Two compete in state meet

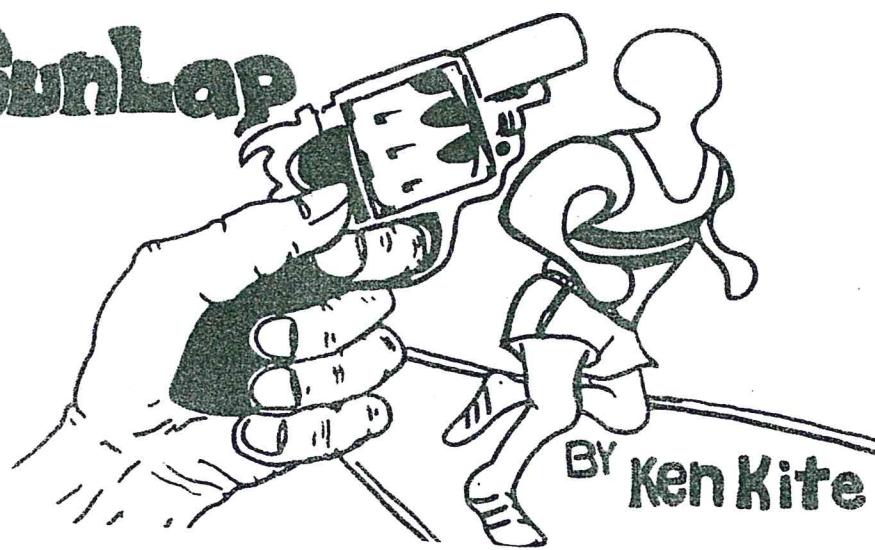

ps

Norm Singbush and Dave M. Anderson, J.D. Darnall high school juniors, participated in the Friday, May 26, state track meet at Charleston, but failed to qualify for the finals.

Singbush was eliminated in the high jump after he missed the opening height of 6' 3". Anderson recorded a distance of 44' 2" in the triple jump.

East St. Louis Wins 4th Straight

The East St. Louis Flyers won their fourth straight state Class AA track title with a winning total of 37 points. Unlike the Flyers' previous three wins, they did not dominate the relay events. In fact, they did not win one first place. This marks the first time since Alton, another East St. Louis area powerhouse, turned the trick in 1969.

The Flyers' four straight wins (including a tie with Bloom in 1977) ties the state mark for consecutive wins held by Bloom, 1956-57-58-59.

Despite the relatively large margin of victory, 37 points to 24 for Deerfield and Brother Rice, head coach James Lewis could not relax until the state of the final running event, the mile relay.

East St. Louis' title hopes suffered what could have been a death blow when their highly touted mile relay team was disqualified in their district meet. Another setback occurred when the Flyers premier hurdler, junior Steve Brown, false started in the low hurdle preliminaries.

But despite these two potentially damaging events and the lack of an individual state championship, the Flyers cruised to the victory.

The stage was set for the Flyers in the preliminary races where they advanced nine individuals and their 440 relay into Saturday's finals. Their ten qualifiers doubled the number of the nearest rival, Danville, who advanced five.

The Flyers' two best chances for individual state titles were in the 220 yard dash and the pole vault. Lloyd Pelly, a veteran of many state meet races, was the season long 220 favorite as his 21.7 was the regular season's best time while his 21.6 effort was the best effort in all the district meets. Unfortunately, Pelly was

unable to crack 22 seconds in the state meet but still raced to a respectable third place.

Larry James was Coach Lewis' other ace in the hole as he was the most consistent 15 foot vaulter in the state. His 15'0" district height was also the state's top state qualifying effort. James, however, dropped out at 14'9" and he had to settle for second place at 14'6".

The Flyers, however, scored in four other events including two places in the high hurdles and 100 yard dash to insure their win.

The Flyers' 440 relay of Greg Canada, Lloyd Pelly, David Pelly, and Auphrey Campbell raced to third in 42.40 seconds, just 0.07 seconds off their season best of 42.33 run in the preliminaries.

Tim Scott placed eighth in the long jump with a leap of 22'3 3/4".

The 100 yard dash and high hurdles were East St. Louis' best events. Auphrey Campbell and Lloyd Pelly ran fourth and sixth in the century with excellent times of 9.84 and 9.88 seconds, respectively. Steve Brown and Lorenzo Nicholson placed third and seventh in the 120 highs with fine times of 14.10 and 14.40, respectively.

Both Campbell and Brown who were finalists in their respective events a year ago are juniors.

The Flyers had two other finalists who although did not score still performed well. Vince Allen and James Melton, a sophomore and junior, high jumped 6'6" but finished out of the scoring.

Coach Lewis was especially pleased with this win, commenting, "This is definitely a sweet victory for us because we had to overcome two big obstacles. At the district, our mile relay team on whom we had always depended to clinch the title, was out. I was afraid psychologically that we would be down for the state meet."

"I was doubly worried when our 330 hurdler was disqualified on a false start. But the kids performed as a team as they always had."

Asked about a fifth title, Lewis was restrained but none the less looking forward to next year as he said, "I don't know about building a dynasty. Give us another year."

The East St. Louis Flyers.

Flyers State Track Champions

BY STANFORD SCOTT

As expected, the E. St. Louis Flyers won the Illinois State Class 2A Track Title at Charleston, Illinois. Coach Jimmy Lewis' powerful squad used its phenomenal depth to win their fourth consecutive State Title to join Chicago Heights Bloom as the only two Illinois schools to accomplish this feat.

The Flyers Express also joined Alton as the only schools to win a State Title without a first place finish. There had been some concern regarding the Flyers ability to defend their title. After all, the Flyers had used their relay team in the past as the corner stone to their victories and this year only their 440 relay had qualified. But, as usual, the Flyers were true to the test as they picked up points here and there to bring home the title once again.

Whereas the Flyers faithfuls had expected their first places in the pole vault and 220 and possibly the 440 relay, other flyers came through for the always important unexpected points to offset the lack of first place finishes.

Going into Fridays' preliminaries Dolton Thornridge was a co-favorite with the Flyers; Danville and Evanston as dark horses. Thornridge had qualified the same number of individuals as the Flyers plus

Jimmy Lewis—Coach East St Louis Senior High.

three relay teams. Following Fridays' preliminaries, the Flyers were clear favorites as Thornridge fell by the wayside.

Tim Scott scored the Flyers first point with an eighth place in the long jump. Scott jumped a season best of 22'3 3/4". The Flyers 440 relay foursome of Greg Canada, Lloyd Pelly, David Pelly and Aурphey Campbell finished third (42.40) for six more points. Larry James added eight more points with his second place finish in the pole vault (14-6) to give the Flyers a lead they never relinquished. The Flyers picked up eight more points in the 120 high hurdles from Steve Brown (3rd-14.10) and Lorenzo Nicholson (7th-14.40). Aурphey Campbell (4th-9.84) and Lloyd Pelly (6th-9.88) increased the lead with eight more points in the 100 yard dash and Lloyd Pelly (3rd-22.33) nailed down the victory in the 220-yard dash.

The Flyers finished with 37 points to co-runner up's Deerfield and Chicago Brother Rice with 24 points each.

The Lincoln Tigers finished down in the field with ten points as Alfrederic Joyner placed third in the triple jump with a season best leap of 48-0 1/4 and the two mile relay team of James Scott, Broderick Fields, Reginald McClure and Anthony White came in fifth with their best time of the season (7:53.91).

Lloyd Pelly—100, 220, 440 Relay East St Louis Senior High.

Larry James—Pole Vault East St Louis Senior High.
