

Boys track strong at Shipley Invite

With many team members absent taking the ACT and with the Geneseo band and choir trip to Florida, the Maple Leafs still managed to perform well at the Shipley Invitation in Moline on Saturday.

Geneseo finished tenth overall with a number of nice performances.

In the shot put, sophomore Joe Paradiso placed seventh with a throw of 42' 4-1/2". He was the only sophomore to make the leaderboard.

Senior Scott Mapes was second in the discus throw. Mapes threw an impressive 141' 5".

In the pole vault, Shaun Russell was fifth. Russell reached 10' 6" with his best attempt.

Curt Russell rounded out the field events for Geneseo with an eighth place showing in the long jump. Russell jumped 19' 3-1/2".

In the running events, Geneseo took sixth place in the 400m relay. The team of Luke Reschke, Curt Russell, Luke Thompson and Kyle Glazier ran a 45.70.

Curt Russell continued to perform well in the sprints with a third place finish in the 100m dash. He ran an 11.55.

Shaun Russell was seventh in the 200m dash with a time of 23.76.

Justin Trujillo ran a fast 800 meters and finished the day second. Trujillo ran a 2:05.42.

Reschke also continued to run well, claiming third in the 400m dash. Reschke ran a 51.62.

In the 300m hurdles, the Leafs got a nice contribution from Thompson who placed sixth. Thompson ran a time of 44.17 seconds.

Despite the tenth place finish, head coach Mel Snook was happy with the way his team competed.

"We were down in numbers, but I feel the guys who competed did an outstanding job for their first outdoor meet of the season," Snook said.

Snook said he was happy with everyone on the team and was pleased with the way his sprinters picked up points.

"The points from our sprinters in the 100, 200 and 400 were very encouraging," Snook said.

Snook said the highlight of the meet for him was Mapes' second place showing in the discus throw.

"The biggest highlight of the meet was the 141' 5" discus throw by Scott Mapes," Snook said. "Scott had a season ending injury as a junior and this year he feels he has something to prove."

In the varsity meet on Wednesday against Alleman, Geneseo was beaten only due to the lack of participants. Still, a number of Leafs competed well.

Reschke won the long jump by nearly two feet with a leap of 19' 6-7/8".

Caleb Diericx won the 110m high hurdles. Diericx ran an 18.68. Diericx also won the triple jump. He reached a distance of 38' 1".

Trujillo had a strong day. Along with finishing third in the 3200m run and second in the 200m dash, he won the 400m dash with a time of 51.72 seconds.

Paradiso easily won the shot put with a throw of 44' 7" and Mapes threw the discus 131' 2"

time of 18.9 seconds.

to win his event.

Diericx was second in the 300m hurdles, Kyle Wayne was second in the 800m run and Brady Piepenbrink was second in the pole vault.

Aaron Bopp was third in the long jump and the high jump, Doug Adams placed third in the 110m high hurdles and Tim Holevoet finished third in the 1600m run.

Matt Paulson finished his day third in the shot put.

Snook said when his team is at full strength, he is confident the Leafs will improve.

"When everyone returns from spring break, and hopefully with everyone healthy, we can start working on our relays," Snook said. "I see us only getting better the remainder of the season."

Rocky boys, Moline girls win Shipley

By Shannon Heaton

Crick SantAmour didn't expect that his Moline girls' track team would win Saturday's 38th annual Shipley Invitational at Browning Field.

One of SantAmour's top guns, senior Laura Gustafson, didn't expect to set two Shipley records when she woke up Saturday morning.

And few might have expected Rock Island's boys team to win so easily even without senior sprinter Waylond Ryan in the lineup.

But that's what the Shipley has typically been about — shattering old expectations and creating some new ones. On Saturday, Rocky's boys team and Moline's girls established themselves as the early front-runners in the metro track picture, behind team victories on Saturday.

In the boys' race, Rock Island outpointed Moline 267-216, while the Maroon girls held off Galesburg 196.5-188 for the victory.

Boys: Even without Ryan, who was nursing a sore left hamstring suffered at last weekend's East St. Louis Invitational and was held out of competition, the Rocks still cruised to the victory.

That was due mainly to the power of throwers Eddie Williams, Brandon Jones and Zach Johnson, each of whom won their flights in both the shot and discus.

"We push each other, we coach each other and always encourage each other," said Williams, who took the A flight firsts. "Every day in practice, we're always going at it with each other."

Williams, slotted into the A flight as the team's top shotputter, only had the second-farthest throw among the trio, as Johnson, the No. 3, beat his distance by a quarter-inch in winning the C flight.

"That's the way it's going among those guys. They've been doing that for awhile now, each one of them taking turns hav-

ing a better throw," Rock Island coach Ed Lillis said.

But that wasn't all, as Anthony Lloyd swept the A flight horizontal jumps, Lawrence Davis took first in the A flight 400 and the Rocks won the 400 relay.

"I've been healthy this year and that's helped a lot," Lloyd, who spent most of last year battling a sprained ankle, said. "I was hoping to break the record (in the triple jump) but I couldn't quite get it. That's been my strong suit so far. I've been able to keep up my strength through all three jumps."

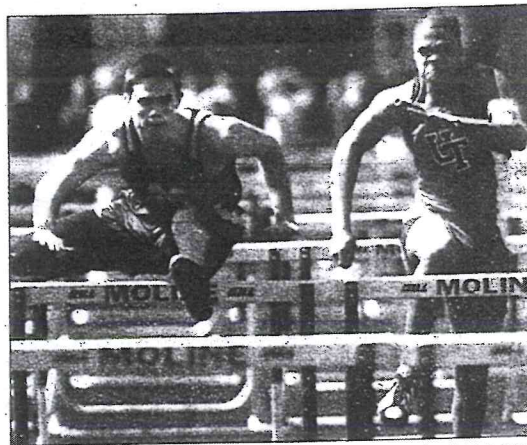

Moline was strongest in the distance events, led by senior Erik Steffens, who wasn't seriously challenged in sweeping the 1,600 and 3,200 distance runs. "I hadn't run a meet since cross country sectionals and I was pretty anxious," Steffens said. "My mileage isn't that high right now but my workouts have been pretty intense."

United Township got two wins apiece from Darian Williams in the high jump and

300 intermediate hurdles, and from Jon Hood in the 100 and 200.

"My coach said it was the easiest school record to break, so I tried it," Williams said. "With the time I had, you might see me run that again."

Hood held off Rock Island's KC Martin to win both sprints. "You don't normally get a lot of opportunities to win those," Hood said, pointing to the reality of Ryan's absence as a factor. "But I'm right where my dad and my coach want me to be timewise."

Moline senior Aaron Cook, left, edges United Township senior Darian Williams to win the A Division of the boys' 110-meter hurdles Saturday during the Shipley Invitational track and field meet at Browning Field in Moline.
