Geneseo boys always come out on top.

Priscilla gets a head start.

The 1985 Geneseo Boys Cross-Country team once again had a banner year. Under the direction of a new coach, Don Fredericks, the Leafs' varsity ended the season with a 10-0 record. The frosh-soph finished at 8-2 placing a close third at conference. The Senior dominated varsity team realized the fruits of its labors in post season action with an *NCIC championship*, *second place* for the regional, and an *eighth place* in one of the most competitive sectionals in the state. Truly, next year's team has a lot to live up to.

"Thank God that's over."
