The Geneseo boys track team had a stellar night last Friday at the McCormick Invite, finishing third with a team points total of 89.

Geneseo defeated fourth place Dixon by 30 points.

In the field events, the Maple Leafs got off to a quick start, with Curt Russell winning the long jump competition. Russell jumped 20' 6" to grab the top spot.

Russell followed that win up with a first place showing in the triple jump. He reached 41' 7". Russell also took third place in the high jump, clearing 6'.

Luke Reschke was fourth in the long jump. Reschke reached a distance of 20' 3".

Shaun Russell placed fifth in the pole vault. Russell's best vault was 12' 6".

On the track, Geneseo was even more impressive.

Josh Forbes was outstanding in the hurdle events. Forbes won the 110m high hurdles as he advanced through the prelims and ran a 14.93 in the finals. He then took fifth place in the 300m hurdles with a time of 42.30.

Justin Trujillo, who recently accepted a scholarship offer from Eastern Illinois University to run track and cross country, won the 800m run. Trujillo ran a 1:57.93 to notch another event win.

Nathan Schlindwein was strong in the distance events yet again. Schlindwein was second in the 3200m run. He finished with a time of 10:06.83, nearly seven seconds faster than the third place finisher.

Kevin Powell had a very good day as well in the sprinting events. Powell finished fourth in the 100m dash. He ran an 11.21 in the finals.

Powell also claimed fifth position in the 200m dash with a time of 23.25.

Reschke continued to be fast in the 400m dash. Reschke placed third in the race with a time of 51.52.

The 1600m relay team was at the head of the class Friday as well. The team of Trujillo,

Shaun Russell, Reschke and Curt Russell placed first with a time of 3:26.42. The team blew away the field, winning the race by over four seconds.

As a team, the Leafs finished behind only Princeton and Metamora.

Head coach Mel Snook said he was very happy with the way his team competed in every event.

"I am very pleased with how our athletes performed," Snook said. "I was very excited because we came out much closer to Princeton than I thought."

Princeton scored 105 team points and Metamora finished with 103.33.

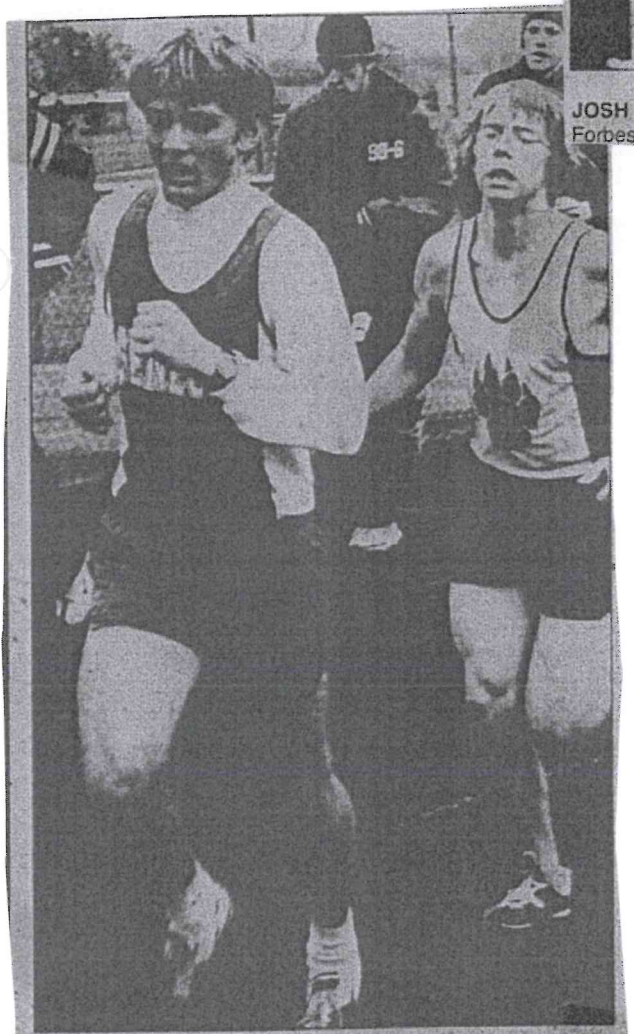

The Leafs now set their sights on a battle with Princeton and the rest of the conference at the NCIC championship meet tonight at Sterling beginning at 3 p.m.

Snook said his team will look to carry over the momentum and be ready to go tonight at the conference meet.

"I would say Princeton is the favorite to win conference," Snook said. "But we will do everything possible to make a run at them."
