season has come to a successful end. At NCIC, the team put forth their best efforts and placed third. Sectionals came and the team finished eighth over all. At Sectionals, Mike Sunstrom advanced to State for the 300 intermediate hurdles. Unfortunately, Sunstrom was unable to advance to finals at State. The team finished the season as enthusiastically as they began it.
