Five Geneseo athletes represented J.D. Darnall High School at the IHSA Class AA State Boys Track Meet on Friday, May 30 at Eastern Illinois University's O'Brien Stadium in Charleston.

Although no one was able to advance to the finals, the Maple Leafs had strong showings at the meet.

Senior Kory Klemmer recorded a throw of 151' 10" in the discus.

Junior Curt Russell cleared 6' 4" in the high jump. Russell had cleared 6' 7" at the sectional meet. Russell also jumped 21' 03" in the long jump.

In the 800, Justin Trujillo ran a 2:00.53.

Steinkopf

The 1600 relay team of Luke Reschke (50.27), Luke Steinkopf (51.53), Curt Russell

(51.71), Justin Trujillo (50.60) finished in 3:24.38, the second fastest time in school history. Of course, the four set the record at sectionals.

Maple Leafs Coach Mel Snook said the team did great at the meet.

"The guys had some very respectable performances at state," Snook said. "They gave their best efforts and that's all we ever ask of our athletes," he added.

Snook added several of the

athletes will be back next year, so the future looks bright for Geneseo track.

"Getting to Klemmer state is the first step and making it to the finals is the next, but it just wasn't meant to be this year," Snook said.

"Our qualifiers all represented themselves and Geneseo with pride through their efforts and conduct," Snook said.

He added the experience is one the five won't soon forget.

"The seniors have memories to carry with them and the underclassmen have 2004 to set their goals for that state medal.

"It was a great year," he said.

Energetic Ryan leads way as Rocks have 2nd most AA finals qualifiers

By Bill Barton
Staff sports writer

CHARLESTON — Rock Island High School boys' track coach Ed Lillis noticed some pep in the step of speedy sprinter Wayland Ryan from the minute the Rocks took the Eastern Illinois University track.

Pacing through a light workout on Thursday afternoon at EIU, to get accustomed to the conditions before Friday's IHSA boys' Class AA State Track Meet, it was as if Ryan had been re-energized.

"I could see when the kids were going through their starts and working on their handoffs, he had a bounce in his step," said Lillis. "For some reason, he just loves this track. He always seems to have tremendous energy on it."

After readily admitting he wasn't pleased with some of his performances at the end of the regular season, Ryan ripped through the 100 prelims on Friday, running 11.12 to tie for the fastest time of the day. He came back in the 200 to qualify for finals with a time of 22.17.

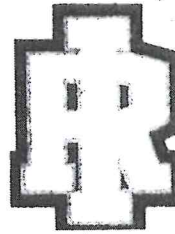

Ryan was one of three multi-event finals' qualifiers for Rocky. Marcus King qualified in both the shot (56-feet, 5.5-inches) and discus (169-8). Dillon Smith qualified in the 400 (49.33) and 1600 relay (3:20.96).

"I wasn't real happy with some of my races at the end of the season, but when I got down here for our workouts, everything felt right where it should be," said Ryan, who finished third in the 100 and 200 last year. "Every time I come down here, the track seems to get a little smaller. Hopefully, I can improve on what I did last year and keep progressing."

In some ways, it was a bittersweet day for Ryan. Despite qualifying for finals in the 100 and 200, Ryan was part of the Rocks' 400 relay and 800 relay teams which

didn't make it out of Friday's prelims. The 400 relay (which was nearly a second off advancing) and 800 relay (which bobbled one handoff and missed by .04 of a second and one team spot from making the final nine for today)

teams were seeded seventh and fourth, respectively.

"This thing is always full of twists and turns," said Lillis. "That's just the way this meet is. I'm hoping that it turns into a blessing in disguise. By not qualifying those relays, there are some guys that will be running on fresher legs."

Even with a few hiccups, Rock Island was tied for the second most finals qualifiers among AA schools (7). Two-time defending champion Thornwood had the most with nine, putting the state powerhouse in good position to repeat again.

"I think we still qualified enough people to have a shot at the team title," said Dillon Smith. "We're just going to hit everything hard in the finals."

As if to prove that the 400 relay and 800

relay were simply an anomaly, the 1600 relay team of Lawrence Davis, Mike Adamson, Brandin Smith and Dillon Smith cranked out its fastest 1600 relay time of the year and also the fastest of Friday's prelims.

"For some of us, if we didn't make this one, we were going to be done for the weekend," said Davis, who also ran on the 800 relay team. "That would have been very disappointing."

Andy Parer had an up and down day in the hurdles. After qualifying for finals in the 110 hurdles (14.96), the senior was off in the 300 hurdles (and didn't make it out of prelims). It was a hard-to-swallow result for Parer, who finished ninth in that event last year.

"I messed up a couple of hurdles and had to slow down to adjust my steps," said Parer. "It could have gone better, but I'm still content with my performance today."

Moline was ecstatic after its 3200 relay team of Mike Verre, Erik Steffens, Drew Patterson and Kyle Medinger qualified for today's finals. The group ran 7:54.56, its best-ever time by three seconds.

It was sweet redemption for Verre, Steffens, Patterson and Medinger. Last season, the same group made it to state with one of the top times, but failed to make it out of prelims.

"Last year was a growing experience," said Steffens. "We thought we could cruise right through to the finals. We learned that you can't coast through anything at state."

Said Verre: "We wanted to come back this year and show we deserve this."

Medinger, who took the baton in fourth place on the anchor leg, ran 1:54.

United Township's Darian Williams qualified for finals in the high jump with a leap of 6-5. The junior, who was UT's only state qualifier, won the first flight.

advanced. Still, it was a satisfying season for the Leafs, who had no state qualifiers last year. Curt Russell came within an inch of qualifying in the high jump. The 1600 relay team of Justin Trujillo, Russell, Luke Steinkopf and Luke Reschke missed qualifying by two seconds.

"It's a little disappointing for the season to be over, but we have a lot to be thankful for," said Geneseo coach Mel Snook. "We're excited because out of this group, we're only losing two kids."

Rock Island finishes second in AA team race

By Bill Barton
Staff sports writer

CHARLESTON — Winning an IHSA Class AA state track title was the mantra of the Rock Island team all season. The Rocks fell one place short of their ultimate goal, but completed the track program's best season since 1994.

Rocky placed in seven events on Saturday to score 33 team points and finish in second place. The total was well short of Thornwood, which scored 78 points and won its third straight state title.

Still, there was no one on the Rocks who lamented missed opportunities. Rocky shed a few tears on the medal podium, but only because it was the last time the group would be together.

"I'm sure everyone had their heart set on that first-place trophy, but it didn't happen," said Dillon Smith, who finished ninth in the 400 (51.49) and anchored the 1600 relay team. "But there's no way we can be sad. We had a great year with great memories. We're just all going to miss each other. I've known a lot of these guys since seventh grade. That's why we're sad."

Said Rock Island coach Ed Lillis: "These guys were focused on making this

a special season, and they certainly succeeded in that. Winning regular-season meets is one thing, but this is beyond the realm of what most people can possibly expect. There are just a blessed few that can make it to this point and enjoy this type of accomplishment at the end.

"There are so many variables that go into something like this. And we went through all the variables, but this was an extremely determined and persistent group."

The Rocks persistence came in many forms. Despite a season laced with personal challenges, Waylond Ryan took another step forward in his quest for a state title. Ryan finished second in the 100 (10.66) and fourth in the 200 (21.90).

Ryan has been living out of a hotel room with his family for nearly six months after an electrical fire burned his home to the ground in early January. Ryan's two siblings, who were at home at the time, managed to escape unharmed.

"My mom called me at school and I could tell she was crying," said Ryan. "I dropped a few tears when I heard."

Still, Ryan was able to put all of that behind him and ran particularly sharp at state. After finishing second to Dixon's Nate Davidson at sectionals, Ryan was determined to redeem himself at state.

"I come down here and it's a sudden rush," said Ryan. "I get up for these big meets and feed off the crowd. I know I'm going to run better down here no matter what because it's state."

'I love being down here because everyone is good. When I got the baton, I knew I'd be going up against other good anchors and I just tried to suck up people. It's an awesome feeling.'

Kyle Medinger,
Moline 3200 relay anchor

Marcus King also was a multiple state-medalist for the Rocks. It was the first time King captured two medals at state. The mammoth senior took sixth in the discus (169-8) and eighth in the shot put (56-5.5).

"I was so pumped up to throw," said King. "I actually might have been too pumped up. I did the best I could. I'm just sad this is my last meet. I'm not ready to leave."

The 1600 relay team of Lawrence Davis, Mike Adamson, Brandin Smith and Dillon Smith had battled injuries and lineup changes all season, but always seemed to come through in the clutch. Davis and Adamson each had been battling leg injuries throughout the season. Brushing aside aches and pains, the group took fourth place on Saturday, with a time of 3:21.31.

"I know everybody gave it everything they could to get that second place trophy," said Adamson. "I'm so proud of

everyone."

Andy Parer scored a state medal for the second consecutive year. A year after taking ninth in the 300 hurdles, Parer finished fourth in the 110 hurdles, with a time of 14.54.

"I thought I might get a medal in the 300 hurdles again, so the weekend turned out a little different than I thought," said Parer. "But I'm glad to be anywhere on the steps of the podium."

The same could be said for Moline's 3200 relay team of Mike Verre, Erik Steffens, Drew Patterson and Kyle Medinger. After failing to qualify for state finals a year ago, the Maroons came into the season on a mission to take home a state medal.

Powered by a strong anchor leg by Medinger, Moline took seventh place with a time of 8:00.65 and realize its dream. Medinger took the baton in 10th place and ran a 1:57 final leg to make up three spots.

"I love being down here because everyone is good," said Medinger. "When I got the baton, I knew I'd be going up against other good anchors and I just tried to suck up people. It's an awesome feeling. I don't really think about anything other than how many people I have to get."

Moline also came back to redeem two of its rare regular season losses when it edged Quincy and Lockport in the finals.

"This group missed finals by a second last year and came back determined this year," said Moline coach Jeff Quick. "We're so proud of them because we knew what they were thinking all season — get a medal."

United Township's Darian Williams will have to wait another year before he can try for a state medal. Qualifying for Saturday's finals, Williams had a bit of an off day in the wind. He cleared 6-2, which was good for 12th place.

"I'm happy with the experience, but not real happy with the way I jumped," said Williams, who jumped 6-7 at sectionals. "I kind of wasn't feeling it. My legs were still sore from prelims. This was my first finals. Next year I want to come back and win this thing."

Boys Class AA Track & Field State Final Champion Quotes

Class AA Team Champion: South Holland (Thornwood) (78 pts.), Coach Gary Haupt: "Two of our seniors missed graduation today for this. They will have a separate graduation for them on Monday. We knew that winning today would not be easy. You take a gamble and put some guys in open races. It was a calculated risk in the 200 and 400 hundred. We wound up getting 18 points from those two races. Friday is by far the hardest day. You have to live through the trials. Once you make it to Saturday, you know they are going to score points. We knew the long jump after yesterday was pretty good. The 4x100 we were seeded first and we had four solid guys running. Keith Hawkins was seeded third in the 110 meter high hurdles and for him to pull off a win was a big surprise. I have to but faith in the kids because they know how they are feeling better then I do."

Long Jump: Leslie Majors, Jr. ♦ South Holland (Thornwood) "I had to get the big jump early so I could get this out of the way and run my two relays later today. I was trying for the record this year, so it will be my goal next year."

Pole Vault: John Adamczyk, Jr. ♦ Palatine (Fremd) "I knew I could win. I had the potential technique wise. My strategy was to find openings in the wind and since it was at my back, it didn't really bother me."

High Jump: Mike Petrone, Sr. ♦ Carbondale "I've never cleared 7 feet but at least I won. I really didn't worry about the wind. I got second and I hate losing so this is great."

Shot Put: Scott Block, Sr. - Roselle (Lake Park) "I felt great this weekend. This was my best throw. It's the state final so it was do or die."

Triple Jump: Steve Daniel, Sr. - Decatur (MacArthur) "I hurt my hamstring last week and today I was really sore. I took one jump and that was it. I just wanted to come out and see what I could do and I was able to work through it."

Discus: Adam Schroeder, Sr. Rockford (Boylan) "I was a little disappointed with my throws today. I think I tried adjusting too much for the wind. I thought Cody Roberts, Normal (Community) would come back and get yesterdays mark. I was expecting a dual between the two of us today. This is a heck of a way to go out. A good lasting memory of high school."

4x800 Meter Relay: Charleston - Erik Werden, Sr. "This is unbelievable. We knew it was going to be a tactical race. I would have never expected to win state."

4x100 Meter Relay: South Holland (Thornwood)

Floyd Davis, Jr. ♦ "I've always loved track and I have been excited about this season since indoor track. I knew we could do it. I just always make myself stay confident, strong and picture us winning."

Jeremy Johnson, Jr. ♦ Feels really good to have this victory. Last night we felt a little nervous, but today we felt good."

Leslie Majors, Jr. ♦ I was really nervous last night and I tried to get rid of it by joking around. Today my coach talked to me and gave me inspiration."

3200-Meter Run: Stephen Pifer, Sr. - Edwardsville (H.S.) "I felt great during the early laps. It was hard to try and hold back, but I knew I had to be patient. I was going to wait until the final couple laps to take off, but around the third lap I kicked in. I had good first mile split."

110-Meter High Hurdles: Keith Hawkins, Jr. ♦ South Holland (Thornwood) "I just ran my best and that's all you can give. I think I just got it with the dip."

100-Meter Dash: Charles Howell, Sr. ♦ Plainfield (H.S.) "I felt great today. I just kept thinking about how hard I have trained for this. My teammates and the other great competitors made everyone run faster."

800-Meter Run: Jeremy Kruidenier, Sr. ♦ Champaign (Central) "It feels really good. It hasn't hit me yet, I'm sure I will feel even better once I'm on the stands. I've been

thinking about winning for weeks. When I got here, I tried to settle down by watching the other races. I didn't know if anyone was close until after I crossed the line. I knew I wasn't going to break any records, so I just wanted to finish strong."

4x200 Meter Relay: Tinley Park (Andrew)

Matt Vasquez (Sr.) ♦ "The start felt really good. Running into the wind was bad but we weren't really thinking about it."

Ryan Schnase, Jr. ♦ "We owe it all to our coach. We listened to what he said and he made us champs."

Dave Dobersztyn, Jr. ♦ "We were doubted in sectionals and know one here really knew who we were."

400-Meter Dash & 200-Meter Dash: Jeremy Johnson, Jr. ♦ South Holland (Thornwood) "Everyday I just expect to do my best. My body hurts, but it's over for now. The team did a great job all season and especially today. There's always room for improvement, but right now I feel pretty good."

300-Meter Intermediate Hurdles: Brad Thornton, Sr. ♦ Cary (C.-Grove) "My start felt real good. I knew I had to start strong, then once I was off the first hurdle I had to power through the rest. It was nice having the wind coming at you because then once you are on the home stretch, you have it to your back. I did not know that I had that big of a lead. The coaches always say we should just go out and run your own race. I used my 9th place finish in the 110 hurdles as motivation. This is unbelievable to end my senior year like this."

1600-Meter Run: Stephen Pifer, Sr. ♦ Edwardsville (H.S.) "it feels great and it's an awesome feeling to bring home a triple crown. You have to be very lucky to do all three (including Cross Country). I can't think of a better way to go out."

4x400 Meter Relay: Park Ridge (Maine South)

Chuck DiFranco, Sr. ♦ "I felt really good out of the blocks. I haven't lost all year. We had a lot of confidence coming in with the windy conditions, I knew I would have an edge going in. I thought of it as something to help me."

Kenny Johnson, Sr. ♦ "We practiced our handoffs earlier, so that paid off. I kind of enjoy running in lane 9. I have a real strong kick, so as soon as I hit the 200 mark, I started to pull away."

Neil Sherlock, Sr. ♦ "The guy from Rock Island scared the heck out of me when he passed me, but I took back the lead at the curve. We get Tony the baton in first and expect him to hold on to it. I think our 4x400 team has gone through a lot over the years. We've been together a long time and it feels great to win."

Tony Marcinek, Sr. ♦ "The handoff was fine. Neil passed that guy and actually everyone ran well. I thought I came back ok after running the quarter. I was disappointed I didn't PR in the 400 and pole vault, but this is an awesome way to end it."
