

MATHSETTER

Dylan Gehl

How does it feel to have earned the title Mathsetter?

Preposterous.

Where plan to go to College:

University of Illinois Urbana Champaign

Do you plan to continue with math (directly or indirectly) in college?

Yes, I will take classes such as Calc III and will take Linear Algebra to back up concepts in quantum mechanics.

How many times have you laughed in class this year?

Somewhere on the real domain $[42, e^5]$.

What is your favorite song?

The Fool on the Hill - The Beatles

Person from the past that you would have most liked to meet?

Gordon Moore.

Does math come easy to you, or do you have to work at it?

No it doesn't come easy, but the motivation to do it usually comes easy and that's half the battle.

Favorite Fictional Character:

Fred from Scooby Doo

What is your favorite place to do your homework? Why?

In Hardison's class, because he is very motivational.

What is your favorite joke?

A man walks into a bar and says "ouch!"

What is your favorite time of the day?

7 PM because I am wide awake and always have my most productive work. By this point in the day I'm able to work on things I am interested in.

Any advice you would give to students who have to have Mr. C for a teacher?

Mr. C is the original gangster, so if you are expecting that math should be easy and non-engaging, you are in for a world of pain. Work with the problem and do extra work when you are struggling and you will be fine. Also, probably don't annoy him.

What is your favorite hobby, why?

Distinct from all my other hobbies, I love just to surf the web. There are infinitely many things to learn about and countless distractions to avoid.

How many times have you dropped your calculator in class?

III :(

Which came first the chicken or the egg?

The egg came first because at some defined point, the egg of a dinosaur with DNA very similar to a chicken had DNA that more closely resembled that of chicken than a dinosaur.

Best cafeteria item?

Unnnnnccrustablezzz

What's your favorite old slang word?

Golly gee

What is your favorite article of clothing?

Shoes are very nice because they can be reused every day and no one blinks twice.

What is your favorite equation or formula?

If $a = b$, and $b = c$; then $a = c$.

What is your opinion on technology? Good or Bad?

Technology is good because it improves the quality of life and reduces the effective amount of work per util of happiness. It is likely that American workers are in a period of technological utopia wherein the workforce is less productive than it could be because of the ease of access to high quality of life. Hopefully the scale tips and we feel more drive to be competitive on the world stage.

What is your favorite word in the English (or any) language?

Verbose

What is your favorite kind of weather?

Thunderclouds and tornados

Best piece of advice you have heard in school?

Focus

What is your favorite gift you have received or given?

Bike tires are surprisingly useful

If you were an alien, what planet do you think you would come from?

Mars because it has the most reasonable commute.

What is the most fun you have had in a Math class?

Mr. Matthew introducing Algebra concepts to us as if we were discovering Algebra ourselves.

If you could be a super hero, who would it be and why?

Iron man isn't always happy, but is a good example of the American success story.

What is your preferred method of tying your shoes?

Quantum entanglement

If you could choose, which decade would you like to have been born in?

2020s

Which restaurant has the best chicken sandwich?

Culver's

Which order do you put on your socks and shoes?

Sometimes I put my socks over my shoes because this is a very common behavior.

What would be your fake author alias?

Jar Jar Blinks

If you had to lose a body part, which one would you give up?

Gall bladder

Which wing of the high school is the worst and why?

The E-wing has the highest concentration of Freshmen, and—need I say more?

Pepperjack cheeseburgers: yay or nay?

HIP HIP!

Which elementary school is the best and why?

Southwest is the best elementary school because it seems to have the best location and best resources.

Which subject (other than math) should Mr. C teach?

Choir

What is your favorite album?

Ravel: Miroirs, Jeux D'Eau, Pavane Pour Une Infante Défunte

What is your favorite Christensen tie?

Hopefully a Christmas themed tie.

AP Calculus BC - Is it as intimidating as it sounds?

Easier than AP Chem, so not too bad!

Book: Scythe; Movie: Lord of the Rings

What is the most recent search item you have attempted?

“fighting quotes”

What is your favorite knock-knock joke?

“Knock knock.”

“Who's there?”

“Radio.”

“Radio who?”

“Radi-o not, here I come!”

Favorite food or place to eat:

Plain spaghetti on the bus before a cross country meet.

Would you rather have a test a day early or a day late?

I thrive in chaos, so a day early is good for me. Also, if we took one less day between each test throughout our schooling career, we would have graduated a year earlier with the same content.

Favorite lunch meat?

Chicken

What is your LEAST favorite color?

Peach

What is your favorite non-perishable food item?

Canned corn (NOT CREAM STYLE)

Is there anything else you would like to share?

I managed to forget my take home test
