

MATHSETTER

Sophia Clifton

How does it feel to have earned the title Mathsetter?

It is truly an honor and a privilege to have gained this title, and I can only attribute it to the tears I've shed from my Dad trying to teach me math K-8.

What is the most fun you have had in a Math class?

9/10 I mean the tunes and jokes are always the vibe, but by 6th hour sometimes I'm sleepy.

Where plan to go to College:

University of Illinois!

Do you plan to continue with math (directly or indirectly) in college?

Yes, I will be working on nuclear engineering

How many times have you laughed in class this year?

7 (giggles don't count)

What is your favorite song?

HONEY (ARE YOU COMING?) By Måneskin

If you could be a superhero, who would it be and why?

Batman, because can't go wrong with a goth superhero

Person from the past that you would have most liked to meet?

Paul the Apostle

AP Calculus BC - Is it as intimidating as it sounds?

It can be, but that's if you don't complete your homework. Also always check if the function is differentiable (which would also be continuous)

Favorite Movie and/or Book:

Movie: Coraline Book: All Optimists Die First

If you could choose, which decade would you like to have been born in?

Born in the early 40's so I can be a teenager in the 50's

Favorite Fictional Character:

Bob Belcher

Best piece of advice you have heard in school?

Don't stand in the middle of the hallway

Any advice you would give to students who have to have Mr. C for a teacher?

He always has your education at the forefront of his mind, so he is readily available to help you in that aspect...plus he's pretty funny too.

What is your LEAST favorite color?

ORANGE (If I was a communist dictator I would ban that color)

What is your favorite hobby, why?

Usually, I would say art, but I think it has been making memories with my friends more recently.

How many times have you dropped your calculator in class?

Drops that were recorded: 2 Unrecorded drops: 1 Total: 3

What is your favorite joke?

What do you give a man who has everything...penicillin.

What is your favorite article of clothing?

Dresses!

What is your opinion on technology? Good or Bad?

Technology's intentions I believe are good, the actuality of it is gray.

What would be your fake author alias?

MacDennis

Which restaurant has the best chicken sandwich?

Frank's Pizzeria

What's your favorite old slang word?

Tubular

What is your favorite word in the English (or any) language?
Substantial

What is your favorite kind of weather?
Sunny

What is your favorite gift you have received or given?
My Car

If you were an alien, what planet do you think you would come from?
Neptune

What is your preferred method of tying your shoes?
1 Second shoe tie

Which order do you put on your socks and shoes?
Left sock, right sock, then shoes follow the same pattern

If you had to lose a body part, which one would you give up?
My appendix

Which wing of the high school is the worst and why?
I think we can unanimously agree it’s the East Wing. I mean it’s hot, crowded, and full of freshmen, and has English classes. Its only redeeming quality is the three big H’s known as Herrington, Hall, and Hickerson. 3/10

Pepperjack cheeseburgers: yay or nay?
Nay

Which elementary school is the best and why?
Northwest because the nicest people are usually from there (even though I’m from Milikin)

Which subject (other than math) should Mr. C teach?
Spanish

What's your favorite album?
RUN WILD. LIVE FREE. LOVE STRONG. By King & Country

What's your favorite Christensen tie?
Looney Tunes

What's your favorite knock-knock joke?
Knock, Knock.
Who’s there?
Nobel.
Nobel who?
Nobel, that’s why I knocked.

Would you rather have a test a day early or a day late?
Day late

Favorite lunch meat?
Salami

Best cafeteria item?
Orange Chicken with Rice

What is your favorite place to do your homework? Why?
I don’t feel comfortable using my phone at the Geneseo Library, so I get my homework done there.

What is the most recent search item you have attempted?
“top ten jokes”

What is your favorite time of the day?
10 AM (Strangely I feel most productive during this hour)

What is your favorite equation or formula?
 $y - y_1 = m(x - x_1)$

Favorite food or place to eat:
Oshii

Which came first the chicken or the egg?
Chicken

What is your favorite non-perishable food item?
Dark Chocolate

Does math come easy to you, or do you have to work at it?
It does come easy to me

Is there anything else you would like to share?
I love math :)
