With temperatures reaching into the high nineties, the combined boys and girls Geneseo cross-country team beat the elements and finished first in the Rockford-Harlem Invitational. This competition was different than others, since it featured both boys' and the girls' times to win the team title. The top five times of the girls race, and the top ten times of the boys race were added together to produce a sum of the times. The team with the lowest times won.

Geneseo was led by the first place finishes of Priscilla Gomez in the junior-senior girls race with a time of 11:57 over the 1.9 mile course, and Phil Walsh in the sophomore race with a time of 14:24 over the 2.4 mile course.

Geneseo met Rock Island Alleman in a dual meet competition at Richmond Hill park on Tuesday, September 10, and on Saturday, September 14, Geneseo will be at the Homewood-Flossmoor Invitational.

Results of the Rockford Harlem Invitational, supplied by Bill Holevoet, follow.

Note: Nice team effort! The conditions couldn't have been much worse (hills & 98 degree weather). We had all the excuses in the world available to fall back on, but we didn't! When it was time to get after "it" you did. When the going gets tough and the situation demands a bit more the "leafs" are ready and waiting for all takers. Keep your eyes on the goals that you have set, both for the team, and for yourself. Keep up the great work!

Coach Fredrick
