

# MATHSETTER

Hope Krohn

**How does it feel to have earned the title Mathsetter?**

Very shocking...and out of left field.

**What is the most fun you have had in a Math class?**

Planking on the desks

**Where plan to go to College:**

Black Hawk Community College

**What is your favorite song?**

Vienna by Billy Joel just because it reminds me of my dad.

**Person from the past that you would have most liked to meet?**

Alexander the Great (mainly because I want to know the true cause behind his death)

**Does math come easy to you, or do you have to work at it?**

It depends on the topic. Disks and washers were a lot of work, and I firmly believe they are the seventh layer of hell's punishment. Series and summations are also a pain for me. I'm just really bad at patterns.

**AP Calculus - Is it as intimidating as it sounds?**

Not really, but my mind might change after the AP test.

**Favorite Movie and/or Book:**

*Shawshank Redemption* or *The Matrix* for movies. *The Book Thief* for books.

**Favorite Fictional Character:**

Fred Jones from Scooby Doo or Vic Sage from the DC Universe

**If you could be a super hero, who would it be and why?**

Dr. Fate, because who wouldn't want to be a Lord of Order?

**If you had to lose a body part, which one would you give up?**

My left eye because it would be really cool to have an eye patch.

**Pepperjack cheeseburgers: yay or nay?**

Nay...if thou likes pepperjack cheeseburgers, thy mother was a hamster and thy father smelt of elderberries!

**What's your favorite old slang word?**

Not a word, but I really like "You make the king's jive"

**What is your favorite joke?**

Lance is an uncommon name nowadays. But in medieval times people were called lance a lot.

**What is your favorite time of the day?**

3 am...it's so quiet because no one is awake and it's also when art inspiration hits.

**Favorite food or place to eat:**

Uncle Pete's has the best Gyros!

**What's your favorite Christensen tie?**

The Incredibles one.

**What is your favorite hobby, why?**

Drawing because it's something I can do all my life, and it helps me concentrate.

**What is your favorite non-perishable food item?**

Rainbow Goldfish for sure. It's the snack that smiles back.

**What is your favorite article of clothing?**

San Diego Padres Hat

**What is your opinion on technology? Good or Bad?**

I'm a big fan of technology...after all, I wouldn't be able to draw digitally without it.

**What is your favorite word in the English (or any) language?**

Defenestration because it shouldn't exist. No one uses it. Also, it's one of the few big words I know...so I feel like it has to be my favorite.

**Which came first the chicken or the egg?**

The chicken...according to the order of the sentence above.

**Is there anything else you would like to share?**

Here's an interesting fact: The state of Wyoming only has two escalators. Also, TLC was established in 1972 by the United States Department of Health, Education, and Welfare, along with NASA. Okay, that's it.

**What is your favorite kind of weather?**

Blizzard. I'm a big fan of snow.

**What is your favorite gift you have received or given?**

My noise canceling headphones are pretty baller. It's nice to get some peace and quiet.

**If you were an alien, what planet do you think you would come from?**

Neptune

**What is your preferred method of tying your shoes?**

Bunny ears method, but you wrap around twice.

**If you could choose, which decade would you like to have been born in?**

90's because so many good movies came out in that decade.

**Best piece of advice you have heard in school?**

Just relate everything back to Frederick Jackson Turner's Frontier Thesis, it makes you seem more sophisticated.

**Which restaurant has the best chicken sandwich?**

Raising Cane's

**Which order do you put on your socks and shoes?**

Left foot sock, then right foot sock. After that, right foot shoe, then left foot shoe.

**What would be your fake author alias?**

Jope J. Jeckell

**Which wing of the high school is the worst and why?**

E-wing because it's always so congested.

**Which elementary school is the best and why?**

Orchard Hill because it's the only one I know, and it also has a very epic playground.

**Which subject (other than math) should Mr. C teach?**

History, I feel like he's earned it.

**How many times have you laughed in class this year?**

Not sure...it has to be at least greater than 2.

**What's your favorite album?**

The Stranger, from Billy Joel

**How many times have you dropped your calculator in class?**

That's classified.

**What's your favorite knock-knock joke?**

Knock, Knock

Who's there?

I am.

I am who?

How do you not even know who you are?

**Would you rather have a test a day early or a day late?**

Day early, it's not like I would prepare more if it was later.

**Favorite lunch meat?**

Ham...it's the OG.

**Best cafeteria item?**

Chicken Noodle soup...soup time is the best time.

**What is your favorite equation or formula?**

Angle of impact =  $\arcsin(\text{stain width}/\text{stain length})$ .

**Do you plan to continue with math (directly or indirectly) in college?**

Nope!

**What is your favorite place to do your homework? Why?**

My living room because I like playing the Wii Trap Remix on the TV. It helps me study.

**What is the most recent search item you have attempted?**

"How to repair a wii disk reader," the answers were vague. If anyone knows how to fix a wii... please let me know.

**Any advice you would give to students who have to have Mr. C for a teacher?**

Watch your calculator with a keen eye, you never know when it might go for a trust fall.

**What is your LEAST favorite color?**

Orange, I'm not a fan of warm colors in general, but at least red and yellow are primary colors
