

Balance carries day for Geneseo

By SHANNON HEATON
Republic Sports Editor

There weren't any individual victories that stood out.

Just a lot of place finishes, everywhere.

That depth propelled the Geneseo boys track team to a solid sixth-place finish in the 36th annual Gene Shipley Invitational Saturday at Browning Field in Moline.

The Leafs finished with 115 team points overall, well back of winner Rock Island, which finished with 243, and runnerup United Township, which finished with 199.

But Geneseo was only 26 points behind third-place Moline, 10 back of fourth-place Galesburg and finished well ahead of Class A power Alleman, as well as all three

Davenport schools at the meet and NCIC rival Ottawa, which wound up 12th.

"I'm very pleased with the outcome," Leafs boys track head coach Mel Snook said. "We didn't have our No. 1 distance guy here (sophomore Justin Trujillo, who had a family emergency and could not attend), and one of our better sprinters was on vacation, and those were losses, but we still scored well."

Senior Kyle Wickwire probably had Geneseo's best individual effort of the day. Wickwire took second in the A flight high jump with a 6-foot effort, and also was second in the B flight triple jump, leaping 40 feet, 8 1/4 inches. Wickwire also finished fourth

in the B flight 110-meter high hurdles.

The Leafs also got a couple of place finishes in the 4x100 and 4x200 relays, taking fourth and fifth in those events, respectively.

But Geneseo had several good performances throughout the day in many different events.

"We scored well in the jumps, we got a PR from Anthony Rokis in the discus and Luke Steinkopf placed in the A flight 200, which was big," Snook said. "We scored well in the jumps. I think they all performed well for the first outdoor experience of the season. I think things are definitely looking up."

Other A flight placewinners for Geneseo included: Josh Reschke (6th in triple jump), Rokis (5th in discus), Jeremy

Heaton (4th in pole vault, 6th in 300 hurdles), Brian Blank (4th in shot put), Steinkopf (6th in 200) and Curt Russell (4th in 400).

Other B flight placewinners were Josh Reschke (5th in long jump, 4th in high jump), Aaron Kuban (4th in pole vault), Shane VerStraete (6th in shot put), Russell (6th in 100), Andy Thurman (4th in 400) and Luke Thompson (5th in 300 hurdles).

C flight placewinners for Geneseo were Dylan Kenney (2nd in triple jump), Luke Reschke (5th in long jump and 5th in high jump), Scott Mapes (5th in discus), Adam Orton (2nd in pole vault), Thompson (2nd in 110 hurdles) and Andre Jackson (4th in 300 hurdles).

Rocky sprints to boys' Shipley title

Todd Mizener / staff

Rock Island's Andy Parer, right, pulls away from United Township's Dan Hanson on the finishing stretch in the 300 A hurdles Saturday. Parer won with a time of 41.58.

Staff sports writer

Rock Island sprinter Waylond Ryan took a most circuitous route to winning the 100 A flight sprint in the 36th annual Gene Shipley Invitational. Just one month removed from hyperextending his knee in practice, and slightly tearing his ACL, the speedy sophomore made a remarkably speedy recovery to participate in the first outdoor track meet of the season.

After working hard to rehabilitate his knee, Ryan found himself in the top flight of the 100 by default. Rocky's A spot is normally reserved for Maurice Jones, the two-time state Class AA 200 runner-up. However, Jones was ineligible for the meet after missing a study table.

Ryan stepped in for Jones and showed no ill effects of a sore knee, while sprinting to the 100 win in 11.17 seconds.

"That says something about a track program when they can substitute for their best sprinter and not miss a beat," said Alleman coach Kenny Lee.

Ryan was just one cog in the Rocky sprint machine, which took home the Shipley (A-B-C format) title by claiming victories in the 100 A-B-C, 200 A-B and the 400 A-B-C. The only sprint event which the Rocks did not win, the 200 C flight, they finished second. Rocky scored a team-high 243 points, outscoring 13 other teams, most noticeably second-place United Township (199) and third-place Moline (141).

Rock Island's win was all the more impressive given that it opted not to run a 4x100 or 4x200 relay team, two events that are normally a lock for the Rocks.

"We were without Maurice and we didn't want to test Waylond's knee too much," said Rock Island coach Ed Lillis.

The Rocks made up for it in other areas. Aside from taking first in the 200 A and 100 B, Burnett captured first in the A pole vault. Michael Kinney took first in the C pole vault, Marcus King won the A shot put and Eddie Williams took first in the B discus.

UT can be excused for feeling like the Washington Generals to Rocky's Harlem Globe Trotteresque grip on the local track scene. The Panthers finished second to Rocky in the Shipley

last year, as well as the WB6 conference meet and the sectional meet a season ago.

"It's a little frustrating to not get a win in one of these big meets when we're so close," said UT coach Mike Patterson. "We've been watching Rocky's back for a couple of years."

UT has been competitive with Rocky the past several seasons through the strength of its field events. UT swept the Shipley high jump A-B-C and the triple jump B-C flights.

"We're pretty powerful in the jumps and we have our days in the sprints and distance," said UT's Rodney Blue, who won the high jump and took second in the triple jump. "We feel if we can put it all together we can challenge Rocky."

Rock Island, however, has been thoroughly consistent, winning the Shipley every year of Lillis' 12 seasons as head coach.

"Our motto is to only focus on what you can do and not worry about anything else," said Rock Island's Dillon Smith, who took first in the 400 (51.98) and 4x400. "You go out and run your race and hopefully everything will fall into place. Just focus on your own race."

Moline's Kyle Medinger was able to keep his focus, despite an inauspicious start to the day. Medinger was disqualified in the 800 after cutting to the inside lane too early on a staggered start. Medinger was informed of his DQ after crossing the finish line nearly five seconds ahead of the nearest competitor.

The junior came back to win the 1600 in a thrilling duel against Alleman's Nick Hird. Medinger clocked a superb 4:33.68 to Hird's 4:34.88.

"I was pretty upset after the 800," said Medinger. "I can't blame anybody but myself. It

"I was pretty upset after the 800," said Medinger. "I can't blame anybody but myself. It was my mistake, but I used it as fuel for the 1600."

Hird's inability to answer Medinger's final kick could have been a result of fatigue. The Pioneer senior took first in the 3200, running 9:46.76 and also ran the anchor leg of Alleman's second-place 4x800 relay team.

"If I want to win a state title, I'm really going to have to pour it on," said Hird. "Big events like this are good for getting your recovery time down. These are the type of events that get you ready for state."
