

Pulliam, Roper, Schaad nab firsts as PV takes second in team race

While most athletes were still competing, Pleasant Valley's Ryan Saddler was singing.

Saddler began his morning at the Kiwanis Invitational track and field meet at the Soule Bowl on Saturday morning, but ended his day at the IHSMA Solo & Ensemble Festival at Davenport West.

And it couldn't have started any better. Saddler took home two first place medals with a 15.75 meter throw in the shot put and a personal record 41.56 meter heave in the discus.

"When I woke up I thought it was going to be cool to do a sport and hopefully win and then afterward go compete and sing," Saddler said. "I was feeling really good when I woke up and I just felt like it was going to be a good day. I was feeling loose and after my warm up throws I was pretty confident"

Saddler won the shot put by over two feet, but had to edge out Quincy's LaMarr Rodgers in the discus for the crown.

"After my first throw of discus, I PR'd by three feet," Saddler said. "I was really happy because I'm not the best at discus. It's not what I spend the most time at practice on because it's been so cold out."

"I always try to come in with the mentality that I'm going to win and get my team the most

points that I can. Every meet I try to think about being the best and throwing the farthest. Today that happened."

The senior Spartan left the Soule Bowl about 20 minutes after his last event, but those points he gave PV were crucial. Plainfield South won the event with 285 points, well ahead of second place PV (228) and third place (186) Galesburg, but it was the second straight event where PV had a strong showing.

The Spartans won the 11-team Deac Ryan Relays on Tuesday.

"Last year I thought we were good, but man, we are good this year," Saddler said. "We've got a really well-rounded team. We still have young guys that haven't reached their potential. We see it every day in practice. We are doing really well and I know everybody on our team can get to another level."

One of the closest races of the day was in the 110 hurdles between Moline's Saiheed Jah and

PV's Max Doran. Both hurdlers qualified for the state meet in their home state last season.

Doran jumped out to a quick start, but by the second hurdle Jah pulled just a fraction ahead.

"(Doran) had a really good time on the heat sheet, so I knew I was going to have to go hard on this one," Jah said. "He was right with me the whole time. He pushed me a lot."

Jah crossed the line at 15.45, just .06 ahead of Doran for first place.

"I'm really happy with the result, it was a good start," Jah said. "It was my first race of the season so I didn't feel that clean over the hurdles, but I was fine with the time. I think I can knock a lot off of it by sectionals, or state though. But still, I'm really happy with my performance."

Jah also captured the 300 hurdles title with an impressive 41.34 mark, which topped PV's Daniel Zietlow by less than a second.

Also joining Jah atop the podium for Moline was Rob Pulliam. The defending state champion in the high jump didn't compete in his usual event but performed just as well.

Pulliam claimed the long jump title with a 6.64 meter leap, besting UT's Adreian Roper for the top spot.

"I wanted to spread myself out a little bit more and try some new events," Pulliam said. "It felt nice, especially with it being my first time long jumping. It's a lot different because I'm not trying to jump high, but rather jump as far as I can. But I knew with my athleticism I could be pretty good at it."

Roper earned a first place medal in the high jump, though, and set a new Kiwanis Invitational meet record while he was it. Roper cleared 6-foot-8 for a new personal record.

Geneseo's Malakai Schaad attempted to break the meet record as well, and although he fell short, he still gave the Maple Leafs their only first place finish with a season-high 4.4 meter pole vault.

"My coach didn't tell me the height that he put it to (15'3 attempt), so when I heard it (over the PA) it made me a little nervous, but I knew I could do it if I had my form right," Schaad said. "It didn't end up happening today, but it was there and will be there."

Schaad was a sectional champion last season and finished second at state. He wants to end his senior season with a state

title, and while it hasn't started the way he wanted, today's result couldn't have ended any better.

"I'm coming off of an injury from a couple weeks ago when I pulled my hamstring at practice," Schaad said. "I'm kind of now just getting back into it. It's my first meet in about two weeks and I wasn't able to practice much either."

"But I'm very pleased with the effort I gave today. Height wise I want to be better, but I'm very excited to be back and jumping again. I actually went down to the starter and dropped my height a little bit so I could jump sooner because I really wanted to

jump."

No local school won any other of the 11 events. Plainfield South won eight, Quincy won two and Galesburg's Koen Derry was the triple jump champion. PV's Brian Stanton (100), Jacob Mumey (800) and the Spartan 4x200 relay team placed second in their respective events.

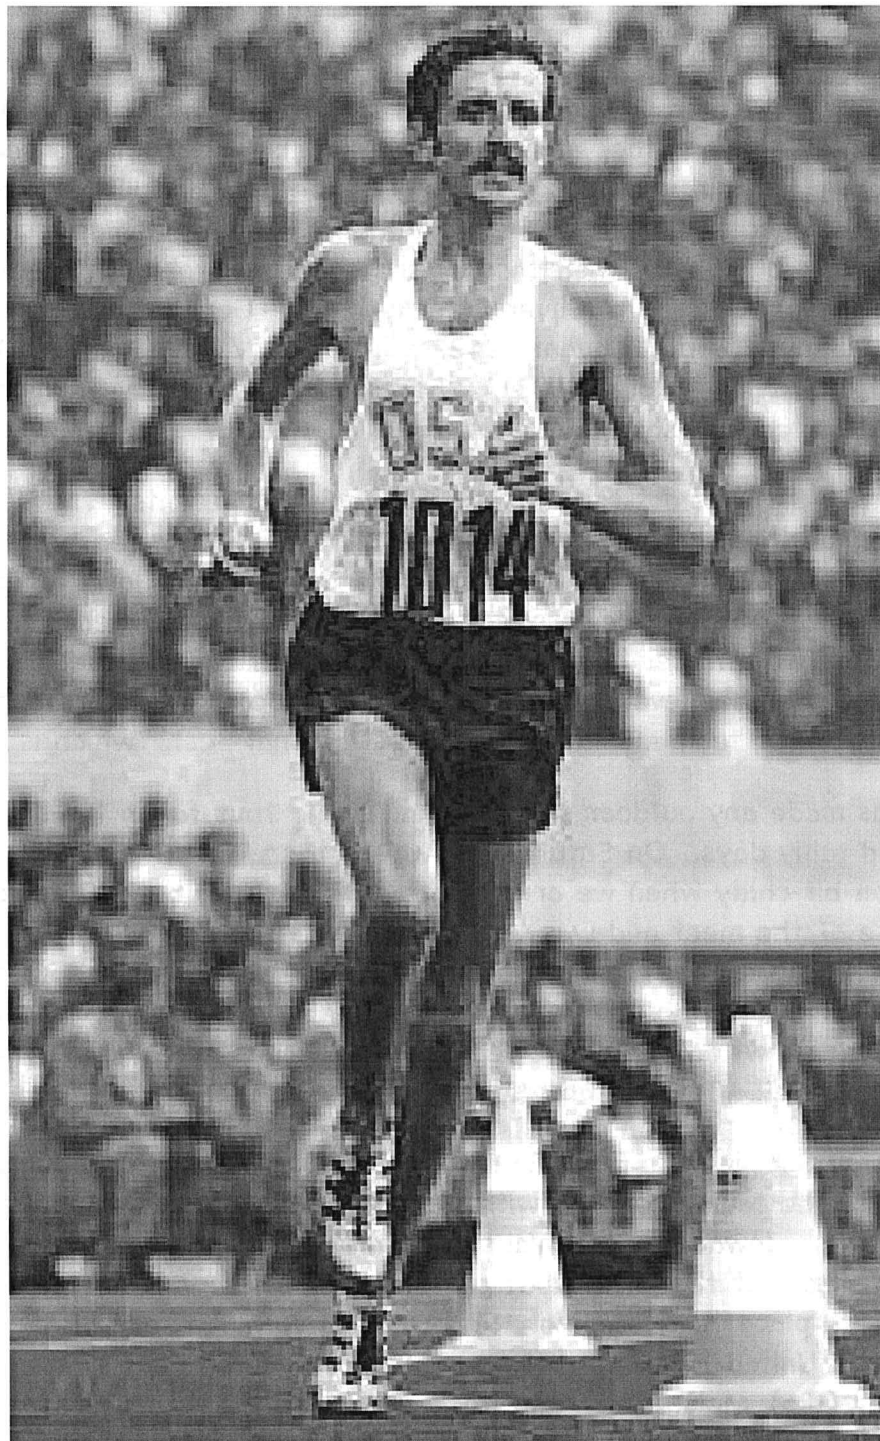

Other top locals included Rock Island's Darius Tongo (100, 3rd), UT's Logan Veloz (800, 3rd), Mumey (1600, 3rd), PV's Daniel DeGeorge (200, 3rd) and UT's Damahz Slater (triple jump, 3rd).

United Township finished fourth as a team with 176.5 points. Geneseo was fifth (151.5), Moline eighth (121), Rock Island 10th (88), Sherrard 11th (19) and Alleman 12th (9.5).

LEAFS 5TH AT UTHS ABC INV.

On Saturday, April 9th, the Leafs traveled to United Township High School's historic Soule Bowl to participate in the annual Kiwanis Track and Field Invitational. The meet has been around for decades for a reason. The field is always extremely competitive and UTHS always runs first-class meets. The Leafs have used the meet as their traditional Outdoor Invitational Season Opener. This year's field included (along with their Mascot and current enrollment): Alleman (Pioneers-495 m); Dunlap (Eagles-1287); Galesburg (Silver Streaks-1246); Geneseo (Maple Leafs-849); Moline (Maroons-2083); , Plainfield South (Cougars-2422); Pleasant Valley (Spartans-1402); Quincy (Blue Devils-1759); Rock Island (Rocks-1603); Sherrard (Tigers-427); Sterling (Golden Warriors-998); and United Township (Panthers-1691.)

The meet utilizes an "A-B-C" format for all of the 14 Individual events. That's right, three separate levels of competition. The relays use an "A-B" format. Thus, each of the four relays have two separate levels of competition. We LOVE the format. It allows for a large number of team members to be given the chance to compete. The top athletes in each event compete at the "A Level"; the Number Two athletes in each event competes at the "B Level"; etc. The point values are higher at the higher levels of competition. The "Scoring Grid" for meet is listed below. A LARGE number of team members recorded "Personal Bests" which is ALWAYS the goal.

The weatherman has made any outdoor training challenging thus far in the season. There have been MANY cold and rainy days. On Saturday, however, there wasn't a single cloud in the sky the entire day. It was a bit chilly when we arrived at 8:30 a.m. (32°) but the temperature gradually rose over the course of the meet and was up to 52° by the end of the meet. The winds were manageable with a NNE wind of 10-12 miles per hour. Luckily, the Soule Bowl is sheltered on three sides. We STRONGLY suggested that the boys put some sun block on and made it available. What do we know? Most of the team had red faces by the time they boarded the bus to head for home. Oh, well. The sunshine sure did feel GOOD :).

The Leafs scored a top Six Finish in 32 EVENTS, totaling 151.50 points and demonstrating a LOT of depth along the way. The team ended up with a solid 5th place finish. Plainfield South won the meet scoring 285 points. Iowa's Pleasant Valley was an impressive 2nd scoring 228 points (amazing considering the fact that they don't contest the Triple Jump or Pole Vault in Iowa.) Just ahead of the Leafs 5th place team score of 151.50 were fellow Western Big Six Members Galesburg (186.50) and United Township (176.50.) Just behind the Leafs were: fellow WB-6ers Quincy (143), Sterling (125), Moline (121), and Rock Island (88.) The conference season and championship meet should be very competitive. Each team hopes to continue building towards a "Championship Meet Season Peak".

Leading the way for the Leafs were Senior Malakai Schaad who placed first in the Class A Pole Vault. He was the Leafs' lone winner in the highly competitive "Class A Division". The Leafs also grabbed a pair of "Gold Medals" in the "Class B Division" with Junior Jack Magerkurth winning the Discus and Sophomore Cooper Schaad taking the Pole Vault. Leafs who placed 2nd in the meet were: Sophomore Brayden Combs (C-High Jump); Senior Nathan McAvoy (C-200 Meter Dash); and the B-1600 Meter Relay Team of Sophomore Jeron Neal, Sophomore Thomas Allen, Sophomore Jackson Reade, and Junior Tyler Gehl. Winning "Bronze Medals" via their 3rd place performances were: Junior Kyle Guerrero (C-Pole Vault); Sophomore Jake Rapps (A-300 Meter Intermediate Hurdles); and Junior Joe Sebastian (C-110 Meter High Hurdles AND C-300 Meter Intermediate

Hurdles.) Great efforts, Men. It is going to be a LOT of fun watching all of you continue to improve as the season progresses. Don't forget to Enjoy the Journey!

I would also like to give a "Shout Out" to the Vaulters who had a HUGE day. Senior Malakai Schaad, Sophomore Cooper Schaad, and Junior Kyle Guerrero. They scored 22 of Geneseo total team points in ONE EVENT. The Hurdle Crew of Sophomores Jake Rapps and Reed Preston along with Juniors Nate Ryerson and Joe Sebastian scored in ALL SIX of the 110 Meter High Hurdles and 300 Meter Intermediate Hurdles heats. They ended up scoring 28 team points in only TWO EVENTS. Lastly, GREAT JOB to the Distance Crew for scoring in every middle distance and distance events except the 800 Meter Run and the A 3200 Meter Run. Those events included scorers in 3200 Meter Run (B & C) and the 1600 Meter Run (A, B, C) as well as scoring in BOTH of the 3200 Meter Relay (A & B.) As a collective group they scored 30 team points for "da Leafs" on the day. The fact that there was only ONE Senior in this scoring group and the there were SIX FRESHMEN leaves me drooling upon contemplation about what the future might hold.

Team members who scored points for the Leafs are listed below. The scoring grid for Individual Events was A Events: 10-8-7-6-5-4; B Events: 8-6-5-4-3-2; C Events: 6-5-4-3-2-1. For the relays the events were scored as follows: A Relays: 12-10-9-8-7-6; B Relays 10-8-7-6-5-4. The following team members scored points for the Leafs:

- 1st Place: Jack Magerkurth (B-Discus)
