

# Leaf runners take opening track meet with easy win

Geneseo won seven events - just one more than second-place Hall Township - but superior Maple Leaf depth was responsible for an easy Geneseo victory in the first varsity track and field triangular last Friday night on the Geneseo track.

Geneseo scored 100 points, to 45 by Hall Township and 32 by Monmouth.

The Leafs dominated the field events and took second place in many other events.

Some fine early season performances were turned in, particularly considering the raw, windy weather.

Best performances were posted by Hall athletes. The Red Devil 440-yard relay team stepped off a victory in a crisp :44.6, just three-tenths of a second slower than the Geneseo school record time posted last season. Geneseo ran a good :45.2 clocking to take second.

Wayne Strader, although he complained of having no explosion at his release in the shot put, still managed an effort of 51 feet, 11 1/2 inches to nose teammate Dennis Brooks by a little over two feet.

## Brooks displays winning form

Geneseo senior Dennis Brooks displays the discus form which brought him a first place finish against Monmouth and Hall in the season-opening track meet at Geneseo last Friday. Brooks fired the plate 140 feet, 6 inches to take the win.

Dennis is one of a number of strong weightmen who should provide plenty of points all season for the Maple Leaf varsity track team.
