

Surprise: Boys take third

By SHANNON HEATON
Republic Sports Editor

Virtually everyone in attendance at Saturday's

Kiwanis Relays boys track and field meet at Rock Island High School expected the host Rocks and United Township,

the sponsor high school for the meet, to finish first and second.

Third place? Not such a clear-cut choice.

And, as it turned out, five teams battled to finish third--with just 25 points separating third place from seventh in the meet.

When the smoke cleared, it was Geneseo that outperformed Moline, Sterling, Galesburg and Freeport, finishing with 172 points as a team, 60 back of runnerup UT but seven ahead of Moline and nine ahead of Sterling.

"We've been very, very pleased so far with the efforts," Leafs head coach Mel Snook said of his team. "We may need some help in the high hurdles later on in the season, but the rest of our events are looking pretty good. We may be able to give Dixon something to think about."

The A-B-C format of the meet favored teams with some depth as well as some quality, and the Leafs showed a good amount of both on Saturday.

Geneseo won only one event in the A flight, that being the frosh-soph 800-meter sprint medley relay. The team of Luke Thompson, Luke Reschke, Dylan Kenney and Curt Russell finished the race in 1 minute, 41.20 seconds, half a second ahead of Sterling.

But the Leafs were able to place in most of the A flight events, led by the second-place finishes of the 800-meter relay

team of Kenney, Jake Swanson, Andy Thurman and Luke Steinkopf, and an individual second from Justin Trujillo in the 800-meter run.

"The sprint relays did a great job today," Snook said of the 800 team and the 400-meter relay team, which finished fourth. "We have a little more work to do on our handoffs and then I think we're going to be all right."

Other placewinners in the A flight were Kenney (3rd in long jump), Kyle Wickwire (4th in high jump), Josh Reschke (4th in triple jump), Brian Blank (4th in shot put), Russell (5th in 400), Trujillo (5th in 1,600) and Kyle Fluck (5th in 3,200).

The Leafs secured a number of place finishes in the B flight events, though they did not pick up an individual victory.

Wickwire ran an impressive 400-meter dash in the B flight, taking second with a time of 55.64 seconds. The winner in the flight wound up running the fastest 400 of the day, in any flight.

Wickwire followed that up with a second in the triple jump, leaping 40 feet, 3 1/2 inches for the finish, nearly three and a half feet ahead of the third-place jumper.

Weight throwers Shane VerStraete (shot put) and Kory Klemmer (discus) also took seconds in the B flight.

Other placers in the B flight were: Matt Arkell (5th in 800),

■ Continued from Front Page

Josh Reschke (5th in long jump and 6th in high jump), Christian Rowlands (6th in 3,200) and Thompson (6th in both 110 and 300 hurdles).

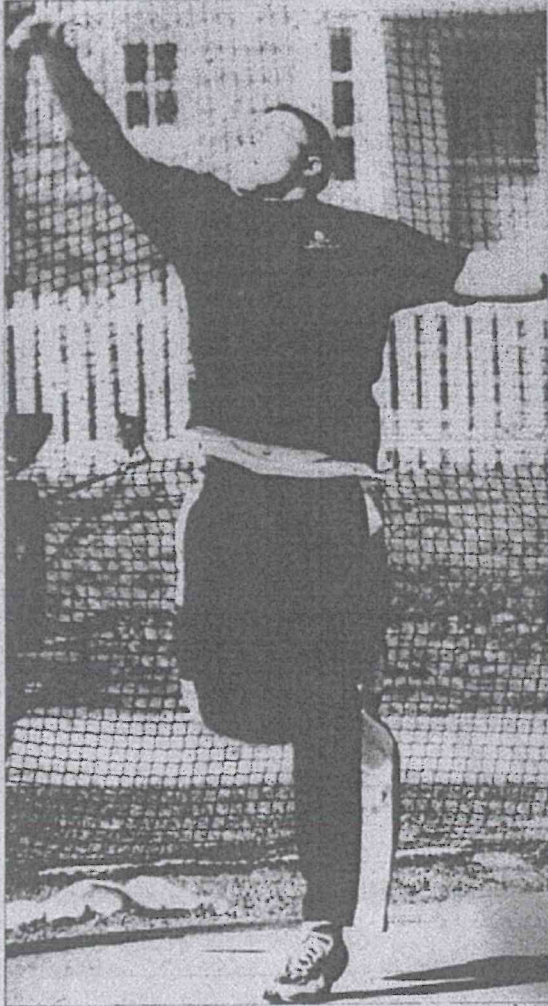

Klemmer and Chris Springer picked up the Leafs' only individual flight victories of the day, taking firsts in the C flight weight events.

Klemmer won the C shot put with a throw of 44 feet, 6 inches, his best of the season thus far, while Springer had a season-best 128-6 throw in the discus, 11 1/2 feet ahead of the flight's runnerup thrower.

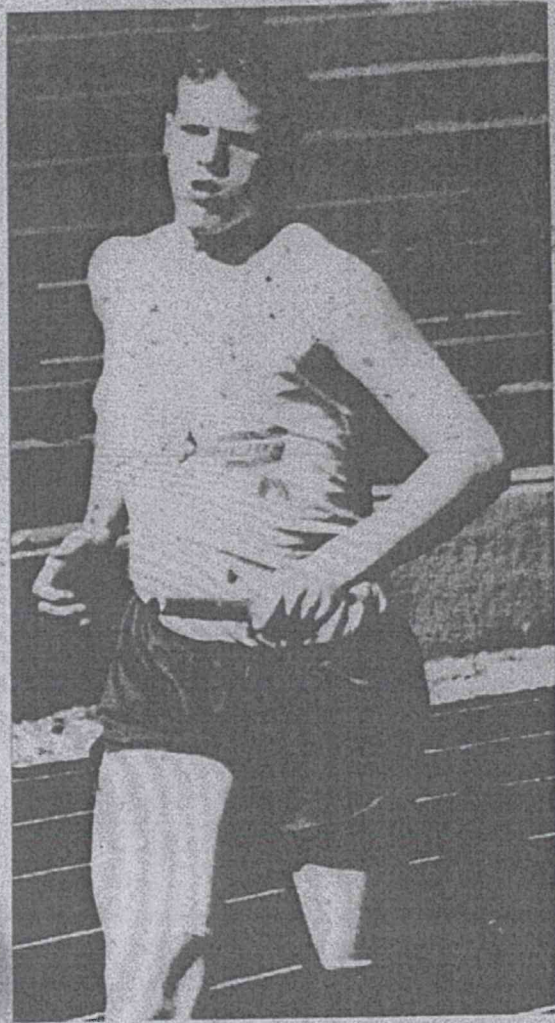

Other C flight placewinners were: Kenney (2nd in triple jump), Garrick Wayne (2nd in 400), Adam Orton (2nd in pole vault), Thurman (3rd in 100), Luke Reschke (4th in high jump, 5th in 200 and 6th in long jump), Andre Jackson (5th in 300 hurdles) and Bill Barton (6th in 800).

"To score points like we have, especially in the sprints and in the 800, was great today," Snook said.

Geneseo traveled to Galesburg for a meet on Thursday. Results of that meet were not available at press time.

RI nails 9th straight Kiwanis Invitational

United Township
not far behind
to place second

Dan Videtich / staff

Alleman High School's Nick Hird keeps the lead in front of United Township High School's Brian Taghon on his way to a first place finish in the 3200 during the Kiwanis Relays meet at the Rock Island High School Stadium Saturday afternoon.

By Bill Barton
Staff sports writer

Just two meets into the outdoor track and field season and two things became quite clear at Saturday's Kiwanis Invitational, hosted by Rock Island:

First, Moline junior Kyle Medinger has already shaken the tag of "secret weapon" given to him by Moline coach Jeff Quick, who predicted his first-year runner would "surprise" people this season. If Medinger was considered a dark horse at the beginning of the season, it's unlikely he'll be overlooked any longer.

Secondly, the strength of Rock Island's team is not a surprise. Rock Island claimed yet another team title, scoring 238.5 points and claiming its ninth consecutive Kiwanis Invitational title.

United Township once again pushed the Rocks, finishing just behind Rock Island with 232 team points in the A-B-C format meet. Geneseo scored 172 points, good for third place. Medinger accounted for 38 of the fourth-place Maroons' 165 points.

Medinger convincingly won the 800 (2:00) and 1600 (4:36), out-dueling UT's Brian Taghon and Alleman's Nick Hird, two of the area's premiere distance runners. Medinger also ran the opening leg of Moline's 4x800 relay and anchored the 4x400 relay, which each finished third.

"Kyle started to come on at the end of cross country season, so we thought he would be a strong runner," said Alleman's Kile Krol, who finished fifth in the 800 A and third in the 1600 B. "I know don't if we're surprised by him. The only surprise may be how fast his times are."

"I'm not sure I thought I would run this well myself," said Medinger. "I'm still trying to figure out what I can run."

Meanwhile, there seems to be little experimentation with Rock Island. Rocky has developed a tried-and-true method of churning out invite victories. The Rocks are as consistent as clockwork, scoring key points in a wide array of events. Their remarkable success in the sprints tends to overshadow

the field," said King, who has finished first in the shot in every meet dating back to the indoor season, where he had one second place finish at the Quad City Indoors. "We take care of our business quietly and then go cheer on our team and help any way we can."

King and company were on hand to exhort on a typically

strong Rocky track performance. Despite battling the flu earlier in the week, Dillon Smith took first place in the A 400, and was part of the first place 4x100 and 4x400 relay teams. Waylond Ryan won the A 100 and also was part of the 4x100. Lawrence Davis took first in the B 400, fourth in the long jump and ran with the winning

'Our sprinters get most of the attention, but I don't want people to forget we're consistently scoring points for our team in the field.'

Marcus King,
Rocky junior

4x400 and 4x100 relays.

"People might expect us to win, but we still have to go out and score the points every meet," said King.

UT seems to be perennially biting at Rocky's heels forcing the Rocks to score the necessary points. The Panthers, who finished 44 points behind Rocky at the Gene Shipley Invite last weekend, closed the gap to just 6.5 points.

"We just want to get them once outdoors," said UT's James Hood. "That's our team goal every meet."

Hood won the long jump, triple jump and was part of the 4x200 and 4x100 relays, which finished first and second, respectively. In the long jump, Hood jumped 22-2.25, 2.25 inches beyond state qualifying and six inches beyond his previous best.

"I really wanted to jump well today because we're probably going to have our sectional meet at Rock Island and I wanted to make sure I'm confident jumping here," said Hood. "Things seem to be coming together."
