

# MATHSETTER

*Ethan Herstedt*

**How does it feel to have earned the title Mathsetter?**

Good, but mostly indifferent.

**What is the most fun you have had in a Math class?**

Fun and math class should not be used in the same sentence.

**Do you plan to continue with math (directly or indirectly) in college?**

Possibly with double majoring with Computer Science and Data Statistics

**What is your favorite song?**

Man Listen by Belly

**Person from the past that you would have most liked to meet?**

Alan Turing

**Does math come easy to you, or do you have to work at it?**

Depending on the topic, sometimes it's easy, sometimes it's difficult.

**AP Calculus BC - Is it as intimidating as it sounds?**

No, however you won't think so whenever you start something new.

**Favorite Movie and/or Book:**

Project Hail Mary by Andy Weir

**Favorite Fictional Character:**

Thrawn from Star Wars

**If you could be a superhero, who would it be and why?**

Tony Stark, because he is smart and rich but still a normal human.

**What's your favorite Christensen tie?**

The Hydra One

**Best piece of advice you have heard in school?**

Either give it your all or don't bother; don't half-ass anything.

**Any advice you would give to students who have to have Mr. C for a teacher?**

If you don't understand something there's a good chance no one understands it, so don't sweat it.

**Which restaurant has the best chicken sandwich?**

I don't ever order chicken sandwiches, but 40 nuggets at McDonalds is a must.

**What's your favorite old slang word?**

Palooka

**What is your favorite hobby, and why?**

Swimming, I've done it my whole life.

**How many times have you dropped your calculator in class?**

Probably like twice.
