P. Gomez continues her cross country dominance

Priscilla Gomez continued her dominance of the area cross country scene, taking first in the Dixon Invitational.

At the Dixon Invitational on Saturday, September 28, over 40 teams met to compete against each other. The rough footing of the 2.1 mile and 3.0 mile courses made it difficult for all competitors, but the Leafs proved better prepared than most of the runners.

In the frosh-soph boys' division, Geneseo placed fifth in the 14-team race. Mike Haars finished first for the team, coming across the line in tenth place followed closely by teammates Tim Moran and Brad Baker, who placed 13th and 16th respectively.

The other top Lady Leafs were Connie Gradert (eighth), Gail Perkins (12th), Tara Zeitler (30th) and Kim Chapman (31st).

The girls finished first as a team out of 25 teams in their race.

The varsity boys finished the meet on the right foot by getting a strong fourth out of 16 teams which included several state-ranked squads. Phil Walsh led the Leafs with his 15th place finish followed by Tony Linna-berg (23rd), Cliff Harker (37th), Scott Perkins (29th) and Todd Puckett (32nd).

There was also an open frosh boys race and a junior varsity girls race, but these were not scored.

Gomez took first at a quadrangular meet in Geneseo on Tuesday, October 1 while her Lady Leaf teammates were third.

John Huyvaert was second in the boys' division in which the Geneseo B team was third.

Walsh was second at a triangular in Geneseo on Monday,

September 30; the Leafs defeated both Kewanee and Rock Falls.

The girls' B team lost to Kewanee and Rock Falls in the same meet.

~~Results follow.~~

At Dixon over the weekend, Geneseo cross country girls team placed 1st out of 30 teams. Leading the girls was Priscilla Gomez, placing first. The varsity boys, placing 4th out of 20 teams, were led by Phil Walsh, placing 15th. The frosh-soph team, placing 4th out of 20 teams, was led by Mike Haars.
