

**U.T.H.S. INVITATIONAL CANCELED
DUE TO THE EXTREME COLD WEATHER**

A message from U.T.'s Head Coach Evan Holsbach:

Coaches,

I wanted to notify you all directly that we are cancelling the Kiwanis Invite this year due to forecasted temperatures. The hourly forecast doesn't have the temperature rising above the freezing mark until after 12:00, and only reaching a high of 39. Temps will be in the low to mid 20s while field events will be competing. While I am hesitant to trust the weather man with 48 hours of possible change, my hope is that by making the decision today, you can better utilize the next two days of training.

To those we won't see for the rest of the season, best of luck. Hopefully we will have better conditions next year.

Best,
Evan Holsbach
