

MATHSETTER

Aubrey VanKerrebroeck

How does it feel to have earned the title Mathsetter?

It feels pretty great. I'm very curious as to how I was nominated, though. (Mr. C nominated you) =)

What is the most fun you have had in a Math class?

I loved in 7th grade when Mr. Mathews gave us logic problems to solve.

Other than that, the past two years have been pretty fun!

Do you plan to continue with math (directly or indirectly) in college?

Yes, through engineering.

How many times have you laughed in class this year?

Quite a few. Most occurrences were related to people's likelihood to attend Georgia Tech.

What is your favorite song?

If I had to pick, On My Own by Ross Lynch. I saw him sing it live and it was so good!

Person from the past that you would have most liked to meet?

Maybe Thomas Jefferson. My favorite period of American history was the founding of the country, so it would be interesting to get a first-hand account of everything that happened.

Favorite Movie and/or Book: / Favorite Fictional Character:

The Hunger Games: Catching Fire (both movie and book) / Peeta Mellark

Best piece of advice you have heard in school?

Learn how to study

What is your favorite joke?

Any dad jokes. I like "What do you call a belt made of watches? A waist of time!"

Any advice you would give to students who have to have Mr. C for a teacher?

Always have a song in the back of your head: he will ask for requests and mock you if you don't have any.

Honestly I've never eaten anything from the cafeteria.

How many times have you dropped your calculator in class?

Never (so far)

What is your favorite non-perishable food item?

goldfish crackers

What is your opinion on technology? Good or Bad?

It would be very difficult to live without it. As far as accessibility to knowledge goes, technology is great.

However, it's a really big distraction for me and almost always a waste of my time.

What is your favorite word in the English (or any) language?

perplex

What is your favorite kind of weather?

I like early fall weather when it's still sunny but 60° out.

What is your favorite gift you have received or given?

The best gift I've ever received is my cat. My sister and I got her for Christmas in 2013.

If you could be a superhero, who would it be and why?

Iron Man - his suit is so cool and I would love to be able to fly.

If you could choose, which decade would you like to have been born in?

The 70s

Which wing of the high school is the worst and why?

The E-Wing. I had my locker there junior year and it was always so crowded and the hallway is tiny! It's also very far away from most of my classes.

What's your favorite Christensen tie?

The integral tie is pretty good, I remember he wore it the day after we learned what integrals were.

Which came first, the chicken or the egg?

The chicken for sure.

What's your favorite old slang word?

fab

What's your favorite album?

Right now, Red (TV) by Taylor Swift.

What's your favorite knock-knock joke?

Knock-knock.

Who’s there?

Banana.

Banana who?

Knock-knock.

Who’s there?

Banana.

Banana who?

Knock-knock.

Who’s there?

Orange.

Orange who?

Orange you glad I didn’t say banana?

Would you rather have a test a day early or a day late?

A day early always

Does math come easy to you, or do you have to work at it?

Math has always been pretty natural for me, but this year has taken a little more effort than usual. **What**

is your favorite article of clothing?

jeans

What is your LEAST favorite color?

Probably red. It’s just kind of bland to me.

What is your favorite hobby, why?

I really love to read. It’s a great way to escape whatever’s going on in my life and I enjoy seeing the world from different perspectives and being able to live out many different scenarios in my head.

What would be your fake author alias?

Elizabeth Madison

What is your preferred method of tying your shoes?

The standard shoelace knot (also known as the “bunny rabbit” method)
