

# Leafs put up season bests at Rocky

The Geneseo boys track team performed as well as they have all season last Friday at the Rock Island Invite, with many season best times and distances being reached.

As a team, the Leafs scored 105 points and finished the meet eighth.

In the 100m dash, Dylan Kenney placed eighth in the A division with a time of 11.53 seconds. Shaun Russell ran an 11.72 in the B division to place fifth.

Josh Forbes took fourth in the A division of the 110m high hurdles. Forbes crossed the line at 15.45. He also placed seventh in the 300m intermediate hurdles with a time of 42.95. Caleb Diericx was fifth in the C division of the event with a 45.91.

In the A division of the 400m dash, Justin Trujillo placed third with a time of 50.96. Luke Reschke had a strong 400m, taking second in the B division with a 51.15 while Curt Russell won the C division at 50.68 to set a division record for the meet.

Trujillo continued to have a strong meet with a win in the A division of the 800m run. Trujillo ran a 1:58.56. Dustin Brewer was eighth in the B division at 2:07.75 and Kyle Wayne was eighth in the C division at 2:10.77.

In the 1600m run, Nathan Schlindwein was 13th in the A division. He ran a fast 4:51.59. Bill Barton finished in 4:57.35 to take 12th in the B division while Tim Holevoet was 11th in the C division with a 5:08.77.

Schlindwein was again fast in the 3200m run. He ran a 9:58.34 to take fifth place. Brad Mattan was 12th in the B division at 11:14.29. Nate Silver finished eighth in the C division with a time of 11:25.88.

The 400m relay team of Reschke, Kyle Glazier, Shaun Russell and Kenney was seventh overall with a time of 45.09. The 1600m relay team of Reschke, Kenney, Curt

Russell and Trujillo was second in the meet at 3:25.18. They were less than a second out of first place.

In the field events, the Leafs were equally impressive as a number of Geneseo competitors won their divisions.

Curt Russell won the B division of the long jump with a leap of 21' 9". He set a B division meet record with the effort. The jump would have been good enough for second in the A division.

In the C grouping, Reschke was first. He jumped 19' 9". Kenney was ninth in the A division, reaching 19' 11".

Scott Mapes took sixth in the A group of the discus. Mapes threw 131' 10". Scott Rule was 11th in the B grouping with a throw of 112' 5" and Matt Minnaert was 11th in the C division, throwing 97' 6".

Joe Paradiso threw the shot 41' 9" to place eighth in the A division of the shot put. Wyatt Brieser threw 41' 11" to take seventh in the B division and Chris Brooks tossed 40' 5" for

eighth in the C group.

Curt Russell was third in the high jump to add to his strong day. He cleared the bar at 6' 4". Byron Stanley won the B division by successfully clearing 6' 2" and Justin Heaton won the C division with a jump of 6'.

Shaun Russell was fifth in the pole vault. Russell cleared 11' 6" in the A division. Brady Piepenbrink took sixth in the B division with a vault of 10' 6" while Brian Sandoval cleared the same height for third in the C grouping.

Overall, head coach Mel Snook said he was very happy with the way his team performed and said he was thrilled for those who achieved season best efforts.

"Our kids had some good performances," Snook said. "The 1600 relay team ran one of the faster times in the state so far this season. Also, Trujillo, Curt, Byron Stanley, Justin Heaton and Nathan Schlindwein all had season bests."

Snook said his team is finally completely healthy and is looking forward to competing in tonight's Sterling Relays.

"We're as healthy and injury free as we hoped at this point in the season," Snook said. "The guys are looking forward to the rest of the season."

# Rock Island and United Township finish 2-3 at RI track invitational

Rock Island sprinter KC Martin was getting tired of losing to local rival Jon Hood of United Township and instate rival Floyd Davis of Thornwood in the 200-meter dash.

So, in the A flight of that event Friday night at the Rock Island Invitational, held at Almquist Field, Martin did something about it, flying out of the blocks to beat the field by a yard or so.

"Both of those guys have been rivals since last year," Martin said of Hood and Davis, who finished fifth and sixth in a tightly-contested pack just a couple of steps behind Martin, said. "Hood got me (at Shipley and Kiwanis earlier) and Davis got me on Saturday, so I had to come back and get them here. They're both great runners, and I look to see them both at state."

In the process, he established himself as the Rocks' sprint ace, what with senior Waylond Ryan still on the mend with a gimpy left hamstring, and helped Rock Island finish second in the meet, behind only state champion Thornwood, with a total of 166 1/2 points.

"This meet is usually a fulcrum of our season," Rock Island coach Ed Lillis said. "We've had four weeks of outdoor events leading up to it, and it's four weeks to go to the sectional. A lot of our guys took a big step tonight."

Martin also ran on the Rocks' victorious 400-meter relay team, combining with Derrick Partman, Lawrence Davis and Raphael Brown for a 42.70

clocking, nipping Galesburg by just .07 seconds.

"The handoffs were great, and the guys ran super during that event," Lillis said of the 400 relay, which didn't quite get the challenge it would ordinarily expect from Thornwood, who had some of its sprinters out with injuries and finished fifth.

Rock Island coach

And jumper Anthony Lloyd cleared the 45-foot mark in the triple jump on the button, going 45 feet even to win the flight. "My main focus is increasing my speed, but my last phase (the jump) has been pretty good," Lloyd said. "I still want to get a couple more feet in before state."

United Township, too, took a big step behind wins from Darian Williams in the high jump and Devontae Brooks in the long jump to finish a very solid third with 140.83 points. Moline — paced by its strong distance crew — was sixth at 129, while Geneseo was eighth at 105, Galesburg ninth at 81.5 and Alleman 15th.

Brooks, whose forte has been the

triple jump so far this season, put together nearly a 22-foot effort to win the long jump. "I felt very strong going through the board and tonight I got a good pop out of it," Brooks said. "I kept my speed going, which is good because usually I've lost my speed."

Williams didn't quite reach his goal of a school record in the high jump, but did enough to win the event by clearing 6-6. "I just go and jump: if there's people there still in it with me, it's good for me because they'll push me," he said.

Moline's Erik Steffens was the strongest of the Maroon distance runners. His leg on the 3,200 relay was the difference in Moline's posting the area's best time so far this season, and he followed that up with a gutsy win in the 1,600. Gutsy, because it took him a while to bring up what was in his gut after the race.

"I'd planned the entire week to break 4:20, but I didn't push myself hard enough on the third lap for that," Steffens, who was still a little wobbly after putting up a time of 4:24.65, said. "It's my senior year and I have a lot to prove after cross country. If I could run a 4:20, I'd puke for 45 minutes after the race if I had to. Just so long as I'm not doing it during the race."

Geneseo's Justin Trujillo also announced his presence with some authority, kicking past the field in the last 100 meters to win the A flight 800 with a sub-1:59 time. "I finally got some faith in myself and started believing in myself, and finally went out strong," Trujillo said. "I'm exactly where I want to be now."
