

Wickwire jumps lead Leaf boys

By SHANNON HEATON

Points were tough to come by for the Geneseo boys track and field team Friday night.

Competing in the loaded Rock Island Invitational, the Maple Leafs finished in a tie for eighth in the 15-team field, scoring 77 points as a group.

Geneseo was fourth among local teams in the invitational, won by the host Rocks with 237 points. South Holland Thornwood, a south suburban school, was second and United Township was third. Moline was seventh.

Leading the way for the Leafs was the jumping performance of senior Kyle Wickwire.

Wickwire cleared 6 feet, 2 inches in the high jump for the second time this season, good enough for third place in the A flight high jump, and also took third in the A triple jump with a leap of 41 feet, 9 inches.

If that wasn't enough, Wickwire also ran the third leg on the Leafs' sixth-place 1,600-meter relay. The team, which also consisted of Dylan Kenney, Justin Trujillo and Curt Russell, finished in a Geneseo-best time of 3 minutes, 37.97 seconds, second-best among local teams.

The Leafs got solid performances pretty much throughout the A flight field events.

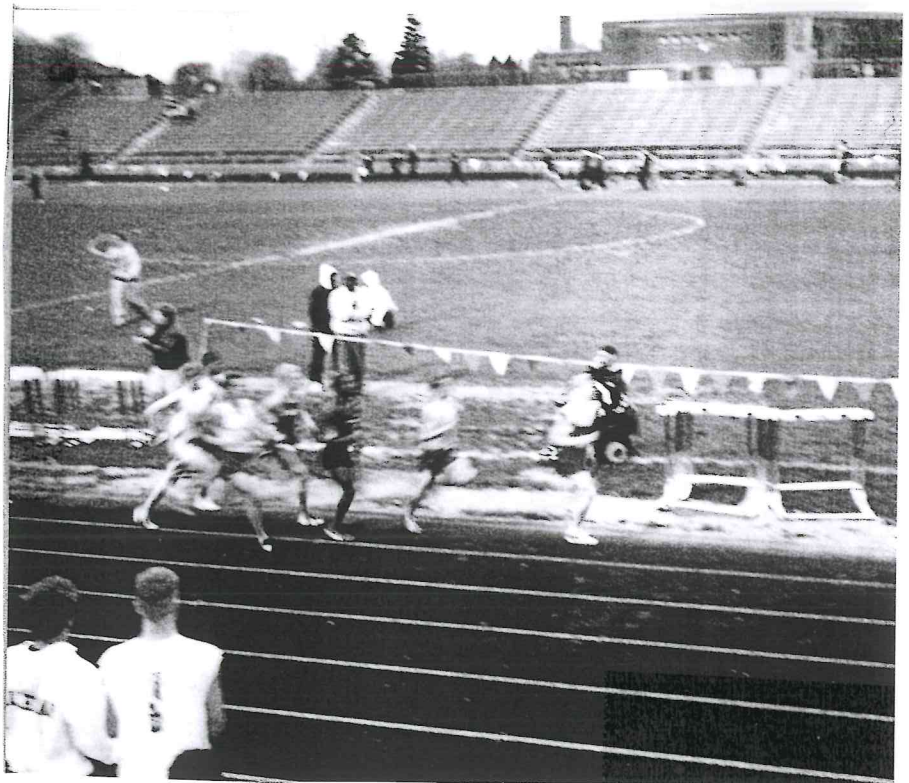

In addition to the places Wickwire earned, Geneseo also got a fifth in the A flight long jump from Kenney, as well as fifths from Jeremy Heaton in the A pole vault and Brian Blank in the A shot put.

Relays were also a strength for Geneseo. In addition to the 1,600 relay, Geneseo got a second from its frosh-soph sprint medley relay (Augie Anderson, Luke Thompson, Kenney and Russell) and a sixth in the 800 relay (Andy Thurman, Jake Swanson, Aaron Kuban, Luke Steinkopf).

Trujillo added a fourth in the A flight 800-meter run.

Geneseo picked up a few place finishes in the B flight events, with Kory Klemmer earning the highest place, a fourth, in the shot put. Josh Reschke added a sixth in the triple jump, while Anthony Rokis was sixth in the discus.

In the C flight, Chris Springer brought home a first-place finish in the discus, while Andy Thurman (100-meter dash) and Shane VerStraete (shot put) earned fourths.

'MoJo' running, Rocks win again

If there were any questions about Rock Island's Maurice Jones' race sharpness, those queries were answered resoundingly at the Rock Island Invitational Friday night.

Running in just his second meet of the season, after sitting out the first part of the season because of a missed study table, Jones appeared to be in top form last night. The senior sprinter easily cruised to victories in the 100 (11.02) and 200 (22.17), as well as anchoring Rocky's first-place 4x100 and 4x200 relay teams.

Jones accounted for 44 of Rock Island's team-high 237 points. Rocky handily fended off Thornwood, which finished second with 217 points in the A-B-C format meet. United Township was third with 182 points. Moline (94) finished seventh, Geneseo (77) eighth and Alleman (33) 12th in the 15-team field.

It was a night of stellar performances from a number of competitors, including Jones.

It's not as if the Rocks were in desperate need of more team points. Rocky has finished first in all of its local track meets this season. Rock Island finished second to Thornwood at the Homewood-Flossmoor Invitational last weekend, which was Jones' first race of the season.

"It feels good to finally run a race at home," said Jones. "I don't have too many of these left. It's time to get things going."

Jones clearly has his focus set on next month's state meet. He's finished second in the 200 the last two years. It's his last opportunity to establish himself as the state's premiere 200 runner.

According to Jones, missing the early part of the season may help him in the long run. It was this same exact time last year that Jones injured his hamstring, forcing him to cut back on his training.

"I started feeling that same tightness in my hamstring again this year," said Jones. "I think the time off has helped me. My hamstring feels better and I'm running about as well as I did at the end of last season. I can push it all the way now."

Backing Jones was a typically strong Rocky performance on the track and in field events. Marcus King set a personal best in the shot put (52-feet, 10-inches) and discus (156-5), winning both events. Waylond Ryan won the 100 B and 200 B and also was part of the winning 4x100

and 4x200 teams. Steve Burnett took second in the pole vault, first in the 100 C and third in the 200 C.

While Jones had been missing in action on the track this season, UT's Brian Taghon had been biding his time. Taghon, who admittedly came into the track season below peak condition, has been quickly rounding into form the last three weeks.

He had a major breakthrough at the Rocky Invite, running a blazing 4:26.1 mile; a personal best by seven seconds, eclipsing his 4:33 run last weekend at the Freeport Invitational. He beat Moline's Kyle Medinger in the process.

"The goal is always to start running your best by the end of the season," said Taghon. "I got beat early in the season — at the Shipley and Kiwanis — pretty convincingly by some of these guys. I thought it was about time to even things out."

Taghon bested an absolutely loaded 1600 field. Nine of the 15 competitors had run 4:40 or better, including Medinger and Alleman's Nick Hird.

Medinger also set a PR, running 4:28, and Hird ran 4:30. But they simply couldn't match Taghon's stunning finish. Taghon's final kick was all the more startling considering he had raced and won the 3200 (9:43) earlier in the evening.

"I expected to break 4:30, but I didn't expect to be that far below it," said Taghon. "I think it showed everyone I'm back."

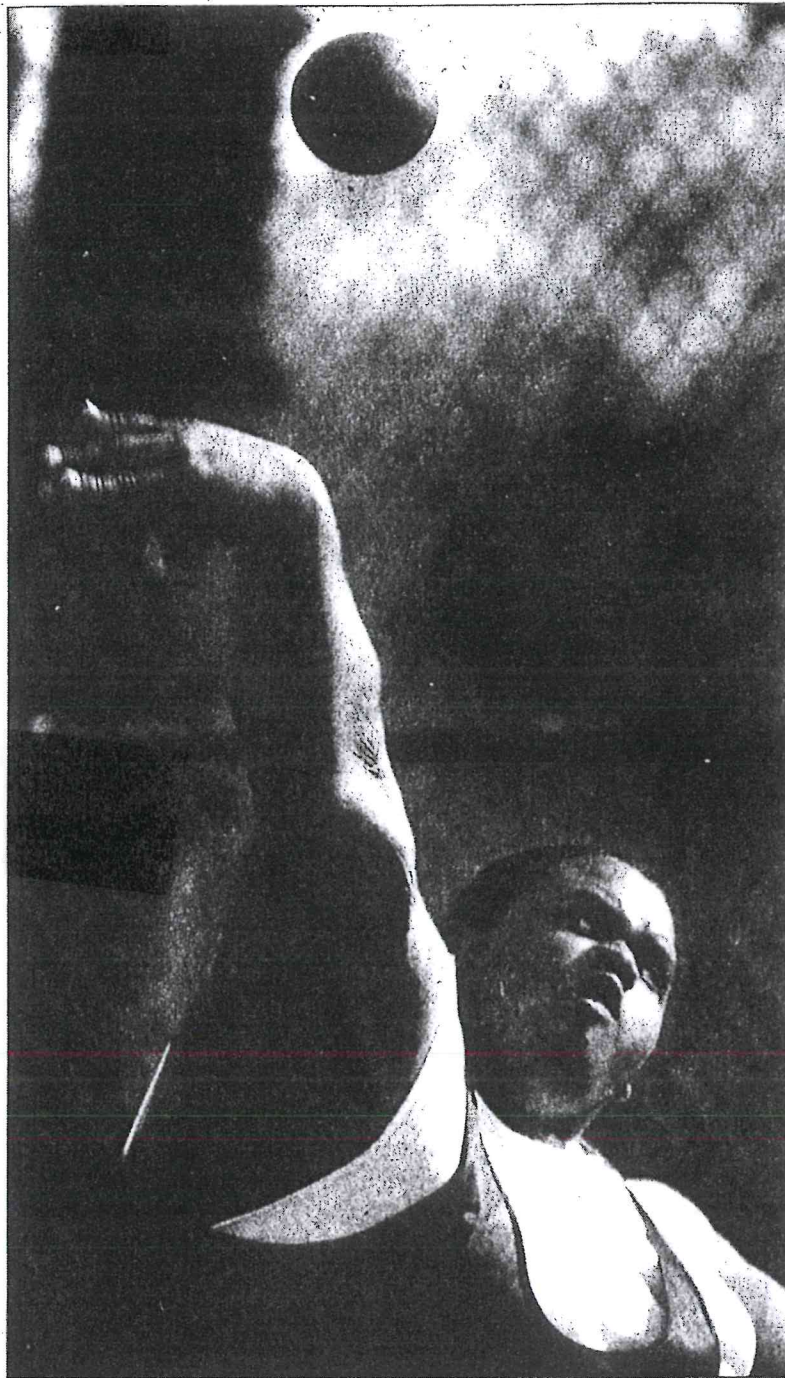

Taghon's continued improvement was matched by teammates James Hood and Rodney Blue. Hood seems to get stronger each week, despite some tightness in his legs. Hood won the long jump and triple jump. He jumped 22-9.5 in the long jump, one inch short of the UT school record and seven inches better than his previous best.

"My legs have been bothering me a bit, but once I started jumping I felt great," said Hood. "If I keep improving, hopefully I can bring home a medal from state."

Blue matched his PR in the high jump, leaping 6-8. Blue also jumped 6-8 at Freeport last weekend. He came within a sliver of matching the UT school record at 6-10 when his heel clipped the bar.

"I was so close," said Blue. "I just barely touched it with the back of my foot. That high jump record has been my goal the last four years. I'm almost there."

Moline's young middle distance and distance runners also seem to get stronger with each meet. Medinger is still undefeat-

ed in the 800, winning handily in 1:58.

Medinger anchors the Maroons' powerhouse 4x800 team of, Drew Patterson, Mike Verre and Erik Steffens. They ran 8:08 on Friday, which ranks as the third fastest time in the state this season.

Ted Nocella knocked another 10 seconds off his PR time in the 3200, running 10:07, while finishing fifth in the 3200.

Alleman's 4x800 team of Kile Krol, Mike Rettig, Cory Cameron and Hird took fourth in the 4x800, running 8:16.
