

Geneseo girls place third in "tough" cross country meet

"We ran tough," is a solid comment frequently used by Coach Don Fredericks in reference to the varsity girls cross country team this year. And most people would have a "tough" time running "tough" after getting up at 4 a.m. for a trip to the seventeenth Oak Park and River Forest cross country meet.

Fourteen teams competed in the meet at Oak Park Saturday, September 27. Schaumburg, ranked fifth in the state, finished in the top notch for the meet while Prospect, in the top 10 for the state, finished second. Geneseo took the third place slot.

The 9 a.m. meet was held for varsity girls and frosh-soph girls only. Varsity runners ran over a 2.25 mile course.

Coach Fredericks also stated "Lorri DeBlieck ran a super race, possibly the best of her life!"

Lorri finished third overall while coming in first for Geneseo. Her time was 13:31. Shenwood of Schaumburg clocked in 13:18.2 for first followed by Prospect runner O'Neill in 13:29.0.

Gail Perkins, second finisher for Geneseo, gave a "solid performance" and finished

seventh overall. Connie Gradert, who was fighting illness at the meet, third for Geneseo, came in 14 overall.

"Solid packing," another phrase common in cross country, was shown in the next four Geneseo runners. Kim Chapman, Michelle Landrum, Tara Zeitler and Kirstin Kemmis, came in, respectively, 34, 35, 37 and 39.

No Geneseo runner finished less than 39th place; the last overall runner tallied at 86.

First place Schaumburg tallied 50 points while Prospect marked 75 and Geneseo following in third with 93.
