The boys of spring

Springtime means track and field at Geneseo High School, and an Impressive sight is five varsity boys hurdlers clearing the first hurdle at the same time. This scene will be repeated Friday night of this week when Geneseo hosts the Maple Leaf Classic, starting at 6 p.m. in the stadium. Competing schools are Davenport Assumption, North Scott, Alleman, Pleasant Valley, Kewanee, Rockridge, and Geneseo. This shot was taken last spring, and the high hurdler in the center is one of Geneseo's best ever — Paul DePauw.

Seven schools to compete in annual Maple Leaf Classic

The second big track and field show of the season at Geneseo gets under way at 6 p.m. Friday night of this week when Geneseo hosts the annual Maple Leaf Classic.

Seven schools will be in competition, including Davenport Assumption, North Scott, Rock Island Alleman, Pleasant Valley, Kewanee, Rockridge, and Geneseo.

The Leafs won last year's meet, scoring 95 points, to edge Assumption's total of 84. Last year's meet was a thriller, with Assumption bringing a fine crew of sprinters to Geneseo, and they were able to give the Leafs a stiff challenge.

Relays in this meet will count 10 points for first, 8 for second, etc., while individual events will be worth 6 points for first, 4 for second, etc.

Assumption again has fine speed; North Scott has good balance, some field feature hurdle shuttle relays, and Geneseo could get quite a battle in these from the Iowa schools, which also seem to turn out fine batches of hurdles every year.

Geneseo thinclads cop Maple Leaf Classic

Geneseo's power in the field events and key relays turned last Friday's annual Maple Leaf Classic track meet into something less than a classic struggle for a championship.

Geneseo rolled to victory, piling up 180 points, compared to just 80 by second place North Scott, Seven teams participated.

The three Iowa schools involved, North, Scott, Davenport Assumption and Pleasant Valley, all were handlespeed because their key performers were at the Drake Relays in Des Moines.

North Scott was minus its top shot putter and discus thrower, and its 440-yard and mile relay teams. Geneseo won three of those events handily, but whether the presence of those missing Lancer athletes would have made a difference is questionable. The Leafs looked pienty tough, and Coach Bob Reade was pleased with his squad's performance.

Geneseo won nine of the 19 events, more than twice as many as any other school.

The Leafs were overpowering in the field events, again, and won four relays. In this meet, relay wins were worth 10 points spiece.

The thunder started to rell from the shot put ring, where Wayne Strader and Dennis Brooks took turns shottering Rob Orn's former school record of 53 feet, 10 inches, which had steed since 1970.

Strader started the assault in the preliminaries, breaking Orsi's record with a throw of 54-1½. It was one of the shortest-lived school records in GHS history. Just minutes later, Brooks threw 54-3. In the finals, Strader threw 54-9, and won the event.

Neither athlete had thrown beyond 58 feet in competition prior to this meet, although both had been beyond 54 feet in practice. Strader and Brooks offered some reasons for their sudden increases in distance.

Strader said he was staying lower as he, moved across the circle, getting more power from his legs. Brooks cited an increase in speed as he moved across the circle, and an improved snapping technique at his release.

The two seniors attracted quite a crowd to the shot put area. "Biggest crowd I ever saw watching the shot put here," said Pred Curtis, high school principal.

The Geneseo officials might consider putting in bleachers for this Friday. At least, they can expect quite a crowd when Strader and Brooks battle Galesburg's Dean McKillip, a 57-foot performer, in Friday's Geneseo Invitational.

Generoe went ene-twothree in the triple jump. Dave Andersen secred Alfeet, 10 inches to win, while Gary Ong was second at 40-9 and Damile Rebertoen took third at 30-11. Geneseo also got three place finishes in the high jump. Senior Gary Cathelyn won the event at six feet, even, and best Kewanee's Bill Tunney on basis of fewer misses at the lower heights. Sophomore Norm Singbush placed third in the high jump, and senior Frank Gardner was fifth.

In the triple jump, the sophomore due of Randy Russell and Dennis Robertson did their one-two number again, Russell leaping 19 feet, 10 inches for the win.

In the pole vault, Leafs Ken Peal and Jeff DeNeve placed second and third, respectively, to close Geneseo's barrage of

field event points.

The Leafs weren't hurting on the track. The varnity 440 relay team of Strader. Pete Paulos, Red Anderson and Dave Anderson won in :44.8, showing much-improved handeff technique. Although not as successful in terms of winning as a season ago, up until new, the 440 relay unit is nevertheless running three-tenths of a second

faster than a year ago, when it went on to win the NCIC championship.

Geneseo opponents will be looking at good Geneseo Hurd-lers for a few more years, if Priday's meet was any indication. Geneseo won both hurdle shuttle relays by big margins, and in both cases, three sophomores joined senior Gary Ong to do it.

Ong ran the first leg of both races, giving Genesso a big lead. That took some pressure off the sophomores, and they seemed to run relaxed. And, they ran well. Ong, Lance Hofer, Bruce Borkgren and Robertson won the 320-yard high hurdle shuttle in the very excellent time of :42.5, winning the event by more than four seconds.

Ong, Randy Farrell, Borkgren and Robertson clocked a more modest :56.4, but that's still a good time, and it won this meet by more than three seconds.

Geneseo put together a good mile relay, winning handily in R:RR.D. Runners were Red Geneseo put together a good mile relay, winning handily in 3:33.0. Runners were Red Anderson, Jeff DeNevs, Dan Carton, and Pete Poulos.

Red Anderson won the 100-yard dash in :10.6, his first victory this season in the 100. Red got out of the blocks quickly, and held his edge throughout both his preliminary heat and the finals.

Fans saw one of the fastest 880-yard races in the history of the all-weather Geneseo track, as three performers were under two minutes. Rich Heaton of Rockridge won in 1:57.7. Mark Nordstrom of the Leafs was second at 1:58.9, the third fastest time the 880 has ever been run by a Leaf. Garon Grigsby of Alleman was the third sub-two minute runner.

Poulos had quite a meet for the Leafs. He placed second in the 220 with a good :28.7 time: the winner going :28.7. Pete also ran a strong anchor leg on the mile relay, and a rather speciacular third leg for the Geneseo 880-yard relay team in which he made up much of the ground the Leafs lost with a poor baton exchange earlier. Rockridge, running three sophomores and a freshman, nipped Pleasant Valley at the tape in 1:34.7; Geneseo was third with its best time this season, 1:34.8.

Another solid Leaf performer was miler Doug Longman, who ran a 4:37.2 mile, taking second to Mitch Ern of Alleman, who ran 4:36.9.

One step, and already ahead

Geneseo Junior sprinter Dave "Red"
Anderson, left, captured his first 100-yard
dash victory of the season in last Friday's
Maple Leaf Classic, and a big reason was
the explosive start he got out of the

blocks: Dave, usually a good starter from the blocks, maintained his edge to win in :10.6. North Scott's Jerrie Griggs, right, placed fifth.
