The Geneseo varsity boys track team had another strong showing against the larger Quad Cities area schools last weekend.

At the eleven-team UTHS Kiwanis Invitational, the Leafs took third place overall.

Rock Island was first with 273.5 points, followed by Moline with 217.5 and Geneseo with 167.5.

The showing definitely pleased Head Coach Mel Snook.

"Finishing third two weeks in a row to Moline and Rock Island is an outstanding accomplishment for our team," Coach Snook said.

"The state knows Rocky is a contender for a state championship and Moline has some quality depth they have lacked the last few years. Once again, it was a total team effort," he added.

Geneseo junior Justin Trujillo's win in the 800 could have been the highlight of the meet.

Trujillo narrowly edged three other runners to get the win in exciting fashion.

"Four athletes battling it out down the final stretch on a beautiful afternoon with no one wanting to give it up is what track is all about," Snook said.

Trujillo finished the race in 1:59.07.

Several other Leafs had strong showings once again.

Josh Reschke took second place in the triple jump with a leap of 41'02.5".

Curt Russell won the B-flight triple jump with a 40'07". Caleb Diericx finished seventh in the C-flight with a jump

of 35'02.5.

In the high jump, Luke Reschke took sixth with a jump of 5'8". Russell won the B-flight, jumping 6'. Jim Kiss took third in the C-flight with a jump of 5'10".

L. Reschke took sixth in the long jump, leaping 19'05". Russell was third in the B-flight, jumping 19'08.5" and J. Reschke was second in the C-flight with a jump of 18'03.

In the discuss, Kory Klemmer placed third with a throw of 142'08". Chris Springer took second in the B-flight with 128'04".

Klemmer also took fourth in the shot put with a throw of 47'10.5". Shane Verstraete was third in the B-flight (43'02.5), while Matt Paulson was sixth in the C-flight (38'08).

Alex Henry was third in the pole vault B-flight, clearing 10'06, while Shaun Russell was third in the C-flight, clearing 9'06.

Besides Trujillo's showing in the 800, several other runners fared well at the invite.

Kyle Fluck finished fourth in the 3200-meter run with a time of 10:20.06. Steve Loftus was ninth in the B-flight (12:17.48) and Tony Lyttles was fifth in the C-flight with a time of 11:46.34.

In the 3200 relay, the team of Robert Reese, Tim Holevoet, Corey Hopkey and Kyle Wayne finished tenth with a time of 9:46.65.

Trujillo was fifth in the 1600 with a time of 4:53.41 and Bill Barton was sixth in the C-flight with a time of 5:02.79.

Brad Mattan was ninth in the 800 B-flight with a time of 2:21.91, while Cody

Haars was ninth in the C-flight with a time of 2:22.91.

The team of L. Reschke, S. Russell, John Kroener and Luke Steinkopf placed third in the 800 relay with a time of 1:35.19.

In the 400, C. Russell was eighth with a time of 55.05, while Aaron Kuban was third in the B-flight (54.84) and Kiss was fifth in the C-flight (57.01).

Steinkopf was fifth in the 200 with a time of 23.67, L. Reschke was third in the B-flight (24.29).

In the 300-meter intermediate hurdles Andre Jackson was ninth with a time of 45.59, Luke Thompson was second in the B-flight with a time of 43.55 and Diericx won the C-flight with a time of 47.22.

The Leafs had three fifth-place finishes in the 110 hurdles.

Thompson was fifth in the A-flight with a time of 16.56, Jackson was fifth in the B-flight (18.63) and Eric Darwin was fifth in the C-flight (19.48).

Steinkopf was third in the 100-meter dash with a time of 11.58 and Kuban was third in the B-flight with a time of 11.73.

The team of S. Russell, Augie Anderson, Blake Widick and Reese took fifth in the 1600 frosh-soph sprint medley with a time of 4:05.07.

Next, the team was scheduled to take on Galesburg last night.

The team will compete at the Rock Island Invitational on April 25th. Snook said the competition is always tough at the Invite.

"The teams entered will make the competition a lot stiffer, but we're looking forward to the challenge," he said.

In the 100 meter dash Saturday afternoon during the UTHS track invitational, Rock Island's Wayland Ryan, right, pulls away from Jon Hood of United Township. Ryan ran 11.14 to win the event.

Tightness in his left leg forced Rock Island sprinter Wayland Ryan to cut back on his typical workload early this season. The soreness was enough of a concern to Rock Island boys' track coach Ed Lillis that he limited Ryan's races through the first two meets.

When the speedy sprinter won the 100 and 200, and was part of Rocky's winning 400 relay and 800 relay team, at United Township's A-B-C format Kiwanis Invitational on Saturday, it was first time this season Ryan competed in four events.

His four first-place finishes helped power Rock Island to a Kiwanis team title. Rocky scored 273.5 points to capture first. For the second straight week, Moline finished second to the Rocks, scoring 217.5 points. Geneseo (167.5) was third, UT (133) was fourth. Alleman was 11th with 46 points.

Despite a sore leg and a lack of races, Ryan feels as if he's starting the season with a headstart compared to a year ago. Last year, the Rocky junior partially tore his anterior cruciate ligament during practice and was told by doctors that he was done running for the year.

Moline's Aaron Cook, right, leaps past Rock Island's Andy Parer to win the 110 hurdles in Saturday's Kiwanis Invitational at United Township High School in East Moline. Cook ran 15.07 seconds.

## Kiwanis

From Page C1

Ryan, however, dismissed the talk and returned to take third-place in the both the 100 and 200 at state.

"When I came back last year, I felt like I was starting from scratch," said Ryan. "I never thought I could get all the way back to where I wanted to be, even though I had a good meet at state. This year I don't have to worry about a major injury. I'm not starting over again."

Perhaps the only thing missing from Ryan's four-win day at Kiwanis was a meet record. In near perfect conditions on Saturday, 11 meet records were broken, six of which were broken by Rocky.

K.C. Martin set a B 200 record, winning in 22.97. Terrell Williams set a B long jump record, with a leap of 21-2.5.

Marcus King, who won the A discus and A shot put, broke the 26-year-old discus meet record, throwing 160-10. "It was the longest standing record broken on Saturday."

"Those are the fun one's to see broken," said Lillis. "When you see a record that has stood for 20 years, you know its something special to break."

Once again, Rocky proved its strength in the weight events. Eddie Williams set flight records

in both the B discus (157-9) and B shot (50-6). Brandon Jones set a C-flight shot record (46-7.5).

"We work out hard for two hours every day — lifting, throwing and running," said King. "We're totally focused on getting better and putting in the work it takes to improve."

Moline's Erik Steffens has been working since last December to position himself for a breakout track season. Steffens broke his previous best time in the 3200 by a colossal 23 seconds, when he ran 9:49.6 to win the 3200 at Kiwanis.

"I've been setting myself up for this since Christmas," said Steffens, who also took second in the 1600. "I ran seven days a week on my own in the offseason. I thought, 'I have to make everybody around here know who I am.'"

As of a week ago, Steffens was still running about 50 miles a week, but cut back in his mileage to freshen his legs.

"I'm trying to run a little bit smarter," said Steffens. "I sat on some guys at the beginning just to get into the flow of the race. Then I just took off and felt good. Once I got out in front I thought 'I need to make these guys behind me hurt.'"

Moline set three meet records Saturday. Alex Hutchins, who is running track for the first time, set the B 3200 record, clocking 10:02.75. Mike Verre set the C 800

record in 2:04.55. And Alec Lance set a C triple jump record with a leap of 40'4".

Aaron Cook continued his impressive early season results for the Maroons. Cook won the A triple jump, A long jump, A 110 hurdles and took third in the 300 hurdles.

The race of the day may have come in the A 800. Geneseo's Justin Trujillo, Alleman's Matt Graf, Moline's Kyle Medinger and Harlem's Jared Richardson ran nearly neck-and-neck over the final 400 meters, with each runner relentlessly pushing the pace.

Running four across, down the final stretch, Graf collapsed as Trujillo passed him about five meters from the finish line. Though Graf was only a few feet away from the line, he was unable to finish. Trujillo took the race in a personal best 1:59.07.

"I think I blacked out," said Graf, who had been battling the flu all week. "My legs just gave out and my eyes rolled back into my head."

Said Trujillo: "That was a wild race. I actually didn't see him go down. I was just trying to hold on."

Alleman's Kile Krol won the 1600 (4:32.84) and set B 800 record in 2:01.49.

UT's Darian Williams took first in the A high jump (6-2), third in the 100 hurdles and sixth in the 300 hurdles.
